**Purpose of Project:** Environmental Conservation – Conservation Collier Program

**Program Qualifications:**

These parcels are adjacent to the Dr. Robert H. Gore III Preserve. The Arias parcels were considered due to their proximity to an existing Conservation Collier preserve. The Arias project met 5 out of 6 Initial Screening Criteria identified in the Conservation Collier Ordinance, No. 2007-65, as amended, including presence of native habitat, potential for nature-based recreational and educational opportunities, protection of water resource values and wetland dependent species habitat, presence of significant biological/ecological values, listed species habitat, connectivity, and restoration potential.

***Potential access for nature-based recreation, and enhancement of the aesthetic setting of Collier County***

These parcels are not accessible by a paved road; however, they could accommodate outdoor recreation, due to their proximity to the Dr. Robert H. Gore III Preserve.

***Opportunities for protection of water resource values, including aquifer recharge, water quality enhancement, protection of wetland dependent species habitat, and flood control***

The parcels have many wetland dependent plant species and contain karst topography, which is a wetland indicator, despite soils that indicate that wetlands may also be seasonal. The parcels provide minimal water quality enhancement beyond accommodating sheet flow into the I-75 canal.

***Property enhances and/or protect the environmental value of current conservation lands through function as a buffer, ecological link, or habitat corridor***

The Arias parcels expand the Dr. Robert H. Gore III Preserve. These parcels, joined with many others, could also permanently protect a corridor between North Belle Meade and the Florida Panther National Wildlife Refuge.

**Zoning, Growth Management and Land Use Overlays:** The parcels are within the Northern Golden Gate Estates. The zoning classification is Estates (E), a rural residential classification. There are no additional land use overlays applicable.

**Projected Management Activities:** Projected management activities include the removal of invasive plants, the development of a Land Management Plan, and continued development of public access to selected portions of the preserve.

WHEREAS, Purchaser is desirous of purchasing the Property, subject to the conditions and other agreements hereinafter set forth, and Seller is agreeable to such sale and to such conditions and agreements.

NOW, THEREFORE, and for and in consideration of the premises and the respective undertakings of the parties hereinafter set forth and the sum of Ten Dollars (\$10.00), the receipt and sufficiency of which is hereby acknowledged, it is agreed as follows:

#### I. AGREEMENT

1.01 In consideration of the purchase price and upon the terms and conditions hereinafter set forth, Seller shall sell to Purchaser and Purchaser shall purchase from Seller the Property, described in Exhibit "A".

#### II. PAYMENT OF PURCHASE PRICE

2.01 The purchase price (the "Purchase Price") for the Property shall be **ONE HUNDRED SIXTEEN THOUSAND ONE HUNDRED and 00/100 DOLLARS (\$116,100.00)**, (U.S. Currency) payable at time of closing.

#### III. CLOSING

3.01 The Closing (THE "CLOSING DATE," "DATE OF CLOSING," OR "CLOSING") of the transaction shall be held on or before one hundred and eighty (180) days following execution of this Agreement by the Purchaser. The Closing shall be held at the Collier County Attorney's Office, Administration Building, 3299 Tamiami Trail East, Naples, Florida. The procedure to be followed by the parties in connection with the Closing shall be as follows:

3.011 Seller shall convey a marketable title free of any liens, encumbrances, exceptions, or qualifications. Marketable title shall be determined according to

applicable title standards adopted by the Florida Bar and in accordance with law. At the Closing, the Seller shall cause to be delivered to the Purchaser the items specified herein and the following documents and instruments duly executed and acknowledged, in recordable form:

3.0111 Warranty Deed in favor of Purchaser conveying title to the Property, free and clear of all liens and encumbrances other than:

(a) The lien for current taxes and assessments.

(b) Such other easements, restrictions, or conditions of record.

3.0112 Combined Purchaser-Seller closing statement.

3.0113 A "Gap," Tax Proration, Owner's and Non-Foreign Affidavit," as required by Section 1445 of the Internal Revenue Code and as required by the title insurance underwriter in order to insure the "gap" and issue the policy contemplated by the title insurance commitment.

3.0114 A W-9 Form, "Request for Taxpayer Identification and Certification" as required by the Internal Revenue Service.

3.012 At the Closing, the Purchaser, or its assignee, shall cause to be delivered to the Seller the following:

3.0121 A negotiable instrument (County Warrant) in an amount equal to the Purchase Price. No funds shall be disbursed to Seller until the Title Company verifies that the state of the title to the Property has not changed adversely since the date of the last endorsement to the commitment, referenced in Section 4.011 thereto, and the Title Company is irrevocably committed to pay the Purchase Price to Seller and to issue the Owner's title policy to Purchaser in accordance with the commitment immediately after the recording of the deed.

3.0122 Funds payable to the Seller representing the cash payment due at Closing in accordance with Article III hereof, shall be subject to adjustment for prorations as hereinafter set forth.

3.02 Each party shall be responsible for payment of its own attorney's fees. Seller, at its sole cost and expense, shall pay at Closing all documentary stamp taxes due relating to the recording of the Warranty Deed, in accordance with Chapter 201.01, Florida Statutes, and the cost of recording any instruments necessary to clear Seller's title to the Property. The cost of the Owner's Form B Title Policy, issued pursuant to the Commitment provided for in Section 4.011 below, shall be paid by Purchaser. The cost of the title commitment shall also be paid by Purchaser.

3.03 Purchaser shall pay for the cost of recording the Warranty Deed. Real Property taxes shall be prorated based on the current year's tax with due

allowance made for maximum allowable discount, homestead and any other applicable exemptions and paid by Seller. If Closing occurs at a date which the current year's millage is not fixed, taxes will be prorated based upon such prior year's millage.

#### IV. REQUIREMENTS AND CONDITIONS

4.01 Upon execution of this Agreement by both parties or at such other time as specified within this Article, Purchaser and/or Seller, as the case may be, shall perform the following within the times stated, which shall be conditions precedent to the Closing;

4.011 Within fifteen (15) days after the date hereof, Purchaser shall obtain as evidence of title an ALTA Commitment for an Owner's Title Insurance Policy (ALTA Form B-1970) covering the Property, together with hard copies of all exceptions shown thereon. Purchaser shall have thirty (30) days, following receipt of the title insurance commitment, to notify Seller in writing of any objection to title other than liens evidencing monetary obligations, if any, which obligations shall be paid at closing. If the title commitment contains exceptions that make the title unmarketable, Purchaser shall deliver to the Seller written notice of its intention to waive the applicable contingencies or to terminate this Agreement.

