

## **EXECUTIVE SUMMARY**

**Approve an Agreement for Sale and Purchase for 0.39 acres under the Conservation Collier Land Acquisition Program, at a cost not to exceed \$422,600 (WISC Investment Company, LLC).**

---

**OBJECTIVE:** Request approval of the attached Agreement for Sale and Purchase (Agreement) between the Board of County Commissioners (Board) and WISC Investment Company, LLC (Seller).

**CONSIDERATIONS:** The Sellers' property contains 0.39 acres and is located within Marco Beach, Unit 9. The parcel is located off of Inlet Drive.

In accordance with the approved Conservation Collier Purchasing Policy, the purchase price of \$419,000 was based upon an appraisal prepared by an independent, state-certified, general real estate appraiser. The cost to obtain an appraisal was \$900.

**FISCAL IMPACT:** The total cost of acquisition will not exceed \$422,600 (\$419,000 for the property, \$900 for the appraisal, and approximately \$2,700 for the title commitment, title policy, and recording of documents). The funds will be withdrawn from the Conservation Collier Trust Fund (172). As of December 13, 2022, property costs for Conservation Collier properties, including this property and those under contract, total \$112,119,747. Estimated costs of maintenance in perpetuity for this and all Cycle 10 A-list properties have been considered by the CCLAAC and have been incorporated into the Conservation Collier Long Term Financial Management Plan that will ensure management of all Conservation Collier Preserves in perpetuity. The average annual per acre maintenance cost for the first 5 years (initial maintenance costs) is \$821/acre including exotic vegetation removal. After initial restoration, the average maintenance costs by Conservation Collier are approximately \$150 per acre.

**GROWTH MANAGEMENT IMPACT:** Fee simple acquisition of conservation lands is consistent with and supports Policy 1.3.1(e) in the Conservation and Coastal Management Element of the Collier County Growth Management Plan.

**LEGAL CONSIDERATIONS:** This item has been reviewed and approved by the County Attorney's Office and is legally sufficient. - RTT

**RECOMMENDATION:** Staff is recommending that the CCLAAC:

1. Approve the attached Agreement; and
2. Recommend to the Board approval and authorization for the Chairman to execute the Agreement on behalf of the Board.

**Purpose of Project:** Environmental Conservation – Conservation Collier Program

**Program Qualifications:** This parcel fulfills program qualifications by three of six applicable screening criteria. The parcel contains the native tropical hardwood hammock plant community, and two listed plant species were observed on site. Multiple active gopher tortoise burrows exist within the parcel, and the parcel does contain burrowing owl habitat. This parcel is in the Urban Target Protection Area and has access from a public road and sidewalk. It provides wildlife viewing and greenspace in a neighborhood where nearly every lot is developed. The parcel is too small to accommodate trails but can be enjoyed from the sidewalk.

**Zoning, Growth Management and Land Use Overlays:** The WISC parcel is zoned Residential Single-Family-3. The maximum building density is 3 units per gross acre.

