8/03/2022	12/13/2022	5/9/23	5/11/23

Purpose of Project: Environmental Conservation – Conservation Collier Program

Program Qualifications:

The Annecy/Barfield parcels contain a small amount of coastal strand, which is a rare plant community in Collier County. They also offer human social values as they are visible and accessible from S. Barfield Dr., a busy public road. Finally, the parcels contain an estimated 109 gopher tortoises, nesting burrowing owls, a breeding bald eagle pair, and nesting short-tailed hawks.

Zoning, Growth Management and Land Use Overlays: The parcels are zoned C-3, Commercial Intermediate.

Projected Management Activities:

Management of the parcels would entail removal and maintenance of invasive, exotic vegetation; native plantings, and educational and informational signage. Treatment of Australian pines on the parcels would need to be accomplished without discouraging bald eagle nesting.

Estimated Management Costs:

Management Element	2024	2025	2026	2027	2028
Exotics	\$45,000	\$30,000	\$5,000	\$5,000	\$5,000

3.011 Seller shall convey a marketable title free of any liens, encumbrances, exceptions, or qualifications. Marketable title shall be determined according to applicable title standards adopted by the Florida Bar and in accordance with law. At the Closing, the Seller shall cause to be delivered to the Purchaser the items specified herein and the following documents and instruments duly executed and acknowledged, in recordable form:

3.0111 Warranty Deed in favor of Purchaser conveying title to the Property, free and clear of all liens and encumbrances other than:

(a) The lien for current taxes and assessments.

3.012 At the Closing, the Purchaser, or its assignee, shall cause to be delivered to the Seller the following:

3.0121 A wire-transfer in an amount equal to the Purchase Price. No funds shall be disbursed to Seller until the Title Company verifies that the state of the title to the Property has not changed adversely since the date of the last endorsement to the commitment, referenced in Section 4.011 thereto, and the Title Company is irrevocably committed to pay the Purchase Price to Seller and to issue the Owner's title policy to Purchaser in accordance with the commitment immediately after the recording of the deed.

3.0122 Funds payable to the Seller representing the cash payment due at Closing in accordance with Article III hereof, shall be subject to adjustment for prorations as hereinafter set forth.

3.02 Each party shall be responsible for payment of its own attorney's fees. Seller, at its sole cost and expense, shall pay at Closing all documentary stamp taxes due relating to the recording of the Warranty Deed, in accordance with Chapter 201.01, Florida Statutes, and the cost of recording any instruments necessary to clear Seller's title to the Property. The cost of the Owner's Form B Title Policy, issued pursuant to the Commitment provided for in Section 4.011 below, shall be paid by Purchaser. The cost of the title commitment shall also be paid by Purchaser.

3.03 Purchaser shall pay for the cost of recording the Warranty Deed. Real Property taxes shall be prorated based on the current year's tax with due allowance made for maximum allowable discount, homestead and any other applicable exemptions and paid by Seller. If Closing occurs at a date which the current year's millage is not fixed, taxes will be prorated based upon such prior year's millage.

IV. REQUIREMENTS AND CONDITIONS

4.01 Upon execution of this Agreement by both parties or at such other time as specified within this Article, Purchaser and/or Seller, as the case may be, shall perform the following within the times stated, which shall be conditions precedent to the Closing;

4.011 Within fifteen (15) days after the date hereof, Purchaser shall obtain as evidence of title an ALTA Commitment for an Owner's Title Insurance Policy (ALTA Form B-1970) covering the Property, together with hard copies of all exceptions shown thereon. Purchaser shall have thirty (30) days, following receipt of the title insurance commitment, to notify Seller in writing of any objection to title other than liens evidencing monetary obligations, if any, which obligations shall be paid at closing. If the title commitment contains exceptions that make the title unmarketable, Purchaser shall deliver to the Seller written notice of its intention to waive the applicable contingencies or to terminate this Agreement.

4.012 If Purchaser shall fail to advise the Seller in writing of any such objections in Seller's title in the manner herein required by this Agreement, the title shall be deemed acceptable. Upon notification of Purchaser's objection to title, Seller shall have thirty (30) days to remedy any defects to convey good and marketable title at Seller's expense, except for liens or monetary obligations which will be satisfied at Closing. Seller, at its sole expense, shall use its commercially reasonable efforts to make such title good and marketable. In the event Seller does not cure said objections within said time period, Purchaser, by providing written notice to Seller within seven (7) days after expiration of said thirty (30) day period, may accept title as it then is, waiving any objection; or Purchaser may terminate the Agreement. A failure by Purchaser to give such written notice

of termination within the time period provided herein shall be deemed an election by Purchaser to accept the exceptions to title as shown in the title commitment.

