FUTURE LAND USE ELEMENT

IMPLEMENTATION STRATEGY

GOALS, OBJECTIVES AND POLICIES

OBJECTIVE 5:

In order to promote sound planning, protect environmentally sensitive lands and habitat for listed species while protecting private property rights, ensure compatibility of land uses and further the implementation of the Future Land Use Element, the following general land use policies shall be implemented upon the adoption of the Growth Management Plan.

Policy 5.14:

Public educational plants and ancillary plants:

- a. Existing public educational plants and ancillary plants: The sites containing existing public educational plants (schools and associated on-site facilities, including sports stadiums, gymnasiums and recreation areas) and ancillary plants (support facilities, including administrative offices, transportation facilities, maintenance yards, and bus barns) are depicted on the Future Land Use Map Series and Public School Facilities Element Map Series. This includes four sites where educational plants have been approved but construction either has not commenced or is not completed. More detailed descriptions or depictions of all of the sites containing these existing educational plants and ancillary plants are contained in the FLUE Support Document. Expansion of these educational plants and ancillary plants on these existing sites, as well as expansions to the sites themselves, are subject to the provisions outlined in the ~~two~~ general Interlocal Agreements, adopted in accordance with Sections 163.3177(6)(h) and 163.31777, Florida Statutes, on May 15, 2003 by the Collier County School Board and on May 27, 2003 by the Board of County Commissioners, and as subsequently amended and restated, with an effective date of December 2008, and subject to the implementing land development regulations to be adopted; and, shall be subject to the School Board Review (SBR) Interlocal Agreement adopted on May 15, 2003 by the Collier County School Board and on May 27, 2003 by the Board of County Commissioners, and subject to the existing implementing land development regulations, or shall be subject to compliance with the land development regulations in effect at time of site development plan submittal to be adopted.
- b. Existing sites for future public educational plants: The Collier County School Board has acquired numerous sites for which educational plants are planned for future development; these sites contain no existing educational plants. ~~Most of these~~ These sites are consistent with locational criteria established by the SBR Interlocal Agreement and as contained in the FLUE, GGAMP, or IAMP, as

applicable, and are allowed within the existing zoning district on the property. These sites are depicted on the Future Land Use Map Series and Public School Facilities Element Map Series. ~~As consistency is achieved for the remaining sites, via future Growth Management Plan amendments and/or zoning amendments and/or conditional use approvals, these sites will be added to the Future Land Use Map Series.~~ Development of the mapped sites shall be subject to the provisions of the two general Interlocal Agreements adopted in accordance with Sections 163.3177(6)(h) and 163.31777, Florida Statutes, on May 15, 2003 by the Collier County School Board and on May 27, 2003 by the Board of County Commissioners, and as subsequently amended and restated, with an effective date of December 2008, and subject to the implementing land development regulations to be adopted; and, shall be subject to the School Board Review (SBR) Interlocal Agreement adopted on May 15, 2003 by the Collier County School Board and on May 27, 2003 by the Board of County Commissioners, as amended, and subject to the existing implementing land development regulations, or shall be subject to compliance with the land development regulations in effect at time of site development plan submittal to be adopted.