## **Projected Management Activities:**

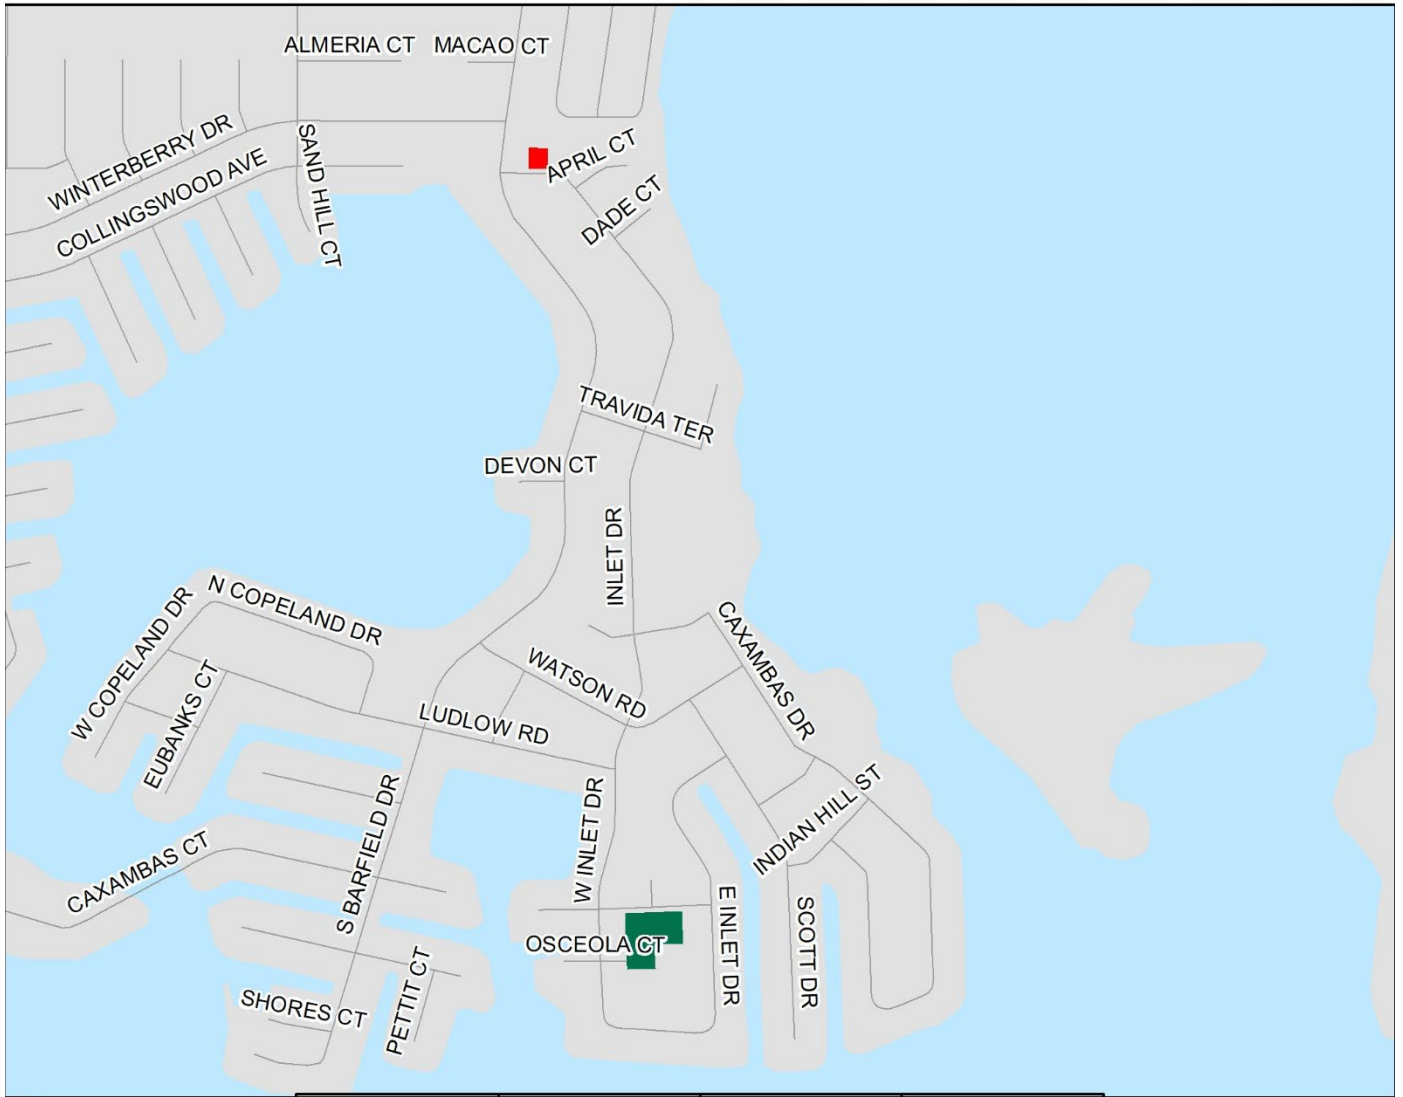

Primary management activities will include control of exotic plant populations (which currently constitute less than 25% of plant cover) and creation and installation of signage. The parcel would be visible from a public road and sidewalk. No vehicular access onto the parcel would be recommended. A marked trail could possibly be created through portions of the parcel. This would only require trail posts and trail roping to keep visitors off gopher tortoise burrows. No trail installation would be required; trail markers and roping would be placed in the existing barren areas. The parcel is within walking distance of many

residences and commercial parking lots. Creating parking within the parcel would not be recommended because of its small size, native vegetation, and wildlife utilization. If other parcels in the area are acquired along with this parcel, Conservation Collier will coordinate with the City of Marco Island regarding parking. Depending on location, the City of Marco Island has offered to assist in providing off-street parking on pervious material and the installation of signage consistent with the City’s Land Development Codes.

