

The MedCenter

You will receive these FREE services with appointment:

- ◆ Bayer Next Glucometer
- ◆ Bayer Next Glucometer strips
- ◆ Bayer Next Glucometer Control Solution
- ◆ Lancets

NO OFFICE CO-PAY OR DEDUCTIBLE COSTS FOR:

- ◆ **Hemoglobin A1c test every 3 – 6 months (as determined by the medical practitioner):** The A1c checks your average blood sugar over the past two to three months. Additional glucose monitoring blood tests may be ordered as deemed necessary by the medical practitioner (i.e. Glucomarc, Frucosamine)
- ◆ **Blood pressure taken every 3 months:** Your blood pressure will be checked at every medical appointment.
- ◆ **Foot exam every 3 months:** At every medical appointment, your feet will be inspected for nerve and blood circulation issues.
- ◆ **Blood lipids (fats) test annually:** A blood lipid panel to test for blood fats and risk of cardiovascular disease.
- ◆ **Kidney function tests annually:** A urine test that checks for protein in urine (microalbumin) at least once a year. A creatinine, blood urea nitrogen, and eGFR test will also be drawn for kidney function problems.
