

Notice of Public Participation Meeting
East of 951 Infrastructure and Services Horizon Study Public Participation Master
Committee
Collier County, Florida
Monday, April 16, 2007 7:00 P.M.

The East of 951 Infrastructure and Services Horizon Study Public Participation Master Committee will hold a Public Participation meeting related to the potential options for public utilities in the Estates District. The meeting will actively seek public responses to the Public Utilities presentation.

Time: Monday, April 16, 2007 7:00 P.M.
Location: Collier County UF/IFAS Extension Education & Training Center located at 14700 Immokalee Road, Naples, FL 34120, Collier County, Florida
Purpose: Collier County Public Utilities will present, for public discussion, various potential options for water and/or wastewater extension to portions and/or all of the Estates District.