4.012 If Purchaser shall fail to advise the Seller in writing of any such objections in Seller's title in the manner herein required by this Agreement, the title shall be deemed acceptable. Upon notification of Purchaser's objection to title, Seller shall have thirty (30) days to remedy any defects in order to convey good and marketable title at Seller's expense, except for liens or monetary obligations which will be satisfied at Closing. Seller, at its sole expense, shall use its best efforts to make such title good and marketable. In the event Seller is unable to cure said objections within said time period, Purchaser, by providing written notice to Seller within seven (7) days after expiration of said thirty (30) day period, may accept title as it then is, waiving any objection; or Purchaser may terminate the Agreement. A failure by Purchaser to give such written notice of termination within the time period provided herein shall be deemed an election by Purchaser to accept the exceptions to title as shown in the title commitment.

4.013 Seller agrees to furnish any existing surveys of the Property in Seller's possession to Purchaser within 10 (ten) days of the effective date of this Agreement. Purchaser shall have the option, at its own expense, to obtain a current survey of the Property prepared by a surveyor licensed by the State of Florida. No adjustments to the Purchase Price shall be made based upon any change to the total acreage referenced in Exhibit "A," unless the difference in acreage revealed by survey exceeds 5% of the overall acreage. If the survey provided by Seller or obtained by Purchaser, as certified by a registered Florida surveyor, shows: (a) an encroachment onto the property; or (b) that an improvement located on the Property projects onto lands of others, or (c) lack

of legal access to a public roadway, the Purchaser shall notify the Seller in writing of such encroachment, projection, or lack of legal access, and Seller shall have the option of curing said encroachment or projection, or obtaining legal access to the Property from a public roadway, within sixty (60) days of receipt of said written notice from Purchaser. Purchaser shall have ninety (90) days from the effective date of this Agreement to notify Seller of any such objections. Should Seller elect not to or be unable to remove the encroachment, projection, or provide legal access to the property within said sixty (60) day period, Purchaser, by providing written notice to Seller within seven (7) days after expiration of said sixty (60) day period, may accept the Property as it then is, waiving any objection to the encroachment, or projection, or lack of legal access, or Purchaser may terminate the Agreement. A failure by Purchaser to give such written notice of termination within the time period provided herein shall be deemed an election by Purchaser to accept the Property with the encroachment, or projection, or lack of legal access.

#### V. INSPECTION PERIOD

5.01 Purchaser shall have one hundred and twenty (120) days from the date of this Agreement, ("Inspection Period"), to determine through appropriate investigation that:

1. Soil tests and engineering studies indicate that the Property can be developed without any abnormal demucking, soil stabilization or foundations.
2. There are no abnormal drainage or environmental requirements to the development of the Property.
3. The Property is in compliance with all applicable State and Federal environmental laws and the Property is free from any pollution or contamination.
4. The Property can be utilized for its intended use and purpose in the Conservation Collier program.

5.02 If Purchaser is not satisfied, for any reason whatsoever, with the results of any investigation, Purchaser shall deliver to Seller prior to the expiration of the Inspection Period, written notice of its intention to waive the applicable contingencies or to terminate this Agreement. If Purchaser fails to notify the Seller in writing of its specific objections as provided herein within the Inspection Period, it shall be deemed that the Purchaser is satisfied with the results of its investigations and the contingencies of this Article V shall be deemed waived. In the event Purchaser elects to terminate this Agreement because of the right of inspection, Purchaser shall deliver to Seller copies of all engineering reports and environmental and soil testing results commissioned by Purchaser with respect to the Property.

5.03 Purchaser and its agents, employees and servants shall, at their own risk and expense, have the right to go upon the Property for the purpose of surveying and conducting site analyses, soil borings and all other necessary investigation. Purchaser shall, in performing such tests, use due care. Seller shall be notified by

Purchaser no less than twenty-four (24) hours prior to said inspection of the Property.

#### VI. INSPECTION

6.01 Seller acknowledges that the Purchaser, or its authorized agents, shall have the right to inspect the Property at any time prior to the Closing.

#### VII. POSSESSION

7.01 Purchaser shall be entitled to full possession of the Property at Closing.

#### VIII. PRORATIONS

8.01 Ad valorem taxes next due and payable, after closing on the Property, shall be prorated at Closing based upon the gross amount of the current year's taxes, and shall be paid by Seller.

#### IX. TERMINATION AND REMEDIES

9.01 If Seller shall have failed to perform any of the covenants and/or agreements contained herein which are to be performed by Seller, within ten (10) days of written notification of such failure, Purchaser may, at its option, terminate this Agreement by giving written notice of termination to Seller. Purchaser shall have the right to seek and enforce all rights and remedies available at law or in equity to a contract vendee, including the right to seek specific performance of this Agreement.

9.02 The parties acknowledge that the remedies described herein and in the other provisions of this Agreement provide mutually satisfactory and sufficient remedies to each of the parties and take into account the peculiar risks and expenses of each of the parties.

#### X. SELLER'S AND PURCHASER'S REPRESENTATIONS AND WARRANTIES

10.013 The warranties set forth in this paragraph shall be true on the date of this Agreement and as of the date of Closing. Purchaser's acceptance of a deed to the said Property shall not be deemed to be full performance and discharge of every agreement and obligation on the part of the Seller to be performed pursuant to the provisions of this Agreement.

10.014 Seller represents that it has no knowledge of any actions, suits, claims, proceedings, litigation or investigations pending or threatened against Seller, at law, equity or in arbitration before or by any federal, state, municipal or other governmental instrumentality that relate to this agreement or any other property that could, if continued, adversely affect Seller's ability to sell the Property to Purchaser according to the terms of this Agreement.

10.016 Until the date fixed for Closing, so long as this Agreement remains in force and effect, Seller shall not encumber or convey any portion of the Property or any rights therein, nor enter into any agreements granting any person or entity any rights with respect to the Property or any part thereof, without first obtaining the written consent of Purchaser to such conveyance, encumbrance, or agreement which consent may be withheld by Purchaser for any reason whatsoever.

has been served upon Seller claiming any violation of any law, ordinance, code or regulation or requiring or calling attention to the need for any work, repairs, construction, alterations or installation on or in connection with the Property in order to comply with any laws, ordinances, codes or regulation with which Seller has not complied.

