YOU HOLD THE KEY

To a safe community

Vehicle break-ins are crimes of opportunity. Sheriff's Kevin Rambosk is asking you to take these steps to make your vehicle unappealing to criminals:

- Remove all valuables or keep them out of sight. Make sure to remove all base mounts, cords and chargers from view as well.
- Don't leave key fobs, keys and firearms in your vehicle.
- Be observant for suspicious activity or suspicious people who may be trying to burglarize vehicles.
- Lock your doors even when your car is parked at home. That's where most unlocked vehicle burglaries happen. Many thieves pull on door handles until they find an unlocked vehicle.
- If your vehicle is broken into, report it to law enforcement even if nothing significant was taken. Your information can help investigators identify trends and solve crimes.
- Disable or remove your garage door opener.
- If you have information about criminal activity that is NOT in progress, report it to our TIPS LINE. Call 239-775-TIPS (8477) or email us at tips@colliersheriff.org