4.013 Seller agrees to furnish any existing surveys of the Property in Seller's possession to Purchaser within ten (10) days of the effective date of this Agreement. Purchaser shall have the option, at its own expense, to obtain a current survey of the Property prepared by a surveyor licensed by the State of Florida. If the survey provided by Seller or obtained by Purchaser, as certified by a registered Florida surveyor, shows: (a) an encroachment onto the property; or (b) that an improvement located on the Property projects onto lands of others, or (c) lack of legal access to a public roadway, the Purchaser shall notify the Seller in writing of such encroachment, projection, or lack of legal access, and Seller shall have the option of curing said encroachment or projection, or obtaining legal access to the Property from a public roadway, within sixty (60) days of receipt of said written notice from Purchaser. Purchaser shall have ninety (90) days from the effective date of this Agreement to notify Seller of any such objections. Should Seller elect not to or be unable to remove the encroachment, projection, or provide legal access to the property within said sixty (60) day period, Purchaser, by providing written notice to Seller within seven (7) days after expiration of said sixty (60) day period, may accept the Property as it then is, waiving any objection to the encroachment, or projection, or lack of legal access, or Purchaser may terminate the Agreement. A failure by Purchaser to give such written notice of termination within the time period provided herein shall be deemed an election by Purchaser to accept the Property with the encroachment, or projection, or lack of legal access.

V. INSPECTION PERIOD

5.01 Purchaser shall have sixty (60) days from the date of this Agreement, ("Inspection Period"), to determine through appropriate investigation that:

1. Soil tests and engineering studies indicate that the Property can be developed without any abnormal demucking, soil stabilization or foundations.
2. There are no abnormal drainage or environmental requirements to the development of the Property.
3. The Property is in compliance with all applicable State and Federal environmental laws and the Property is free from any pollution or contamination.
4. The Property can be utilized for its intended use and purpose in the Conservation Collier program.

5.02 If Purchaser is not satisfied, for any reason whatsoever, with the results of any investigation, Purchaser shall deliver to Seller prior to the expiration of the Inspection Period, written notice of its intention to waive the applicable contingencies or to terminate this Agreement. If Purchaser fails to notify the Seller in writing of its

specific objections as provided herein within the Inspection Period, it shall be deemed that the Purchaser is satisfied with the results of its investigations and the contingencies of this Article V shall be deemed waived. In the event Purchaser elects to terminate this Agreement because of the right of inspection, Purchaser shall, within seven (7) days after Seller's request, deliver to Seller copies of all engineering reports and environmental and soil testing results commissioned by Purchaser with respect to the Property.

5.03 Purchaser and its agents, employees and servants shall, at their own risk and expense, have the right to go upon the Property for the purpose of surveying and conducting site analyses, soil borings and all other necessary investigation. Purchaser shall, in performing such tests, use due care. Seller shall be notified by Purchaser no less than twenty-four (24) hours prior to said inspection of the Property. To the fullest extent permitted by law, Seller and Seller's agents and employees shall not be liable for and Purchaser waives any and all claims for damages to persons and property sustained by Purchaser or Purchaser's agents, employees, assigns, licensees, concessionaires, invitees or any person claiming through such parties resulting from any accident or occurrence in or upon the Property. To the extent permitted by law and as limited by and pursuant to the provisions of Section 768.28, Florida Statutes, Purchaser hereby agrees to indemnify, defend and hold Seller harmless from and against any and all claims, actions, damages, liability and expenses (including attorneys' fees) in connection with loss of life, personal injury and/or damage to property arising from or out of any occurrence in, upon or at the Property, from or out of activities of, for or on behalf of Purchaser on the Property or any part thereof, or occasioned wholly or in part by an act or omission of Purchaser, its agents, contractors or employees.

VI. INSPECTION

6.01 Seller acknowledges that the Purchaser, or its authorized agents, shall have the right to inspect the Property at any time prior to the Closing.

VII. POSSESSION

7.01 Purchaser shall be entitled to full possession of the Property at Closing.

VIII. PRORATIONS

8.01 Ad valorem taxes next due and payable, after closing on the Property, shall be prorated at Closing based upon the gross amount of current year taxes, and shall be paid by Seller.

IX. TERMINATION AND REMEDIES

9.01 If Seller shall have failed to perform any of the covenants and/or agreements contained herein which are to be performed by Seller, within ten (10) days of written notification of such failure, Purchaser may, at its option, terminate this Agreement by giving written notice of termination to Seller. Purchaser shall have the right to seek and enforce all rights and remedies available at law or in equity to a contract vendee, including the right to seek specific performance of this Agreement.

9.02 The parties acknowledge that the remedies described herein and in the other provisions of this Agreement provide mutually satisfactory and sufficient remedies to each of the parties and take into account the peculiar risks and expenses of each of the parties.