10.019 There are no unrecorded restrictions, easements, or rights of way (other than existing zoning regulations) that restrict or affect the use of the Property, and there are no maintenance, construction, advertising, management, leasing, employment, service or other contracts affecting the Property.

#### IV. REQUIREMENTS AND CONDITIONS

4.01 Upon execution of this Agreement by both parties or at such other time as specified within this Article, Purchaser and/or Seller, as the case may be, shall perform the following within the times stated, which shall be conditions precedent to the Closing;

4.011 Within fifteen (15) days after the date hereof, Purchaser shall obtain as evidence of title an ALTA Commitment for an Owner's Title Insurance Policy (ALTA Form B-1970) covering the Property, together with hard copies of all exceptions shown thereon. Purchaser shall have thirty (30) days, following receipt of the title insurance commitment, to notify Seller in writing of any objection to title other than liens evidencing monetary obligations, if any, which obligations shall be paid at closing. If the title commitment contains exceptions that make the title unmarketable, Purchaser shall deliver to the Seller written notice of its intention to waive the applicable contingencies or to terminate this Agreement.

4.012 If Purchaser shall fail to advise the Seller in writing of any such objections in Seller's title in the manner herein required by this Agreement, the title shall be deemed acceptable. Upon notification of Purchaser's objection to title, Seller shall have thirty (30) days to remedy any defects to convey good and marketable title at Seller's expense, except for liens or monetary obligations which will be satisfied at Closing. Seller, at its sole expense, shall use its best efforts to make such title good and marketable. In the event Seller is unable to cure said objections within said time period, Purchaser, by providing written notice to Seller within seven (7) days after expiration of said thirty (30) day period, may accept title as it then is, waiving any objection; or Purchaser may terminate the Agreement. A failure by Purchaser to give such written notice of termination within the time period provided herein shall be deemed an election by Purchaser to accept the exceptions to title as shown in the title commitment.

4.013 Seller agrees to furnish any existing surveys of the Property in Seller's possession to Purchaser within ten (10) days of the effective date of this Agreement. Purchaser shall have the option, at its own expense, to obtain a current survey of the Property prepared by a surveyor licensed by the State of

Florida. No adjustments to the Purchase Price shall be made based upon any change to the total acreage referenced in Exhibit "A," unless the difference in acreage revealed by survey exceeds 5% of the overall acreage. If the survey provided by Seller or obtained by Purchaser, as certified by a registered Florida surveyor, shows: (a) an encroachment onto the property; or (b) that an improvement located on the Property projects onto lands of others, or (c) lack of legal access to a public roadway, the Purchaser shall notify the Seller in writing of such encroachment, projection, or lack of legal access, and Seller shall have the option of curing said encroachment or projection, or obtaining legal access to the Property from a public roadway, within sixty (60) days of receipt of said written notice from Purchaser. Purchaser shall have ninety (90) days from the effective date of this Agreement to notify Seller of any such objections. Should Seller elect not to or be unable to remove the encroachment, projection, or provide legal access to the property within said sixty (60) day period, Purchaser, by providing written notice to Seller within seven (7) days after expiration of said sixty (60) day period, may accept the Property as it then is, waiving any objection to the encroachment, or projection, or lack of legal access, or Purchaser may terminate the Agreement. A failure by Purchaser to give such written notice of termination within the time period provided herein shall be deemed an election by Purchaser to accept the Property with the encroachment, or projection, or lack of legal access.

#### V. INSPECTION PERIOD

5.01 Purchaser shall have one hundred twenty (120) days from the date of this Agreement, ("Inspection Period"), to determine through appropriate investigation that:

1. Soil tests and engineering studies indicate that the Property can be developed without any abnormal demucking, soil stabilization or foundations.
2. There are no abnormal drainage or environmental requirements to the development of the Property.
3. The Property is in compliance with all applicable State and Federal environmental laws and the Property is free from any pollution or contamination.
4. The Property can be utilized for its intended use and purpose in the Conservation Collier program.

5.02 If Purchaser is not satisfied, for any reason whatsoever, with the results of any investigation, Purchaser shall deliver to Seller prior to the expiration of the Inspection Period, written notice of its intention to waive the applicable contingencies or to terminate this Agreement. If Purchaser fails to notify the Seller in writing of its specific objections as provided herein within the Inspection Period, it shall be deemed that the Purchaser is satisfied with the results of its investigations and the contingencies of this Article V shall be deemed waived. In the event Purchaser elects to terminate this Agreement because of the right of inspection, Purchaser shall deliver to Seller copies

of all engineering reports and environmental and soil testing results commissioned by Purchaser with respect to the Property.

5.03 Purchaser and its agents, employees and servants shall, at their own risk and expense, have the right to go upon the Property for the purpose of surveying and conducting site analyses, soil borings and all other necessary investigations. Purchaser shall, in performing such tests, use due care. Seller shall be notified by Purchaser no less than twenty-four (24) hours prior to said inspection of the Property.

#### VI. INSPECTION

6.01 Seller acknowledges that the Purchaser, or its authorized agents, shall have the right to inspect the Property at any time prior to the Closing.

#### VII. POSSESSION

7.01 Purchaser shall be entitled to full possession of the Property at Closing.

#### VIII. PRORATIONS

8.01 Ad valorem taxes next due and payable, after closing on the Property, shall be prorated at Closing based upon the gross amount of the current year's taxes, and shall be paid by Seller.

#### IX. TERMINATION AND REMEDIES

9.01 If Seller shall have failed to perform any of the covenants and/or agreements contained herein which are to be performed by Seller, within ten (10) days of written notification of such failure, Purchaser may, at its option, terminate this Agreement by giving written notice of termination to Seller. Purchaser shall have the right to seek and enforce all rights and remedies available at law or in equity to a contract vendee, including the right to seek specific performance of this Agreement.

9.02 The parties acknowledge that the remedies described herein and in the other provisions of this Agreement provide mutually satisfactory and sufficient remedies to each of the parties and take into account the peculiar risks and expenses of each of the parties.

