Both items were continued to the March 6, 2024 meeting.

5. **New Business**

A. **Committee Member Application(s)**

Ms. Araque reported there are 2 vacancies on the Committee and Austin Howell, Barbara Woodcock, Mary Lane, Oriany Brito and Stephany Carr have applied to fill the seats.

Mr. Howell, Ms. Woodcock, Ms. Brito and Ms. Carr spoke about their desire to be seated on the Committee.

Ms. Araque provided an overview of Ms. Lane's application.

The Committee conducted a straw poll with those receiving the most votes to be recommended to fill the vacancies.

Round 1: Mr. Howell – 6; Ms. Brito – 4; Ms. Woodcock – 4; Ms. Lane – 0.

Round 2: Ms. Brito – 4; Ms. Woodcock – 4.

Round 3: Ms. Brito – 5; Ms. Woodcock – 4 (it was determined in order to break the tie, a Member could vote for more than 1 applicant).

Ms. Patterson-Weber moved to recommend the Board of County Commissioners appoint Austin Howell and Oriany Brito to the Conservation Collier Land Acquisition Advisory Committee. Second by Ms. Allman. Carried unanimously 8 – 0.

This action was taken near the end of the meeting.

Mr. Courtright moved for Mr. Howell to serve the full term for the vacant position while Ms. Brito to fill the term for the vacancy created by Ms. McCloskey's resignation. Second by Ms. Allman. Carried unanimously 8 – 0.

B. **Cycle 12B Initial Criteria Screening Report (ICSR)**

Ms. Hennig presented the PowerPoint "Cycle 12B Initial Criteria Screening Reports, Properties for Review, February 7, 2024" for information purposes. The following properties were reviewed:

1. **NGGE Scrub TPMA – McIntosh Family Trust**

Ms. Hennig presented the Conservation Collier Land Acquisition Program Initial Criteria Screening Report for McIntosh Family Trust. It is north of 50th Ave. NE, south of Immokalee Rd. and east of Everglades Blvd. N within the NGGE Scrub Target Protection Mailing Area (TPMA), 2.73 acres in size, received a score of 267 out of 400 and has an assessed value of \$85,859. She

noted the site contains scrub flatwoods which is rare in the region. Staff will be reviewing the Protection Area to determine if it is advantageous to continue pursuing acquisitions due to the connectivity of parcels in the area being compromised by homes constructed on individual lots.

4. Marco Island TPMA – Ramoski Trust

Ms. Hennig presented the “*Conservation Collier Land Acquisition Program Initial Criteria Screening Report for Ramoski Trust.*” It is just south 511 S. Barfield Dr., Marco Island in the Marco Island TPMA and 0.40 acres in size, received a score of 167 out of 400 and has an assessed value of \$503,494.

Speaker

Brad Cornell, Audubon of the Western Everglades noted biologists have visited the property and identified 4 Gopher Tortoises on site. The property is contiguous to the WISC Investment property with a residential parcel to the northeast containing native vegetation and undergoing trust activity. These parcels in conjunction with other parcels being acquired in the TPMA are creating corridor for wildlife. He noted Marco Island is home to the 2nd largest population of Burrowing Owls in Florida with Cape Coral being number 1.

3. Dr. Robert H. Gore III Preserve TPMA

Ms. Hennig presented the “*Conservation Collier Land Acquisition Program Initial Criteria Screening Report for the Dr. Robert H. Gore, III Preserve TPMA.*” There are 276 parcels totaling 573.7 acres in the TPMA which received a score of 287 out of 400. Current applications include 5 properties at 9.96 acres.

4. Panther Walk Preserve TPMA

Ms. Hennig presented the “*Conservation Collier Land Acquisition Program Initial Criteria Screening Report for the Panther Walk Preserve TPMA.*” There are 232 parcels totaling 452.5 acres in the TPMA which received a score of 290 out of 400. The current application is for a 1.14 acre parcel between 2 developed lots. Interest letter was sent prior to construction of house to the west of parcel

5. Winchester Head Preserve

Ms. Hennig presented the “*Conservation Collier Land Acquisition Program Initial Criteria Screening Report for Winchester Head Preserve TPMA.*” There are 40 parcels totaling 52.6 acres in the TPMA which received a score of 241 out of 400. Currently there is 1 application in the acquisition process.

Speaker

Brad Cornell, Audubon of the Western Everglades noted the North Golden Gate Scrub TPMA is important for rehydrating opportunities and reducing the risk of wildfires in the area.

6. Subcommittee Reports

A. Lands Evaluation & Management – Chair, Ron Clark – Next Subcommittee meeting will be held in March of 2024.

B. Outreach – Chair, Brittany Patterson-Weber – Last meeting January 20, 2023
No update necessary.

C. Ordinance Policy and Rules – Chair, Michele Lenhard - Last meeting December 18, 2023

No update necessary.

7. Coordinator Communications

A. Miscellaneous

Ms. Araque noted the Committee meeting time and location is changing to the Growth Management Building on North Horseshoe Drive at 9:00am, the first Wednesday of the month. There is a meeting room conflict for the September meeting and she will update the Committee on any changes for the venue.

8. Chair/Committee Member Comments

Ms. Lenhard reported the Board of County Commissioner meeting recordings are available for view on the Collier County Government website.

Chair Lenhard and the Committee thanked retiring Member Brittany Patterson-Weber for her service on behalf of the citizens of Collier County.

9. Public General Comments

Brad Cornell, Audubon of Southwest Florida recognized Ms. Patterson-Weber's service and noted very few Florida Panthers have tracking collars with the existing population is estimated at 120 – 230. The telemetry data showing no panther movement in an area may be misleading given the lack of collars and a more beneficial means for activity is examining roadkill data.

10. Staff Comments

None
