A RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF COLLIER COUNTY, FLORIDA, AS THE GOVERNING BODY OF COLLIER COUNTY AND EX OFFICIO THE GOVERNING BOARD OF THE COLLIER COUNTY WATER SEWER DISTRICT, REPEALING AND REPLACING SCHEDULES ONE, TWO, THREE, FOUR AND FIVE OF APPENDIX A TO SECTION FOUR OF COLLIER COUNTY ORDINANCE NO. 2001-73, AS AMENDED, TITLED THE COLLIER COUNTY WATER-SEWER DISTRICT UNIFORM BILLING, OPERATING AND REGULATORY STANDARDS ORDINANCE; AMENDING PROPOSED RATES FOR WATER, WASTEWATER, IRRIGATION QUALITY WATER, WHOLESALE POTABLE WATER AND MISCELLANEOUS SERVICES; WITH EFFECTIVE DATES OF JANUARY 1, 2024, OCTOBER 1, 2024, AND OCTOBER 1, 2025.

WHEREAS, Collier County uses water and sewer user rates to recover system operation, maintenance, renewal, enhancement, replacement and debt service costs from system users within the boundaries of the Collier County Water-Sewer District (the "District"); and

WHEREAS, on September 14, 2021, the District approved Resolution No. 2021-187 establishing a scheduled adjustment to the District's user rates to maintain alignment with increasing commodity and operation costs based upon the recommendation of the County's retained expert, Raftelis Financial Consultants, Inc., who at that time recommended that the: (1) existing water user rates be adjusted by implementing an increase of 2.9 percent effective October 1, 2021; 4.0 percent effective October 1, 2022; and, 4.0 percent effective October 1, 2023, for Fiscal Years 2022, 2023, and 2024, respectively; (2) existing wastewater user rates be adjusted by implementing an increase of 2.9 percent effective October 1, 2021; 5.0 percent effective October 1, 2022; and, 5.0 percent effective October 1, 2023, for Fiscal Years 2022, 2023, and 2024, respectively; (3) the existing Irrigation Quality (IQ) water user rates be adjusted by implementing an increase of 2.9 percent effective October 1, 2021; 9.0 percent effective October 1, 2022; and, 9.0 percent effective October 1, 2023, for Fiscal Years 2022, 2023, and 2024, respectively; and (4) the existing wholesale potable water user rates be adjusted by implementing an increase of 4.9 percent effective October 1, 2021; 4.9 percent effective October 1, 2022; and, 4.9 percent effective October 1, 2023, for Fiscal Years 2022, 2023, and 2024, respectively; and

WHEREAS, Collier County approved, implemented, and has been adhering to the rate schedule adjustment established in Resolution No. 2021-187 but as a result of dramatic increases in inflation those previously planned rate adjustments have been insufficient to properly support the increasing cost of maintaining system-wide operations, maintenance, and required capital replacement and rehabilitation projects in the District; and

WHEREAS, examples of the inflationary increases impacting the District's operations include the following: (1) electricity increased by 15 percent and is anticipated to increase another 0.1 percent in FY 23, (2) chemicals necessary to produce water, treat wastewater, and treat Irrigation Quality water have increased between 10 percent and 150 percent, (3) critical utility-related meters, parts and devices have increased up to 25 percent, (4) the costs for labor and service-related repairs have increased by 20 percent, and (5) essential operating equipment costs have had costs increases in excess of 100 percent; and

WHEREAS, the Florida Public Service Commission calculates an annual price index specifically for water and wastewater utilities that allows utilities such as the District to adjust its rates without a rate case, and the most recent annual price index issued by the Florida Public Service Commission on December 27, 2022, was calculated at 7.07 percent; and

WHEREAS, Collier County implemented a 7.07 percent user rate increase effective July 1, 2023, with the understanding that the proposed rate increase to the existing Water, Wastewater, Irrigation Quality water, and Wholesale Water user rates for Schedules One (1) and Two (2) of Appendix A to section four of Collier County Ordinance No. 2001-73, as amended, is an interim rate adjustment subject to the completion of an ongoing rate study, at which time a further adjustment of user rates may be warranted; and