10.013 The warranties set forth in this paragraph shall be true on the date of this Agreement and as of the date of Closing. **Purpose of Project:** Environmental Conservation – Conservation Collier Program

**Program Qualifications:**

This parcel is within the Dr. Robert H. Gore III Preserve project area. The Fontela parcel was considered due to its proximity to an existing Conservation Collier preserve. The Fontela parcel met 5 out of 6 Initial Screening Criteria identified in the Conservation Collier Ordinance, No. 2007-65, as amended, including presence of native habitat, potential for nature-based recreational and educational opportunities, protection of water resource values and wetland dependent species habitat, presence of significant biological/ecological values, listed species habitat, connectivity, and restoration potential.

***Potential access for nature-based recreation, and enhancement of the aesthetic setting of Collier County***

This parcel offers access from Desoto Blvd – a paved public road. This property could accommodate outdoor recreation, particularly due to the proximity to the Dr. Robert H. Gore III Preserve.

***Opportunities for protection of water resource values, including aquifer recharge, water quality enhancement, protection of wetland dependent species habitat, and flood control***

The parcel has many wetland dependent plant species and contains karst topography, which is a wetland indicator, despite soils that indicate that wetlands may also be seasonal. The parcel provides minimal water quality enhancement beyond accommodating sheet flow into the I-75 canal.

***Property enhances and/or protect the environmental value of current conservation lands through function as a buffer, ecological link, or habitat corridor***

The Fontela parcel expands the Dr. Robert H. Gore III Preserve. This parcel, joined with many others, could also permanently protect a corridor between North Belle Meade and the Florida Panther National Wildlife Refuge.

**Zoning, Growth Management and Land Use Overlays:** The parcel is within the Northern Golden Gate Estates. The zoning classification is Estates (E), a rural residential classification. There are no additional land use overlays applicable.

**Projected Management Activities:** Projected management activities include the removal of invasive plants, the development of a Land Management Plan, and continued development of public access to selected portions of the preserve.

Upon notification of Purchaser's objection to title, Seller shall have thirty (30) days to remedy any defects to convey good and marketable title at Seller's expense, except for liens or monetary obligations which will be satisfied at Closing. Seller, at its sole expense, shall use its best efforts to make such title good and marketable. In the event Seller is unable to cure said objections within said time period, Purchaser, by providing written notice to Seller within seven (7) days after expiration of said thirty (30) day period, may accept title as it then is, waiving any objection; or Purchaser may terminate the Agreement. A failure by Purchaser to give such

written notice of termination within the time period provided herein shall be deemed an election by Purchaser to accept the exceptions to title as shown in the title commitment.

4.013 Seller agrees to furnish any existing surveys of the Property in Seller's possession to Purchaser within ten (10) days of the effective date of this Agreement. Purchaser shall have the option, at its own expense, to obtain a current survey of the Property prepared by a surveyor licensed by the State of Florida. No adjustments to the Purchase Price shall be made based upon any change to the total acreage referenced in Exhibit "A," unless the difference in acreage revealed by survey exceeds 5% of the overall acreage. If the survey provided by Seller or obtained by Purchaser, as certified by a registered Florida surveyor, shows: (a) an encroachment onto the property; or (b) that an improvement located on the Property projects onto lands of others, or (c) lack of legal access to a public roadway, the Purchaser shall notify the Seller in writing of such encroachment, projection, or lack of legal access, and Seller shall have the option of curing said encroachment or projection, or obtaining legal access to the Property from a public roadway, within sixty (60) days of receipt of said written notice from Purchaser. Purchaser shall have ninety (90) days from the effective date of this Agreement to notify Seller of any such objections. Should Seller elect not to or be unable to remove the encroachment, projection, or provide legal access to the property within said sixty (60) day period, Purchaser, by providing written notice to Seller within seven (7) days after expiration of said sixty (60) day period, may accept the Property as it then is, waiving any objection to the encroachment, or projection, or lack of legal access, or Purchaser may terminate the Agreement. A failure by Purchaser to give such written notice of termination within the time period provided herein shall be deemed an election by Purchaser to accept the Property with the encroachment, or projection, or lack of legal access.

#### V. INSPECTION PERIOD

5.01 Purchaser shall have one hundred twenty (120) days from the date of this Agreement, ("Inspection Period"), to determine through appropriate investigation that:

1. Soil tests and engineering studies indicate that the Property can be developed without any abnormal demucking, soil stabilization or foundations.
2. There are no abnormal drainage or environmental requirements to the development of the Property.
3. The Property is in compliance with all applicable State and Federal environmental laws and the Property is free from any pollution or contamination.
4. The Property can be utilized for its intended use and purpose in the Conservation Collier program.

5.02 If Purchaser is not satisfied, for any reason whatsoever, with the results of any investigation, Purchaser shall deliver to Seller prior to the expiration of the Inspection Period, written notice of its intention to waive the applicable contingencies or to terminate this Agreement. If Purchaser fails to notify the Seller in writing of its specific objections as provided herein within the Inspection Period, it shall be deemed that the Purchaser is satisfied with the results of its investigations and the contingencies of this Article V shall be deemed waived. In the event Purchaser elects to terminate this Agreement because of the right of inspection, Purchaser shall deliver to Seller copies of all engineering reports and environmental and soil testing results commissioned by Purchaser with respect to the Property.

5.03 Purchaser and its agents, employees and servants shall, at their own risk and expense, have the right to go upon the Property for the purpose of surveying and conducting site analyses, soil borings and all other necessary investigation. Purchaser shall, in performing such tests, use due care. Seller shall be notified by Purchaser no less than twenty-four (24) hours prior to said inspection of the Property.

#### VI. INSPECTION

6.01 Seller acknowledges that the Purchaser, or its authorized agents, shall have the right to inspect the Property at any time prior to the Closing.

#### VII. POSSESSION

7.01 Purchaser shall be entitled to full possession of the Property at Closing.

#### VIII. PRORATIONS

8.01 Ad valorem taxes next due and payable, after closing on the Property, shall be prorated at Closing based upon the gross amount of current year taxes, and shall be paid by Seller.

#### IX. TERMINATION AND REMEDIES

9.01 If Seller shall have failed to perform any of the covenants and/or agreements contained herein which are to be performed by Seller, within ten (10) days of written notification of such failure, Purchaser may, at its option, terminate this Agreement by giving written notice of termination to Seller. Purchaser shall have the right to seek and enforce all rights and remedies available at law or in equity to a contract vendee, including the right to seek specific performance of this Agreement.

