

# CONSERVATION COLLIER

## Past & Current Activities Report

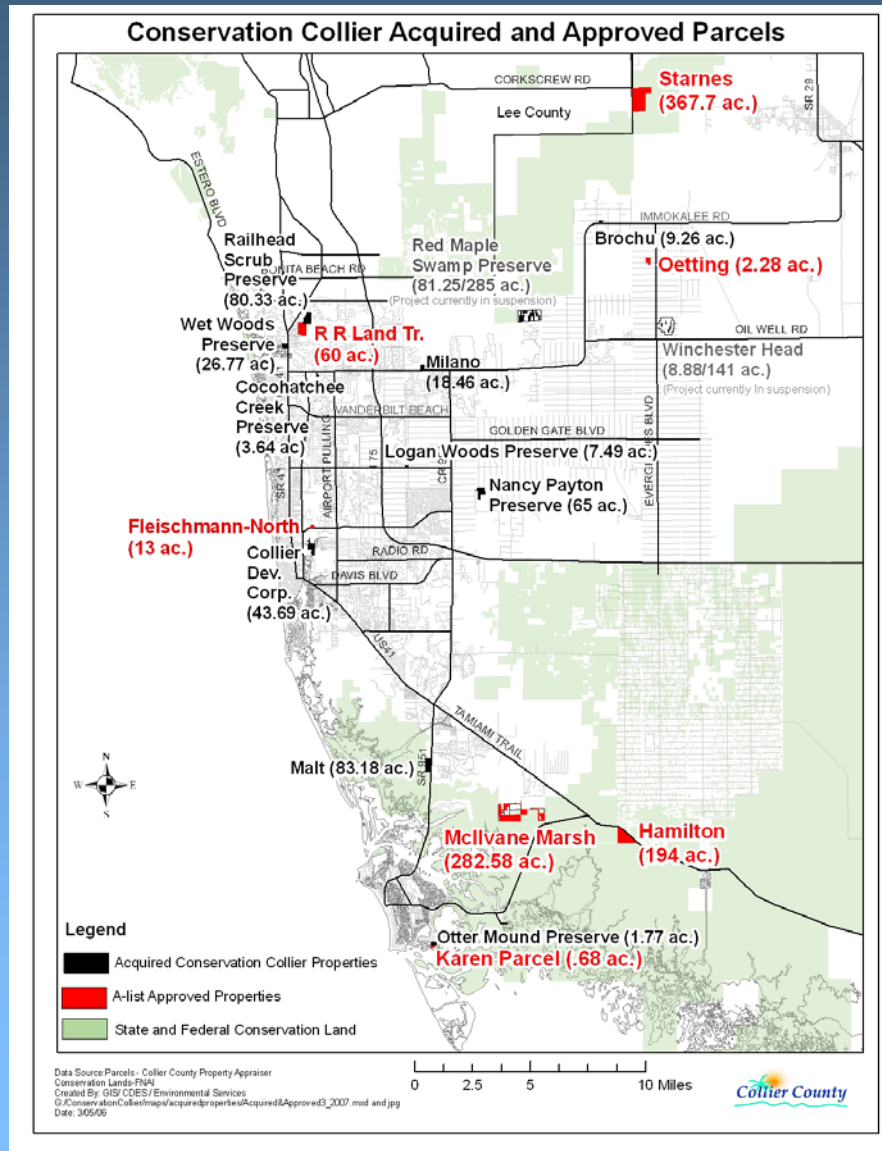

- Solicitation of proposals & applications
- Cycle 4 TPA mailing strategy

Annual Public Meeting  
May 22, 2007

# Objectives

- **Update the Board and public on Conservation Collier activities**
- **Solicit proposals and applications from willing sellers for the current (5<sup>th</sup>) acquisition cycle**
  - **Deadline for applications – August 15, 2007**
- **Receive approval for Target Protection Areas mailing strategy**