WHEREAS, County staff retained the Consultant to review the existing water user rates and to recommend appropriate changes to those rates, the Consultant has recommended an increase of 9.0 percent to potable water rates, 9.5 percent to wastewater rates and 9.5 percent to Irrigation Quality water rates effective January 1, 2024; an increase of 4.5 percent to potable water rates, 7.5 percent to wastewater rates and 9.5 percent to Irrigation Quality Water rates effective October 1, 2024; and an increase of 4.5 percent to potable water rates, 7.5 percent to wastewater rates and 9.5 percent to Irrigation Quality Water Rates effective October 1, 2025; and

WHEREAS, staff also recommends changes to Schedule Three for meter tapping charges and cross connection control devices to reflect the actual contracted material costs of meters and backflows in effect on October 1, 2024; and changes to Schedule Four to reflect actual labor rates for certain classes of staff effective with those implemented in pay period 3 of fiscal 2024; and changes to Schedule Five to the Temporary Meter Deposit to reflect the actual material cost of those devices in effect as of October 1, 2024; and

WHEREAS, the Board of County Commissioners finds that it is in the best interest of the health, safety, and welfare of the District's users to accept staffs recommendation to implement the Consultant's recommendation as a proposed user rate increase to the existing rates.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF COLLIER COUNTY, FLORIDA, AS THE GOVERNING BODY OF COLLIER COUNTY AND EX OFFICIO THE GOVERNING BOARD OF THE COLLIER COUNTY WATER SEWER DISTRICT, that:

The Board of County Commissioners, after an advertised public hearing:

1. Accepts the Consultant's recommendation for updated District-wide Water and Wastewater rates, Irrigation Quality Water rates, and Wholesale Water rates. Accordingly, the Board hereby approves the attached Schedules One and Two to Appendix A of Ordinance No. 2001-73, as amended, titled the Collier County Water-Sewer District Uniform Billing, Operating and Regulatory Standards Ordinance. The revised rates on the attached Schedules One and Two will take effect at 12:01 am. on January 1, 2024, October 1, 2024 and October 1, 2025 until revised.

2. Accepts staff's recommendation for updates to Schedules Three, Four and Five to Appendix A of Ordinance No. 2001-173, as amended, titled the Collier County Water-Sewer District Uniform Billing, Operating and Regulatory Standards Ordinance. The revised rates on the attached Schedules Three, Four and Five will take effect at 12:01 am on January 1, 2024 until repealed and revised.

THIS RESOLUTION ADOPTED after motion, second, and majority vote favoring adoption this 12th day of December, 2023.

Individual speakers will be limited to 3 minutes on any item. The selection of an individual to speak on behalf of an organization or group is encouraged. If recognized by the Chairman, a spokesperson for a group or organization may be allotted 10 minutes to speak on an item. Written materials intended to be considered by the Board shall be submitted to the appropriate County staff a minimum of 7 days prior to the public hearing. All materials used in presentations before the Board will become a permanent part of the record.

As part of an ongoing initiative to encourage public involvement, the public will have the opportunity to provide public comments remotely, as well as in person, during this proceeding. Individuals who would like to participate remotely should register through the link provided within the specific event/meeting entry on the Calendar of Events on the County website at www.colliercountyfl.gov/our-county/visitors/calendar-of-events after the agenda is posted on the County website. Registration should be done in advance of the public meeting or any deadline specified within the public meeting notice. Individuals who register will receive an email in advance of the public hearing detailing how they can participate remotely in this meeting. Remote participation is provided as a courtesy and is at the user's risk. The County is not responsible for technical issues. For additional information about the meeting, please call Geoffrey Willig at 252-8369 or email to Geoffrey.Willig@colliercountyfl.gov.

Any person who decides to appeal any decision of the Board will need a record of the proceedings pertaining thereto and therefore, may need to ensure that a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is based.

If you are a person with a disability who needs any accommodation in order to participate in this proceeding, you are entitled, at no cost to you, to the provision of certain assistance. Please contact the Collier County Facilities Management Division, located at 3335 Tamiami Trail East, Suite 101, Naples, FL 34112-5356, (239) 252-8380, at least two days prior to the meetings. Assisted listening devices for the hearing impaired are available in the Board of County Commissioners Office.