9.02 The parties acknowledge that the remedies described herein and in the other provisions of this Agreement provide mutually satisfactory and sufficient remedies to each of the parties and take into account the peculiar risks and expenses of each of the parties.

At Closing, certified copies of such approvals shall be delivered to Purchaser and/or Seller, if necessary.

10.013 The warranties set forth in this paragraph shall be true on the date of this Agreement and as of the date of Closing. Purchaser's acceptance of a deed to the said Property shall not be deemed to be full performance and discharge of every agreement and obligation on the part of the Seller to be performed pursuant to the provisions of this Agreement.

10.014 Seller represents that it has no knowledge of any actions, suits, claims, proceedings, litigation or investigations pending or threatened against Seller, at law, equity or in arbitration before or by any federal, state, municipal or other governmental instrumentality that relate to this agreement or any other property that could, if continued, adversely affect Seller's ability to sell the Property to Purchaser according to the terms of this Agreement.

10.015 No party or person other than Purchaser has any right or option to acquire the Property or any portion thereof.

10.016 Until the date fixed for Closing, so long as this Agreement remains in force and effect, Seller shall not encumber or convey any portion of the Property or any rights therein, nor enter into any agreements granting any

person or entity any rights with respect to the Property or any part thereof, without first obtaining the written consent of Purchaser to such conveyance, encumbrance, or agreement which consent may be withheld by Purchaser for any reason whatsoever.

10.017 Seller represents that there are no incinerators, septic tanks, or cesspools on the Property; all waste, if any, is discharged into a public sanitary sewer system; Seller represents that they have (it has) no knowledge that any pollutants are or have been discharged from the Property, directly or indirectly into any body of water. Seller represents the Property has not been used for the production, handling, storage, transportation, manufacture, or disposal of hazardous or toxic substances or wastes, as such terms are defined in applicable laws and regulations, or any other activity that would have toxic results, and no such hazardous or toxic substances are currently used in connection with the operation of the Property, and there is no proceeding or inquiry by any authority with respect thereto. 10.019 There are no unrecorded restrictions, easements, or rights of way (other than existing zoning regulations) that restrict or affect the use of the Property, and there are no maintenance, construction, advertising, management, leasing, employment, service, or other contracts affecting the Property.

Therefore, Seller agrees not to enter into any contracts or agreements pertaining to or affecting the Property and not to do any act or omit to perform any act which would change the zoning or physical condition of the Property or the governmental ordinances or laws governing same. Seller also agrees to notify Purchaser promptly of any change in the facts contained in the foregoing representations and of any notice or proposed change in the zoning, or any other action or notice, that may be proposed or promulgated by any third parties or any governmental authorities having jurisdiction of the development of the property which may restrict or change any other condition of the Property.

10.022 At the Closing, Seller shall deliver to Purchaser a statement (hereinafter called the "Closing Representative Statement") reasserting the foregoing representations as of the Date of Closing, which provisions shall survive the Closing.

10.023 Seller represents, warrants and agrees to indemnify, reimburse, defend and hold Purchaser harmless from any and all costs (including attorney's fees) asserted against, imposed on or incurred by Purchaser, directly or indirectly, pursuant to or in connection with the application of any federal, state, local or common law relating to pollution or protection of the environment which shall be in accordance with, but not limited to, the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, 42 U.S.C. Section 9601, et seq., ("CERCLA" or "Superfund"), which was amended and upgraded by the Superfund Amendment and Reauthorization Act of 1986 ("SARA"), including any amendments or successor in function to these acts. This provision and the rights of Purchaser, hereunder, shall survive Closing and are not deemed satisfied by conveyance of title.

10.024 Any loss and/or damage to the Property between the date of this Agreement and the date of Closing shall be Seller's sole risk and expense.

**Purpose of Project:** Environmental Conservation – Conservation Collier Program

**Program Qualifications:**

This parcel is within the Dr. Robert H. Gore III Preserve Multi-Parcel Project boundary. The Trigoura parcel was considered due to its proximity to an existing Conservation Collier preserve. The Charles project met 5 out of 6 Initial Screening Criteria identified in the Conservation Collier Ordinance, No. 2007-65, as amended, including presence of native habitat, potential for nature-based recreational and educational opportunities, protection of water resource values and wetland dependent species habitat, presence of significant biological/ecological values, listed species habitat, connectivity, and restoration potential.

***Potential access for nature-based recreation, and enhancement of the aesthetic setting of Collier County***

This parcel offers access from 40<sup>th</sup> Ave SE off Desoto Blvd – a paved public road. This property could accommodate outdoor recreation, particularly due to the proximity to the Dr. Robert H. Gore III Preserve.

***Opportunities for protection of water resource values, including aquifer recharge, water quality enhancement, protection of wetland dependent species habitat, and flood control***

The parcel has many wetland dependent plant species and contains karst topography, which is a wetland indicator, despite soils that indicate that wetlands may also be seasonal. The parcel provides minimal water quality enhancement beyond accommodating sheet flow into the I-75 canal.

***Property enhances and/or protect the environmental value of current conservation lands through function as a buffer, ecological link, or habitat corridor***

The Trigoura parcel expands the Dr. Robert H. Gore III Preserve. This parcel, joined with many others, could also permanently protect a corridor between North Belle Meade and the Florida Panther National Wildlife Refuge.

**Zoning, Growth Management and Land Use Overlays:** The parcel is within the Northern Golden Gate Estates. The zoning classification is Estates (E), a rural residential classification. There are no additional land use overlays applicable.

**Projected Management Activities:** Projected management activities include the removal of invasive plants, the development of a Land Management Plan, and continued development of public access to selected portions of the preserve.

NOW, THEREFORE, and for and in consideration of the premises and the respective undertakings of the parties hereinafter set forth and the sum of Ten Dollars (\$10.00), the receipt and sufficiency of which is hereby acknowledged, it is agreed as follows:

#### I. AGREEMENT

1.01 In consideration of the purchase price and upon the terms and conditions hereinafter set forth, Seller shall sell to Purchaser and Purchaser shall purchase from Seller the Property, described in Exhibit "A".