#### IV. REQUIREMENTS AND CONDITIONS

4.01 Upon execution of this Agreement by both parties or at such other time as specified within this Article, Purchaser and/or Seller, as the case may be, shall perform the following within the times stated, which shall be conditions precedent to the Closing;

4.011 Within fifteen (15) days after the date hereof, Purchaser shall obtain as evidence of title an ALTA Commitment for an Owner's Title Insurance Policy (ALTA Form B-1970) covering the Property, together with hard copies of all exceptions shown thereon. Purchaser shall have thirty (30) days, following receipt of the title insurance commitment, to notify Seller in writing of any objection to title other than liens evidencing monetary obligations, if any, which obligations shall be paid at closing. If the title commitment contains exceptions that make the title unmarketable, Purchaser shall deliver to the Seller written notice of its intention to waive the applicable contingencies or to terminate this Agreement.

4.012 If Purchaser shall fail to advise the Seller in writing of any such objections in Seller's title in the manner herein required by this Agreement, the title shall be deemed acceptable. Upon notification of Purchaser's objection to title, Seller shall have thirty (30) days to remedy any defects in order to convey good and marketable title, except for liens or monetary obligations which will be satisfied at Closing. Seller, at its sole expense, shall use its best efforts to make such title good and marketable. In the event Seller is unable to cure said objections within said time period, Purchaser, by providing written notice to Seller within seven (7) days after expiration of said thirty (30) day period, may accept title as it then is, waiving any objection; or Purchaser may terminate the Agreement. A failure by Purchaser to give such written notice of termination within the time period provided herein shall be deemed an election by Purchaser to accept the exceptions to title as shown in the title commitment.

4.013 Seller agrees to furnish any existing surveys of the Property in Seller's possession to Purchaser within 10 (ten) days of the effective date of this Agreement. Purchaser shall have the option, at its own expense, to obtain a current survey of the Property prepared by a surveyor licensed by the State of Florida. No adjustments to the Purchase Price shall be made based upon any change to the total acreage referenced in Exhibit "A," unless the difference in

acreage revealed by survey exceeds 5% of the overall acreage. If the survey provided by Seller or obtained by Purchaser, as certified by a registered Florida surveyor, shows: (a) an encroachment onto the property; or (b) that an improvement located on the Property projects onto lands of others, or (c) lack of legal access to a public roadway, the Purchaser shall notify the Seller in writing of such encroachment, projection, or lack of legal access, and Seller shall have the option of curing said encroachment or projection, or obtaining legal access to the Property from a public roadway, within sixty (60) days of receipt of said written notice from Purchaser. Purchaser shall have ninety (90) days from the effective date of this Agreement to notify Seller of any such objections. Should Seller elect not to or be unable to remove the encroachment, projection, or provide legal access to the property within said sixty (60) day period, Purchaser, by providing written notice to Seller within seven (7) days after expiration of said sixty (60) day period, may accept the Property as it then is, waiving any objection to the encroachment, or projection, or lack of legal access, or Purchaser may terminate the Agreement. A failure by Purchaser to give such written notice of termination within the time period provided herein shall be deemed an election by Purchaser to accept the Property with the encroachment, or projection, or lack of legal access.

#### V. INSPECTION PERIOD

5.01 Purchaser shall have one hundred and twenty (120) days from the date of this Agreement, ("Inspection Period"), to determine through appropriate investigation that:

1. Soil tests and engineering studies indicate that the Property can be developed without any abnormal demucking, soil stabilization or foundations.
2. There are no abnormal drainage or environmental requirements to the development of the Property.
3. The Property is in compliance with all applicable State and Federal environmental laws and the Property is free from any pollution or contamination.
4. The Property can be utilized for its intended use and purpose in the Conservation Collier program.

5.02 If Purchaser is not satisfied, for any reason whatsoever, with the results of any investigation, Purchaser shall deliver to Seller prior to the expiration of the Inspection Period, written notice of its intention to waive the applicable contingencies or to terminate this Agreement. If Purchaser fails to notify the Seller in writing of its specific objections as provided herein within the Inspection Period, it shall be deemed that the Purchaser is satisfied with the results of its investigations and the contingencies of this Article V shall be deemed waived. In the event Purchaser elects to terminate this Agreement because of the right of inspection, Purchaser shall deliver to Seller copies of all engineering reports and environmental and soil testing results commissioned by Purchaser with respect to the Property.

