NEW Children's Collection Corner Local Children Showcase Prized Possessions

Catherine and Emma Schilling, ages seven and five, have been collecting Barbie dolls their entire lives. What girl doesn't?

The girls are proud to present all 27 of their prized Barbie dolls at the North Collier Regional Park Exhibit Hall. The Schillings' collection is part of a new program by Collier County Parks and recreation called *Children's Collector's Corner*. The program encourages young collectors to share their passion and treasures with other children.

Catherine and Emma's 27 Barbie doll collection will be on exhibit until Oct. 5, or until they miss their Barbie dolls. The North Collier Regional Park Exhibit Hall is located adjacent to Sun-N-Fun Lagoon water park at 15000 Livingston Rd. in Naples, FLA.

Media members should note that Exhibit Hall Manager Nancy Olson will be happy to put you in touch with the Schilling sisters for interviews upon request.

This is a wonderful, children's story with education and self-esteem elements.

If your child has a collection to display at the North Collier Regional Park Exhibit Hall please call (239) 254-4060 for information.
