### Complete the following for temporary meter applications:

#### **Type of Temporary Meter:**

**Regular**

**Traveling Temporary**

**Temporary/Permanent**

**Use of Temporary Meter: \_\_\_\_\_**

The Collier County Water-Sewer District hereby acknowledges the receipt of the Temporary Meter deposit and accepts the same as liquidated damages for connecting to the mains of the Water System by the herein named payee at the above stated location.

Among other rules and regulations, the customer agrees that the duly authorized agents of the District shall have access at all reasonable hours to the premises of the Customer for the purpose of installing, maintaining, and inspecting or removing County's property, reading meters and other purposes incident to performance under or termination of the District's agreement with the Customer, and in such performance shall not be liable for trespass.

Travel/temp meters can only be used within the Collier County Water/Sewer District. MAP attached. Any meter/person caught outside the boundaries of the water/sewer district will be charged with illegal connection which will result in a fine of actual time and material cost, plus consumption of 100,000 gallons, plus other applicable fees as provided for in Section 2-2044(b) of the Collier County Code of Laws and Ordinances.

Annual Inspection of the backflow prevention device is mandated by Sec. 134-127 of the Code of Ordinances. Failure to comply will result in default of agreement and meter must be returned. Failure to return meter will result in loss of deposit of \$2,486.00.

Temporary/Travel meters must be replaced every two years due to wear and tear of internal components.

The Customer further agrees, that traveling temporary meter reads will be delivered to the County monthly, either by e-mail a picture of the meter dial including meter number to [coolingtower@colliercountyfl.gov](mailto:coolingtower@colliercountyfl.gov)

Failure to provide a monthly read will result estimated billing.

Six (6) consecutive months of no usage will result in default of agreement and meter must be returned. Failure to return meter will result in loss of deposit of \$2,486.00.

The Customer further agrees that all bills for the water and/or sewer charges will be paid within 20 days of the mailing of bills and if not so paid the District will have the right to disconnect service and charge a fee for reconnecting.

It is further understood and agreed that the sale of water to the customer occurs at the meter and the District has no responsibilities relative to the service after said water reaches the Customer's side of the meter.

By signing of this agreement, the customer recognizes and agrees to abide by all existing rules and regulations of the District, and any amendments thereto, copies of said rules and regulations and amendments thereto being available for inspection at the Public Utilities Division.

**WARNING: WATER METERS SUPPLIED BY DISTRICT ARE NOT APPROVED FOR CONNECTION TO ANY FIRE SUPPRESSION OR EXTINGUISHING DEVICE. FAILURE TO ADHERE TO THIS WARNING MAY RESULT IN INJURY OR DEATH.**