5.03 Purchaser and its agents, employees and servants shall, at their own risk and expense, have the right to go upon the Property for the purpose of surveying and conducting site analyses, soil borings and all other necessary investigation. Purchaser shall, in performing such tests, use due care. Seller shall be notified by Purchaser no less than twenty-four (24) hours prior to said inspection of the Property.

#### VI. INSPECTION

6.01 Seller acknowledges that the Purchaser, or its authorized agents, shall have the right to inspect the Property at any time prior to the Closing.

#### VII. POSSESSION

7.01 Purchaser shall be entitled to full possession of the Property at Closing.

#### VIII. PRORATIONS

8.01 Ad valorem taxes next due and payable, after closing on the Property, shall be prorated at Closing based upon the gross amount of 2022 taxes, and shall be paid by Seller.

#### IX. TERMINATION AND REMEDIES

9.01 If Seller shall have failed to perform any of the covenants and/or agreements contained herein which are to be performed by Seller, within ten (10) days of written notification of such failure, Purchaser may, at its option, terminate this Agreement by giving written notice of termination to Seller. Purchaser shall have the right to seek and enforce all rights and remedies available at law or in equity to a contract vendee, including the right to seek specific performance of this Agreement.

9.02 The parties acknowledge that the remedies described herein and in the other provisions of this Agreement provide mutually satisfactory and sufficient remedies to each of the parties and take into account the peculiar risks and expenses of each of the parties.

#### X. SELLER'S AND PURCHASER'S REPRESENTATIONS AND WARRANTIES

Agreement and the instruments executed in connection herewith, and to consummate the transaction contemplated hereby. All necessary authorizations and approvals have been obtained authorizing Seller and Purchaser to execute and consummate the transaction contemplated hereby. At Closing, certified copies of such approvals shall be delivered to Purchaser and/or Seller, if necessary.

10.013 The warranties set forth in this paragraph shall be true on the date of this Agreement and as of the date of Closing. Purchaser's acceptance of a deed to the said Property shall not be deemed to be full performance and discharge of every agreement and obligation on the part of the Seller to be performed pursuant to the provisions of this Agreement.

10.014 Seller represents that it has no knowledge of any actions, suits, claims, proceedings, litigation or investigations pending or threatened against Seller, at law, equity or in arbitration before or by any federal, state, municipal or other governmental instrumentality that relate to this agreement or any other property that could, if continued, adversely affect Seller's ability to sell the Property to Purchaser according to the terms of this Agreement.

10.015 No party or person other than Purchaser has any right or option to acquire the Property or any portion thereof.

10.016 Until the date fixed for Closing, so long as this Agreement remains in force and effect, Seller shall not encumber or convey any portion of the Property or any rights therein, nor enter into any agreements granting any person or entity any rights with respect to the Property or any part thereof, without first obtaining the written consent of Purchaser to such conveyance, encumbrance, or agreement which consent may be withheld by Purchaser for any reason whatsoever.

10.018 Seller has no knowledge that the Property and Seller's operations concerning the Property are in violation of any applicable Federal, State or local statute, law or regulation, or of any notice from any governmental body has been served upon Seller claiming any violation of any law, ordinance, code or regulation or requiring or calling attention to the need for any work, repairs, construction, alterations or installation on or in connection with the Property in order to comply with any laws, ordinances, codes or regulation with which Seller has not complied.

10.019 There are no unrecorded restrictions, easements or rights of way (other than existing zoning regulations) that restrict or affect the use of the Property, and there are no maintenance, construction, advertising, management, leasing, employment, service or other contracts affecting the Property.

10.020 Seller has no knowledge that there are any suits, actions or arbitration, bond issuances or proposals therefor, proposals for public improvement assessments, pay-back agreements, paving agreements, road expansion or improvement agreements, utility moratoriums, use moratoriums, improvement moratoriums, administrative or other proceedings or governmental investigations or requirements, formal or informal, existing or pending or threatened which affects the Property or which adversely affects Seller's ability to perform hereunder; nor is there any other charge or expense upon or related to the Property which has not been disclosed to Purchaser in writing prior to the effective date of this Agreement.

Section 9601, et seq., ("CERCLA" or "Superfund"), which was amended and upgraded by the Superfund Amendment and Reauthorization Act of 1986 ("SARA"), including any amendments or successor in function to these acts. This provision and the rights of Purchaser, hereunder, shall survive Closing and are not deemed satisfied by conveyance of title.
