10. COUNTY MANAGER'S REPORT

- A. This item to be heard at 4:00 p.m. Recommendation that the Board of County Commissioners accept the findings of the report entitled Collier County Impact Fee Indexing Study prepared by Tindale-Oliver and Associates, Incorporated, in association with Robert W. Burchell, Ph.D., as directed by the Board of County Commissioners, and direct the County Manager or his designee, to finalize the study, prepare the necessary amendments to Chapter 74 of the Collier County Code of Laws and Ordinances, the same being the Collier County Consolidated Impact Fee Ordinance, to incorporate the changes to the indexing methodologies and corresponding changes to the impact fee rate schedules for consideration by the Board of County Commissioners at a future meeting(s).(Joseph K. Schmitt, Administrator, Community Development and Environmental Services Division)
- B. This item to be heard at 4:30 p.m. Recommendation that the Collier County Board of County Commissioners (BCC) approve a budget amendment totaling \$250,000 from FY07 Fund 186 reserves to assist with the establishment of a Florida State University School of Medicine rural health training center in Immokalee. (Companion item to Community Redevelopment Agency approval of expenditure under 14A to be considered following action on 14A) (Joseph K. Schmitt, Administrator, Community Development and Environmental Services Division)
- C. The County Managers Zoning Department staff would like discuss with the Board of County Commissioners, the impacts of the current requirements of the Land Development Code as they relate to the Mixed Use Project (MUP) approval process permissible in the Bayshore and Bayshore Triangle Overlay Zoning Districts, specifically as they relate to the Arboretum Village project which was approved by the Board of County Commissioners on September 12, 2006. They also request affirmation that a 3 or more year time frame for physical construction of this project, as now proposed by the developer and as evidenced by the initial SDP submittal for administrative review, does not conflict with the intent of the Board when they approved this project in terms of the awarding of density bonus units, and furthermore that it does not conflict with the Boards potential plans to build a parking garage in the Bayshore redevelopment area as discussed at the public hearing approving this project. (Joseph K. Schmitt, Administrator, Community Development & Environmental Services Division)
- D. Recommendation that the Board of County Commissioners accept an interim report from the Habitat Conservation Plan Advisory Committee and provide the Committee direction for future efforts.(Joseph K. Schmitt, Administrator, Community Development & Environmental Services Division)

(Len Price, Administrator, Administrative Services)

- F. Recommendation to approve the Winchester Head Multi-parcel project as a Category A project on the current Conservation Collier Active Acquisition List and direction for the County Manager or his designee to actively pursue properties within this project, considering conditions provided by the Board of County Commissioners and a risk reduction approach developed by staff. (Len Price, Administrator, Administrative Services)
- G. Recommendation to conduct the Conservation Collier Annual Public Meeting to provide an update on the Programs past activities, to solicit proposals and applications, and to approve the Fifth Cycle Target Protection Areas (TPA) mailing strategy. (Len Price, Administrator, Administrative Services)
- H. Recommendation to enter into a supplemental agreement with the South Florida Water Management District (SFWMD) related to a September 23, 2003 agreement that conveys or causes to be conveyed at no cost to Collier County fee simple interest to 640 contiguous acres, more or less, for Off Highway Vehicle (OHV) Use and approve any and all budget amendments deemed necessary in association with this action.
