To the applicant:

Please have the Florida registered professional land surveyor responsible for staking the property, sign the below “**Stake Verification**” statement.

Stake Verification

All property corners have been clearly staked and labeled with the unit and track number by a Florida registered professional land surveyor. If the site is densely vegetated, the surveyor must provide an access path no wider than 3 feet along the entire length of the property line for department staff to access for a complete determination.

Licensed Surveyor (Clearly Print Name and Sign) License # Date property was staked

I, _____, affirm that I am the owner/agent of the property described in this
(print name)
application, and that I understand and will comply with the above conditions of this permit.