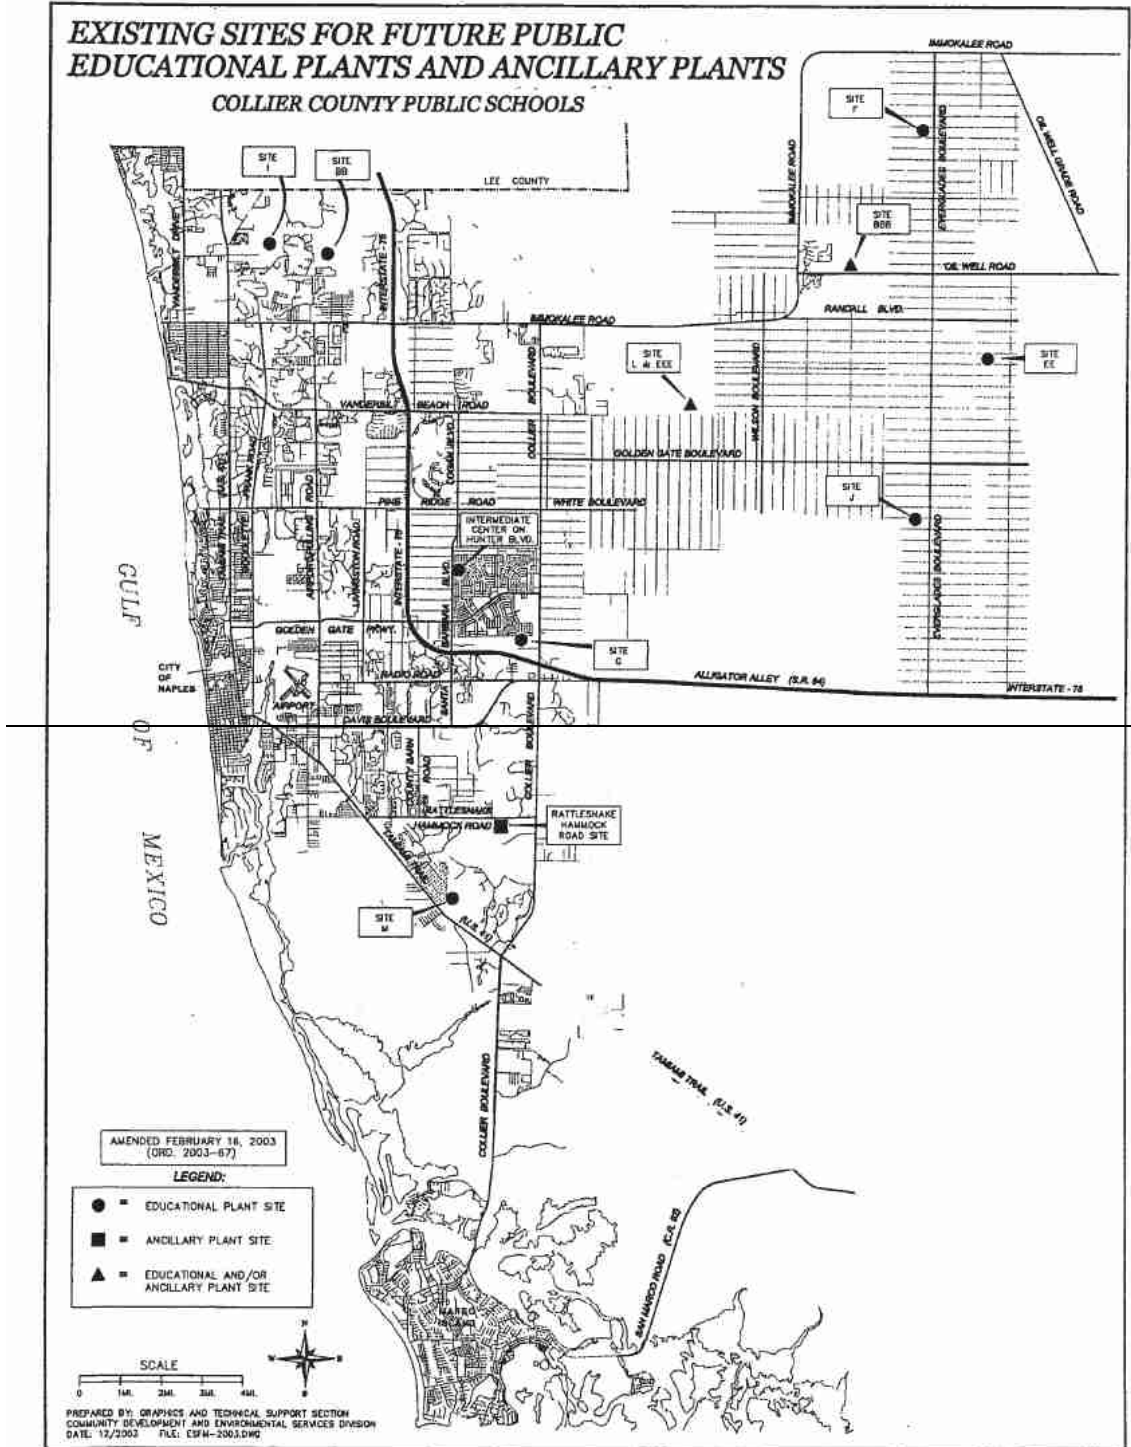

- c. Existing sites for future public ancillary plants: The Collier County School Board has acquired sites for which ancillary plants are planned for future development; these sites contain no existing ancillary plants. ~~Most of these~~ These sites are consistent with locational criteria established by the SBR Interlocal Agreement and as contained in the FLUE, GGAMP, or IAMP, as applicable, and are allowed within the existing zoning district on the property. These sites are depicted on the Future Land Use Map Series and Public School Facilities Element Map Series. ~~As consistency is achieved for the remaining sites, via future GMP amendments and/or zoning amendments and/or conditional use approvals, these sites will be added to the Future Land Use Map Series.~~ Development of the mapped sites shall be subject to the provisions of the two general Interlocal Agreements adopted in accordance with Sections 163.3177(6)(h) and 163.31777, Florida Statutes, on May 15, 2003 by the Collier County School Board and on May 27, 2003 by the Board of County Commissioners, and as subsequently amended and restated, with an effective date of December 2008, and subject to the implementing land development regulations to be adopted; and, shall be subject to the School Board Review (SBR) Interlocal Agreement adopted on May 15, 2003 by the Collier County School Board and on May 27, 2003 by the Board of County Commissioners, as amended, and subject to the existing implementing land development regulations, or shall be subject to compliance with the land development regulations in effect at time of site development plan submittal to be adopted.
- d. Future sites for public educational plants and ancillary plants: As additional sites for educational plants and ancillary plants are acquired by the Collier County School Board and deemed to be consistent with the FLUE, GGAMP, or IAMP, as applicable, and allowed by existing zoning on the site, these sites will be added to the Future Land Use Map Series and Public School Facilities Element Map Series, as provided for in the two general Interlocal Agreements, adopted in accordance with Sections 163.3177(6)(h) and 163.31777, Florida Statutes, on May 15, 2003 by the Collier County School Board and on May 27, 2003 by the Board of County Commissioners, and as subsequently amended and restated, with an effective date of December 2008, and the School Board Review (SBR)

