

## NORTHEAST COLLIER COUNTY TRAIL FEASIBILITY STUDY: PUBLIC INFORMATION COMMENT SHEET

The Collier County Transportation Planning Department is studying the feasibility of a paved greenway trail in northern Collier County through the Town of Immokalee with potential connections to Lee County. The trail will be paved and open to non-motorized transportation. Based on your experience with similar trails, please answer the following questions:

**PLEASE RETURN COMMENT SHEETS WITHIN 14 DAYS**

1. Do you support the creation of greenways in Collier County?

---

---

---

---

2. Which non-motorized outdoor activities would you like to use in this corridor? (Check all that apply)

- |   |  |
|---|--|
| <input type="radio"/> Walking           | <input type="radio"/> Other (please list): |
| <input type="radio"/> Bicycling         | _____                                      |
| <input type="radio"/> Jogging / Running | _____                                      |
| <input type="radio"/> In-line skating   | _____                                      |
| <input type="radio"/> Horseback riding  | _____                                      |
| <input type="radio"/> Skateboarding     |  |

3. Please name a few destinations along this corridor that you currently visit. Are there other destinations that you would like to visit by bicycle or walking?

- |   |  |
|---|--|
| <input type="radio"/> Town of Immokalee         | <input type="radio"/> Other (please list): |
| <input type="radio"/> Lake Trafford             | _____                                      |
| <input type="radio"/> Town of Ave Maria         | _____                                      |
| <input type="radio"/> Corkscrew Swamp Sanctuary | _____                                      |
| <input type="radio"/> Seminole Casino           |  |

4. A similar trail in Collier County is located adjacent to Immokalee Road between I-75 and Collier Boulevard. If you have walked or cycled along similar facilities within Collier County, did you enjoy your experience? If so, why? If not, why not?

---

---

---

---

5. What issues do you consider important to the implementation of this project?

- Personal safety and security on the trail
- Easy access to the trail
- Liability and trail maintenance
- Privacy on adjacent property
- Health concerns related to the powerlines
- Other (please list):

---

---

---

6. Which of the trail segments and/or alternatives do you prefer?

- Segment 2
- Segment 3
- Segment 4
- Segment 5
- Segment 6
- Segment 7
- Alternative 1
- Alternative 2
- Alternative 3
- Alternative 3A
- Alternative 3A
- Alternative 3B
- Alternative 3C
- Alternative 3D
- Alternative 4
- Alternative 5
- Alternative 5A
- Alternative 6

7. Additional comments:
