CLERK OF THE CIRCUIT COURT AND COMPTROLLER
COLLIER COUNTY FLORIDA
REC \$78.00

WHEREAS, Gregory L. Urbancic, Esq., of Coleman, Yovanovich & Koester, P.A., representing SD San Marino, LLC, has petitioned the Board of County Commissioners of Collier County, Florida ("Board"), a political subdivision of the State of Florida, to establish the Caymas Community Development District ("District"); and

WHEREAS, the Board, after proper published notice has conducted a public hearing on the petition and determined the following with respect to the factors to be considered in section 190.005(1)(e), Florida Statutes, as required by section 190.005(2)(c), Florida Statutes:

1. The petition is complete in that it meets the requirements of section 190.005, Florida Statutes, and all statements contained within the petition are true and correct.
2. Establishment of the proposed District is not inconsistent with any applicable element or portion of the local comprehensive plan of Collier County, known as the Collier County Growth Management Plan, or the State Comprehensive Plan.
3. The area of land within the proposed District is of sufficient size, is sufficiently compact, and is sufficiently contiguous to be developable as one functional interrelated community.
4. The District is the best alternative available for delivering community development services and facilities to the area that will be serviced by the District.

5. The community development services and facilities of the District will not be incompatible with the capacity and uses of existing local and regional community development services and facilities.
6. The area that will be served by the District is amenable to separate special-district government; and

WHEREAS, it is the policy of this State, as provided for in section 190.002(2)(c), Florida Statutes, that the exercise by any independent district of its powers as set forth by uniform general law comply with all applicable governmental laws, rules, regulations, and policies governing planning and permitting of the development to be serviced by the district, to ensure that neither the establishment nor operation of such district is a development order under Chapter 380, Florida Statutes, and that the district so established does not have any zoning or permitting powers governing development; and

WHEREAS, section 190.004(3), Florida Statutes, provides that all governmental planning, environmental, and land development laws, regulations, and ordinances apply to all development of the land within a community development district. Community development districts do not have the power of a local government to adopt a comprehensive plan, building code, or land development code, as those terms are defined in the Local Government Comprehensive Planning and Land Development Regulation Act. A district shall take no action which is inconsistent with applicable comprehensive plans, ordinances, or regulations of the applicable local general-purpose government; and

WHEREAS, pursuant to sections 190.012(2)(a) and (2)(d), Florida Statutes, in connection with the establishment of the proposed community development district, the petition further seeks the consent from Collier County for the grant of authority to exercise special powers without question as to the continued right authority and power to exercise its limited powers as established by this Ordinance.

NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF COLLIER COUNTY, FLORIDA that:

The Board shall retain any and all rights and remedies available at law and in equity to enforce Petitioner's Commitments against Petitioner, its successors and assigns.
