

# TAME Melaleuca Demonstration

## Come and Learn and Take Home a Free Native Tree!

Hosted by: Collier County's Conservation Collier Program,  
the Naples Botanical Garden & the University of Florida  
Extension/USDA TAME Melaleuca Program

CONTACTS: CHRISTAL SEGURA / CONSERVATION COLLIER (239) 403-2495  
THOMAS HECKER / NAPLES BOTANICAL GARDEN (239) 643-7275

**DATE: SAT. 8-25-07**

**TWO LOCATIONS IN ONE DAY!!!**

Come to learn about different methods of eradicating Melaleuca. Talk to an IFAS extension agent and an exotics contractor about how to rid your property of invasive exotics! Learn about integrated pest management from Dr. Ken Langeland and talk to Conservation Collier Staff about future plans for the Logan Woods Preserve. First 50 people get a free native tree!

**9:00-11:00 am**

**12:00-2:00 pm**
