

DeLeon Selected Collier County Government Employee of the Month

Jecika DeLeon, an administrative secretary in the Transportation Services Division, was selected Collier County government's Employee of the Month for March 2008.

“All of us in the Transportation Division are very pleased Jecika was selected Employee of the Month. She is the best -- always has a smile on her face and willing to help in any way she can. Everything Jecika does is top notch,” said Pat Lehnhard, Executive Secretary to Transportation Services Division Administrator Norman Feder.

DeLeon serves as the primary webmaster for the division working to keep department web pages consumer friendly and easy to navigate. She also serves as a backup for all AIMS and internal tracking inquiries for the entire division.
