

2023 Drop Savers Water Conservation Poster Contest

Collier County Public Utilities invites all K-12 students in Collier County to participate in the Drop Savers Water Conservation Poster Contest. Students are encouraged to create a poster depicting a water conservation idea, in slogan or drawing form or both. This is a great opportunity for students to express their creativity while they learn about how to save water.

Student Guidelines

Each poster must portray a water conservation idea in a slogan and/or drawing form, and will be judged on the message, creativity, originality and artistic ability.

Poster must be drawn on 8 ½" x 11" white paper and may be drawn vertically or horizontally.

Students may use crayons, paint, color pencils, or markers. No highlighters, photos or computer graphics are permitted.

Students must work on posters individually.

Only original artwork will be accepted. No trademarked or copyrighted materials.

Judging Guidelines

Entries are in one of these judging categories:

- Division 1 (K and 1)
- Division 2 (Grades 2 and 3)
- Division 3 (Grades 4 and 5)
- Division 4 (Grades 6, 7 and 8)
- Division 5 (Grades 9, 10, 11 and 12)

On the back of each poster write:

(may revise based on security protocols)

- Student name and grade
- School name, address and phone number
- Teacher or parent name and email address

Submission of an entry serves as the student, parent/guardian, and school's authorization to utilize the student's name, school and artwork in prize and other promotional materials.

To enter the contest, either email high-resolution, color scans of both sides of the entries to conservewater@colliercountyfl.gov or mail originals to Public Utilities Operations Center 4370 Mercantile Avenue Naples, FL 34104. The submission deadline for the local-level judging has been extended to February 28, 2023. For more information about the 2023 Drop Savers Water Conservation Poster Contest, email conservewater@colliercountyfl.gov or visit colliercountyfl.gov/conservewater.

Local-level Judging

A panel of water conservation specialists from Collier County Public Utilities will judge all entries for the message, creativity, originality, and artistic ability and will choose a first, second, and third-place Local Winners for each division. First-place Local Winners will advance to the statewide-level, led and judged by the Florida Section of the American Water Works Association (FSAWWA) by March 10, 2023.