#### III. CLOSING

3.01 The Closing (THE "CLOSING DATE", "DATE OF CLOSING", OR "CLOSING") of the transaction shall be held on or before one hundred and eighty (180) days following execution of this Agreement by the Purchaser, or within thirty (30) days of Purchaser's receipt of all closing documents, whichever is later. At the Closing, the Seller shall cause to be delivered to the Purchaser the items specified herein and the following documents and instruments duly executed and acknowledged, in recordable form:

3.0111 Warranty Deed in favor of Purchaser conveying title to the Property, free and clear of all liens and encumbrances other than:

3.0114 A W-9 Form, "Request for Taxpayer Identification and Certification" as required by the Internal Revenue Service.

3.012 At the Closing, the Purchaser, or its assignee, shall cause to be delivered to the Seller the following:

3.0121 A negotiable instrument (County Warrant) in an amount equal to the Purchase Price. No funds shall be disbursed to Seller until the Title Company verifies that the state of the title to the Property has not changed adversely since the date of the last endorsement to the commitment, referenced in Section 4.011 thereto, and the Title Company is irrevocably committed to pay the Purchase Price to Seller and to issue the Owner's title policy to Purchaser in accordance with the commitment immediately after the recording of the deed.

3.0122 Funds payable to the Seller representing the cash payment due at Closing in accordance with Article III hereof, shall be subject to adjustment for prorations as hereinafter set forth.

3.02 Each party shall be responsible for payment of its own attorney's fees. Seller, at its sole cost and expense, shall pay at Closing all documentary stamp taxes due relating to the recording of the Warranty Deed, in accordance with Chapter 201.01, Florida Statutes, and the cost of recording any instruments necessary to clear Seller's title to the Property. The cost of the Owner's Form B Title Policy, issued pursuant to the Commitment provided for in Section 4.011 below, shall be paid by Purchaser. The cost of the title commitment shall also be paid by Purchaser.

3.03 Purchaser shall pay for the cost of recording the Warranty Deed. Real Property taxes shall be prorated based on the current year's tax with due allowance made for maximum allowable discount, homestead and any other applicable exemptions and paid by Seller. If Closing occurs at a date which the current year's millage is not fixed, taxes will be prorated based upon such prior year's millage.

#### IV. REQUIREMENTS AND CONDITIONS

4.01 Upon execution of this Agreement by both parties or at such other time as specified within this Article, Purchaser and/or Seller, as the case may be, shall perform the following within the times stated, which shall be conditions precedent to the Closing;

4.011 Within fifteen (15) days after the date hereof, Purchaser shall obtain as evidence of title an ALTA Commitment for an Owner's Title Insurance Policy (ALTA Form B-1970) covering the Property, together with hard copies of all exceptions shown thereon. Purchaser shall have thirty (30) days, following receipt of the title insurance commitment, to notify Seller in writing of any objection to title other than liens evidencing monetary obligations, if any, which obligations shall be paid at closing. If the title commitment contains exceptions that make the title unmarketable, Purchaser shall deliver to the Seller written notice of its intention to waive the applicable contingencies or to terminate this Agreement.

4.012 If Purchaser shall fail to advise the Seller in writing of any such objections in Seller's title in the manner herein required by this Agreement, the title shall be deemed acceptable. Upon notification of Purchaser's objection to title, Seller shall have thirty (30) days to remedy any defects to convey good and marketable title at Seller's expense, except for liens or monetary obligations which will be satisfied at Closing. Seller, at its sole expense, shall use its best efforts to make such title good and marketable. In the event Seller is unable to cure said objections within said time period, Purchaser, by providing written notice to Seller within seven (7) days after expiration of said thirty (30) day period, may accept title as it then is, waiving any objection; or Purchaser may terminate the Agreement. A failure by Purchaser to give such

written notice of termination within the time period provided herein shall be deemed an election by Purchaser to accept the exceptions to title as shown in the title commitment.

4.013 Seller agrees to furnish any existing surveys of the Property in Seller's possession to Purchaser within ten (10) days of the effective date of this Agreement. Purchaser shall have the option, at its own expense, to obtain a current survey of the Property prepared by a surveyor licensed by the State of Florida. No adjustments to the Purchase Price shall be made based upon any change to the total acreage referenced in Exhibit "A," unless the difference in acreage revealed by survey exceeds 5% of the overall acreage. If the survey provided by Seller or obtained by Purchaser, as certified by a registered Florida surveyor, shows: (a) an encroachment onto the property; or (b) that an improvement located on the Property projects onto lands of others, or (c) lack of legal access to a public roadway, the Purchaser shall notify the Seller in writing of such encroachment, projection, or lack of legal access, and Seller shall have the option of curing said encroachment or projection, or obtaining legal access to the Property from a public roadway, within sixty (60) days of receipt of said written notice from Purchaser. Purchaser shall have ninety (90) days from the effective date of this Agreement to notify Seller of any such objections. Should Seller elect not to or be unable to remove the encroachment, projection, or provide legal access to the property within said sixty (60) day period, Purchaser, by providing written notice to Seller within seven (7) days after expiration of said sixty (60) day period, may accept the Property as it then is, waiving any objection to the encroachment, or projection, or lack of legal access, or Purchaser may terminate the Agreement. A failure by Purchaser to give such written notice of termination within the time period provided herein shall be deemed an election by Purchaser to accept the Property with the encroachment, or projection, or lack of legal access.

## V. INSPECTION PERIOD

5.01 Purchaser shall have one hundred twenty (120) days from the date of this Agreement, ("Inspection Period"), to determine through appropriate investigation that:

1. Soil tests and engineering studies indicate that the Property can be developed without any abnormal demucking, soil stabilization or foundations.
2. There are no abnormal drainage or environmental requirements to the development of the Property.
3. The Property is in compliance with all applicable State and Federal environmental laws and the Property is free from any pollution or contamination.

4. The Property can be utilized for its intended use and purpose in the Conservation Collier program.

5.02 If Purchaser is not satisfied, for any reason whatsoever, with the results of any investigation, Purchaser shall deliver to Seller prior to the expiration of the Inspection Period, written notice of its intention to waive the applicable contingencies or to terminate this Agreement. If Purchaser fails to notify the Seller in writing of its specific objections as provided herein within the Inspection Period, it shall be deemed that the Purchaser is satisfied with the results of its investigations and the contingencies of this Article V shall be deemed waived. In the event Purchaser elects to terminate this Agreement because of the right of inspection, Purchaser shall deliver to Seller copies of all engineering reports and environmental and soil testing results commissioned by Purchaser with respect to the Property.