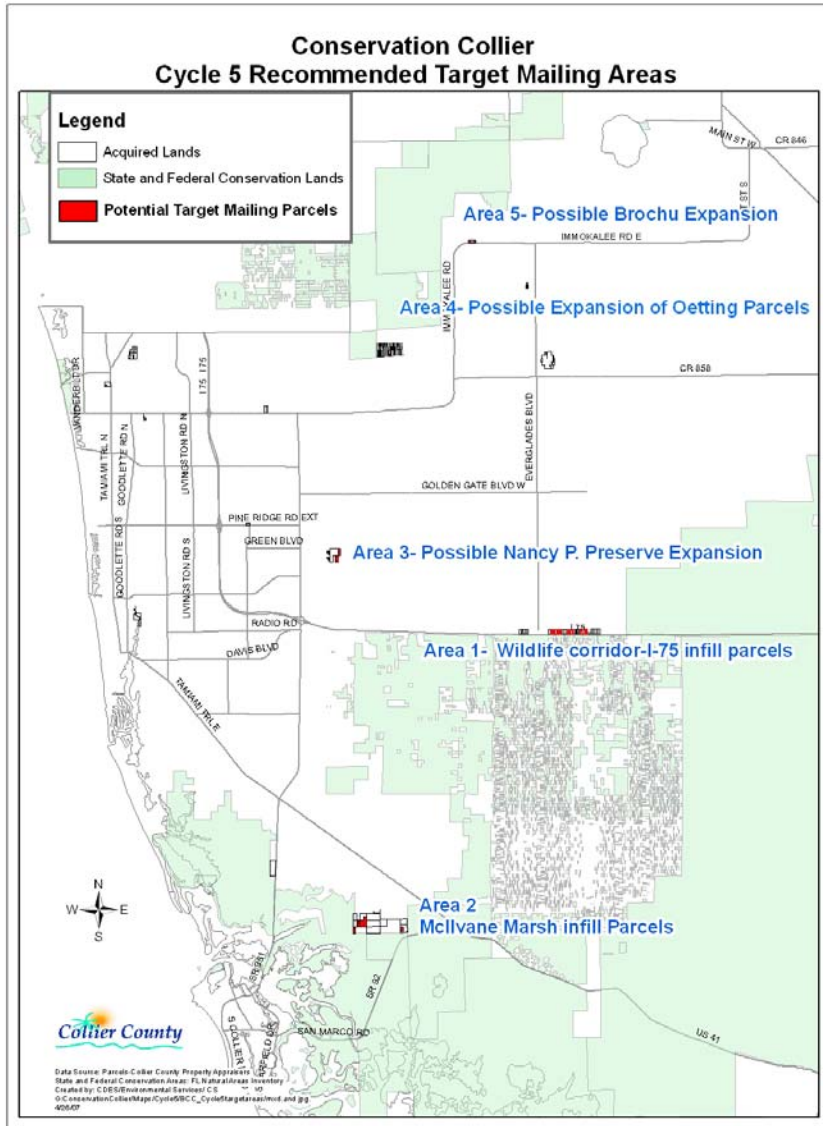

# Conservation Collier Lands

# Past, Current & Planned Activities Report

- completed 4 buying cycles
- Purchased 432 acres, 907 in purchase process (a recent offer refusal brings this to 714 acres)
- Spent \$43.4 million; anticipate another \$22 million (considering refusal, now anticipate approx. \$20.3 million)
- Received grants – approx \$158,000
- Opened two preserves to the public; developed 10 Interim Management Plans; ongoing management
- Passed Exceptional Benefits Ordinance
- Present 3 Final Management Plans and 1 Management Agreement to the Board for approval
- Amend Conservation Collier Ordinance to increase efficiency of process
- Continue to seek and evaluate appropriate lands for purchase; continue to seek grants

# Target Mailing Areas

Strategy – to increase currently held lands

Targeting 227 acres

# Recommendation

- That the Board:
  - Accept the Past & Current Activities Report, as presented
  - Approve the recommended Target Protection Areas mailing strategy

Thank you!