5.03 Purchaser and its agents, employees and servants shall, at their own risk and expense, have the right to go upon the Property for the purpose of surveying and conducting site analyses, soil borings and all other necessary investigations. Purchaser shall, in performing such tests, use due care. Seller shall be notified by Purchaser no less than twenty-four (24) hours prior to said inspection of the Property.

#### VI. INSPECTION

6.01 Seller acknowledges that the Purchaser, or its authorized agents, shall have the right to inspect the Property at any time prior to the Closing.

#### VII. POSSESSION

7.01 Purchaser shall be entitled to full possession of the Property at Closing.

#### VIII. PRORATIONS

8.01 Ad valorem taxes next due and payable, after closing on the Property, shall be prorated at Closing based upon the gross amount of the current year's taxes, and shall be paid by Seller.

#### IX. TERMINATION AND REMEDIES

9.01 If Seller shall have failed to perform any of the covenants and/or agreements contained herein which are to be performed by Seller, within ten (10) days of written notification of such failure, Purchaser may, at its option, terminate this Agreement by giving written notice of termination to Seller. Purchaser shall have the right to seek and enforce all rights and remedies available at law or in equity to

All necessary authorizations and approvals have been obtained authorizing Seller and Purchaser to execute and consummate the transaction contemplated hereby. At Closing, certified copies of such approvals shall be delivered to Purchaser and/or Seller, if necessary.

10.013 The warranties set forth in this paragraph shall be true on the date of this Agreement and as of the date of Closing. Purchaser's acceptance of a deed to the said Property shall not be deemed to be full performance and discharge of every agreement and obligation on the part of the Seller to be performed pursuant to the provisions of this Agreement.

10.014 Seller represents that it has no knowledge of any actions, suits, claims, proceedings, litigation or investigations pending or threatened against Seller, at law, equity or in arbitration before or by any federal, state, municipal or other governmental instrumentality that relate to this agreement or any other property that could, if continued, adversely affect Seller's ability to sell the Property to Purchaser according to the terms of this Agreement.

10.015 No party or person other than Purchaser has any right or option to acquire the Property or any portion thereof.

10.016 Until the date fixed for Closing, so long as this Agreement remains in force and effect, Seller shall not encumber or convey any portion of the

10.018 Seller has no knowledge that the Property and Seller's operations concerning the Property are in violation of any applicable Federal, State or local statute, law or regulation, or of any notice from any governmental body has been served upon Seller claiming any violation of any law, ordinance, code or regulation or requiring or calling attention to the need for any work, repairs, construction, alterations or installation on or in connection with the Property in order to comply with any laws, ordinances, codes or regulation with which Seller has not complied.

10.019 There are no unrecorded restrictions, easements, or rights of way (other than existing zoning regulations) that restrict or affect the use of the Property, and there are no maintenance, construction, advertising, management, leasing, employment, service, or other contracts affecting the Property.

Therefore, Seller agrees not to enter into any contracts or agreements pertaining to or affecting the Property and not to do any act or omit to perform any act which would change the zoning or physical condition of the Property or the governmental ordinances or laws governing same. **Purpose of Project:** Environmental Conservation – Conservation Collier Program

**Program Qualifications:**

This parcel is within the Dr. Robert H. Gore III Preserve multi-parcel project boundary. The Weir Trust parcel was considered due to its proximity to an existing Conservation Collier preserve. The Weir Trust project met 5 out of 6 Initial Screening Criteria identified in the Conservation Collier Ordinance, No. 2007-65, as amended, including presence of native habitat, potential for nature-based recreational and educational opportunities, protection of water resource values and wetland dependent species habitat, presence of significant biological/ecological values, listed species habitat, connectivity, and restoration potential.

***Potential access for nature-based recreation, and enhancement of the aesthetic setting of Collier County***

This parcel offers access from 40<sup>th</sup> Ave SE off Desoto Blvd – a paved public road. This property could accommodate outdoor recreation, particularly due to the proximity to the Dr. Robert H. Gore III Preserve.

***Opportunities for protection of water resource values, including aquifer recharge, water quality enhancement, protection of wetland dependent species habitat, and flood control***

The parcel has many wetland dependent plant species and contains karst topography, which is a wetland indicator, despite soils that indicate that wetlands may also be seasonal. The parcel provides minimal water quality enhancement beyond accommodating sheet flow into the I-75 canal.

***Property enhances and/or protect the environmental value of current conservation lands through function as a buffer, ecological link, or habitat corridor***

The Weir Trust parcel expands the Dr. Robert H. Gore III Preserve. This parcel, joined with many others, could also permanently protect a corridor between North Belle Meade and the Florida Panther National Wildlife Refuge.

**Zoning, Growth Management and Land Use Overlays:** The parcel is within the Northern Golden Gate Estates. The zoning classification is Estates (E), a rural residential classification. There are no additional land use overlays applicable.

**Projected Management Activities:** Projected management activities include the removal of invasive plants, the development of a Land Management Plan, and continued development of public access to selected portions of the preserve.

3.0122 Funds payable to the Seller representing the cash payment due at Closing in accordance with Article III hereof, shall be subject to adjustment for prorations as hereinafter set forth.

3.02 Each party shall be responsible for payment of its own attorney's fees. #### IV. REQUIREMENTS AND CONDITIONS

4.01 Upon execution of this Agreement by both parties or at such other time as specified within this Article, Purchaser and/or Seller, as the case may be, shall perform the following within the times stated, which shall be conditions precedent to the Closing;

4.011 Within fifteen (15) days after the date hereof, Purchaser shall obtain as evidence of title an ALTA Commitment for an Owner's Title Insurance Policy (ALTA Form B-1970) covering the Property, together with hard copies of all exceptions shown thereon. Purchaser shall have thirty (30) days, following receipt of the title insurance commitment, to notify Seller in writing of any objection to title other than liens evidencing monetary obligations, if any, which obligations shall be paid at closing. If the title commitment contains exceptions that make the title unmarketable, Purchaser shall deliver to the Seller written notice of its intention to waive the applicable contingencies or to terminate this Agreement.

4.012 If Purchaser shall fail to advise the Seller in writing of any such objections in Seller's title in the manner herein required by this Agreement, the title shall be deemed acceptable. Upon notification of Purchaser's objection to title, Seller shall have thirty (30) days to remedy any defects to convey good and marketable title at Seller's expense, except for liens or monetary obligations which will be satisfied at Closing. Seller, at its sole expense, shall use its best efforts to make such title good and marketable. In the event Seller is unable to cure said objections within said time period, Purchaser, by providing written notice to Seller within seven (7) days after expiration of said thirty (30) day period, may accept title as it then is, waiving any objection; or Purchaser may terminate the Agreement. A failure by

Purchaser to give such written notice of termination within the time period provided herein shall be deemed an election by Purchaser to accept the exceptions to title as shown in the title commitment.

4.013 Seller agrees to furnish any existing surveys of the Property in Seller's possession to Purchaser within ten (10) days of the effective date of this Agreement. Purchaser shall have the option, at its own expense, to obtain a current survey of the Property prepared by a surveyor licensed by the State of Florida. No adjustments to the Purchase Price shall be made based upon any change to the total acreage referenced in Exhibit "A," unless the difference in acreage revealed by survey exceeds 5% of the overall acreage. If the survey provided by Seller or obtained by Purchaser, as certified by a registered Florida surveyor, shows: (a) an encroachment onto the property; or (b) that an improvement located on the Property projects onto lands of others, or (c) lack of legal access to a public roadway, the Purchaser shall notify the Seller in writing of such encroachment, projection, or lack of legal access, and Seller shall have the option of curing said encroachment or projection, or obtaining legal access to the Property from a public roadway, within sixty (60) days of receipt of said written notice from Purchaser. Purchaser shall have ninety (90) days from the effective date of this Agreement to notify Seller of any such objections. Should Seller elect not to or be unable to remove the encroachment, projection, or provide legal access to the property within said sixty (60) day period, Purchaser, by providing written notice to Seller within seven (7) days after expiration of said sixty (60) day period, may accept the Property as it then is, waiving any objection to the encroachment, or projection, or lack of legal access, or Purchaser may terminate the Agreement. A failure by Purchaser to give such written notice of termination within the time period provided herein shall be deemed an election by Purchaser to accept the Property with the encroachment, or projection, or lack of legal access.

#### V. INSPECTION PERIOD

5.01 Purchaser shall have one hundred twenty (120) days from the date of this Agreement, ("Inspection Period"), to determine through appropriate investigation that:

1. Soil tests and engineering studies indicate that the Property can be developed without any abnormal demucking, soil stabilization or foundations.
2. There are no abnormal drainage or environmental requirements to the development of the Property.
3. The Property is in compliance with all applicable State and Federal environmental laws and the Property is free from any pollution or contamination.

4. The Property can be utilized for its intended use and purpose in the Conservation Collier program.

5.02 If Purchaser is not satisfied, for any reason whatsoever, with the results of any investigation, Purchaser shall deliver to Seller prior to the expiration of the Inspection Period, written notice of its intention to waive the applicable contingencies or to terminate this Agreement. If Purchaser fails to notify the Seller in writing of its specific objections as provided herein within the Inspection Period, it shall be deemed that the Purchaser is satisfied with the results of its investigations and the contingencies of this Article V shall be deemed waived. In the event Purchaser elects to terminate this Agreement because of the right of inspection, Purchaser shall deliver to Seller copies of all engineering reports and environmental and soil testing results commissioned by Purchaser with respect to the Property.

5.03 Purchaser and its agents, employees and servants shall, at their own risk and expense, have the right to go upon the Property for the purpose of surveying and conducting site analyses, soil borings and all other necessary investigations. Purchaser shall, in performing such tests, use due care. Seller shall be notified by Purchaser no less than twenty-four (24) hours prior to said inspection of the Property.

#### VI. INSPECTION

6.01 Seller acknowledges that the Purchaser, or its authorized agents, shall have the right to inspect the Property at any time prior to the Closing.

#### VII. POSSESSION

7.01 Purchaser shall be entitled to full possession of the Property at Closing.

#### VIII. PRORATIONS

8.01 Ad valorem taxes next due and payable, after closing on the Property, shall be prorated at Closing based upon the gross amount of the current year's taxes, and shall be paid by Seller.

#### IX. TERMINATION AND REMEDIES

9.01 If Seller shall have failed to perform any of the covenants and/or agreements contained herein which are to be performed by Seller, within ten (10) days of written notification of such failure, Purchaser may, at its option, terminate this Agreement by giving written notice of termination to Seller. Purchaser shall have the right to seek and enforce all rights and remedies available at law or in equity to

a contract vendee, including the right to seek specific performance of this Agreement.

9.02 The parties acknowledge that the remedies described herein and in the other provisions of this Agreement provide mutually satisfactory and sufficient remedies to each of the parties and take into account the peculiar risks and expenses of each of the parties.

10.013 The warranties set forth in this paragraph shall be true on the date of this Agreement and as of the date of Closing. 10.014 Seller represents that it has no knowledge of any actions, suits, claims, proceedings, litigation or investigations pending or threatened against Seller, at law, equity or in arbitration before or by any federal, state, municipal or other governmental instrumentality that relate to this agreement or any other property that could, if continued, adversely affect Seller's ability to sell the Property to Purchaser according to the terms of this Agreement.

10.015 No party or person other than Purchaser has any right or option to acquire the Property or any portion thereof.

10.016 Until the date fixed for Closing, so long as this Agreement remains in force and effect, Seller shall not encumber or convey any portion of the

Property or any rights therein, nor enter into any agreements granting any person or entity any rights with respect to the Property or any part thereof, without first obtaining the written consent of Purchaser to such conveyance, encumbrance, or agreement which consent may be withheld by Purchaser for any reason whatsoever.

Seller represents that they have (it has) no knowledge that there is ground water contamination on the Property or potential of ground water contamination from neighboring properties. Seller represents no storage tanks for gasoline, or any other substances are or were located on the Property at any time during or prior to Seller's ownership thereof. Seller represents none of the Property has been used as a sanitary landfill.

10.018 Seller has no knowledge that the Property and Seller's operations concerning the Property are in violation of any applicable Federal, State or local statute, law or regulation, or of any notice from any governmental body has been served upon Seller claiming any violation of any law, ordinance, code or regulation or requiring or calling attention to the need for any work, repairs, construction, alterations or installation on or in connection with the Property in order to comply with any laws, ordinances, codes or regulation with which Seller has not complied.

10.019 There are no unrecorded restrictions, easements, or rights of way (other than existing zoning regulations) that restrict or affect the use of the Property, and there are no maintenance, construction, advertising, management, leasing, employment, service, or other contracts affecting the Property.