Interlocal Agreement adopted on May 15, 2003 by the Collier County School Board and on May 27, 2003 by the Board of County Commissioners, as amended. Future development of these sites will be subject to the provisions of the ~~two~~ two ~~mentioned~~ mentioned ~~general~~ general ~~Interlocal Agreements and SBR Interlocal Agreement, as amended,~~ and subject to the existing ~~implementing~~ implementing ~~land development regulations, or shall be subject to compliance with the land development regulations in effect at time of site development plan submittal to be adopted.~~ Prior to site acquisition, the Collier County School District will provide notification to property owners as follows: 1) for sites located within the Urban Designated Area of the Future Land Use Element of the Growth Management Plan, notices shall be sent to all owners of property within 500 linear feet of the property lines of the site under consideration for acquisition; 2) for sites not located within the Urban Designated Area of the FLUE of the Growth Management Plan, notices shall be sent to all owners of property within 1,000 linear feet of the property lines of the site under consideration for acquisition. At the public hearing to consider the land acquisition, all public commentary received as a result of these notices will be provided to the Collier County School Board.

- e. Zoning district provisions for future educational plants: Except to the extent that such would be in conflict with the Rural Fringe Mixed Use District adopted on June 19, 2002, or the Rural Lands Stewardship Area Overlay adopted on October 22, 2002, all future educational plants shall be allowed in zoning districts as follows:
- (1) Educational plants are prohibited in the Residential Tourist (RT), Golf Course (GC), Conservation (CON), Travel Trailer Recreational Vehicle Campground (TTRVC), Business Park (BP), and Industrial (I) zoning districts.
 - (2) Educational plants are permitted by right in all other zoning districts. However, for a high school facility to be located in any residential zoning district, or Estates (E) zoning district, or residential component of a PUD, a formal compatibility review and determination is required, as set forth in the general ~~Interlocal Agreements, adopted in accordance with Sections 163.3177(6)(h) and 163.31777, Florida Statutes, on May 15, 2003 by the Collier County School Board and on May 27, 2003 by the Board of County Commissioners, and as subsequently amended and restated, with an effective date of December 2008, and the School Board Review (SBR) Interlocal Agreement adopted on May 15, 2003 by the Collier County School Board and on May 27, 2003 by the Board of County Commissioners.~~
- f. Zoning district provisions for future ancillary plants: Except to the extent that such would be in conflict with the Rural Fringe Mixed Use District adopted on June 19, 2002, or the Rural Lands Stewardship Area Overlay adopted on October 22, 2002, all future ancillary plants shall be allowed in zoning districts as follows:
- (1) Ancillary plants are prohibited in the Residential Single Family (RSF-1 through RSF-6), Mobile Home (MH), Travel Trailer Recreational Vehicle Campground (TTRVC), Golf Course (GC), and Conservation (CON) zoning districts.

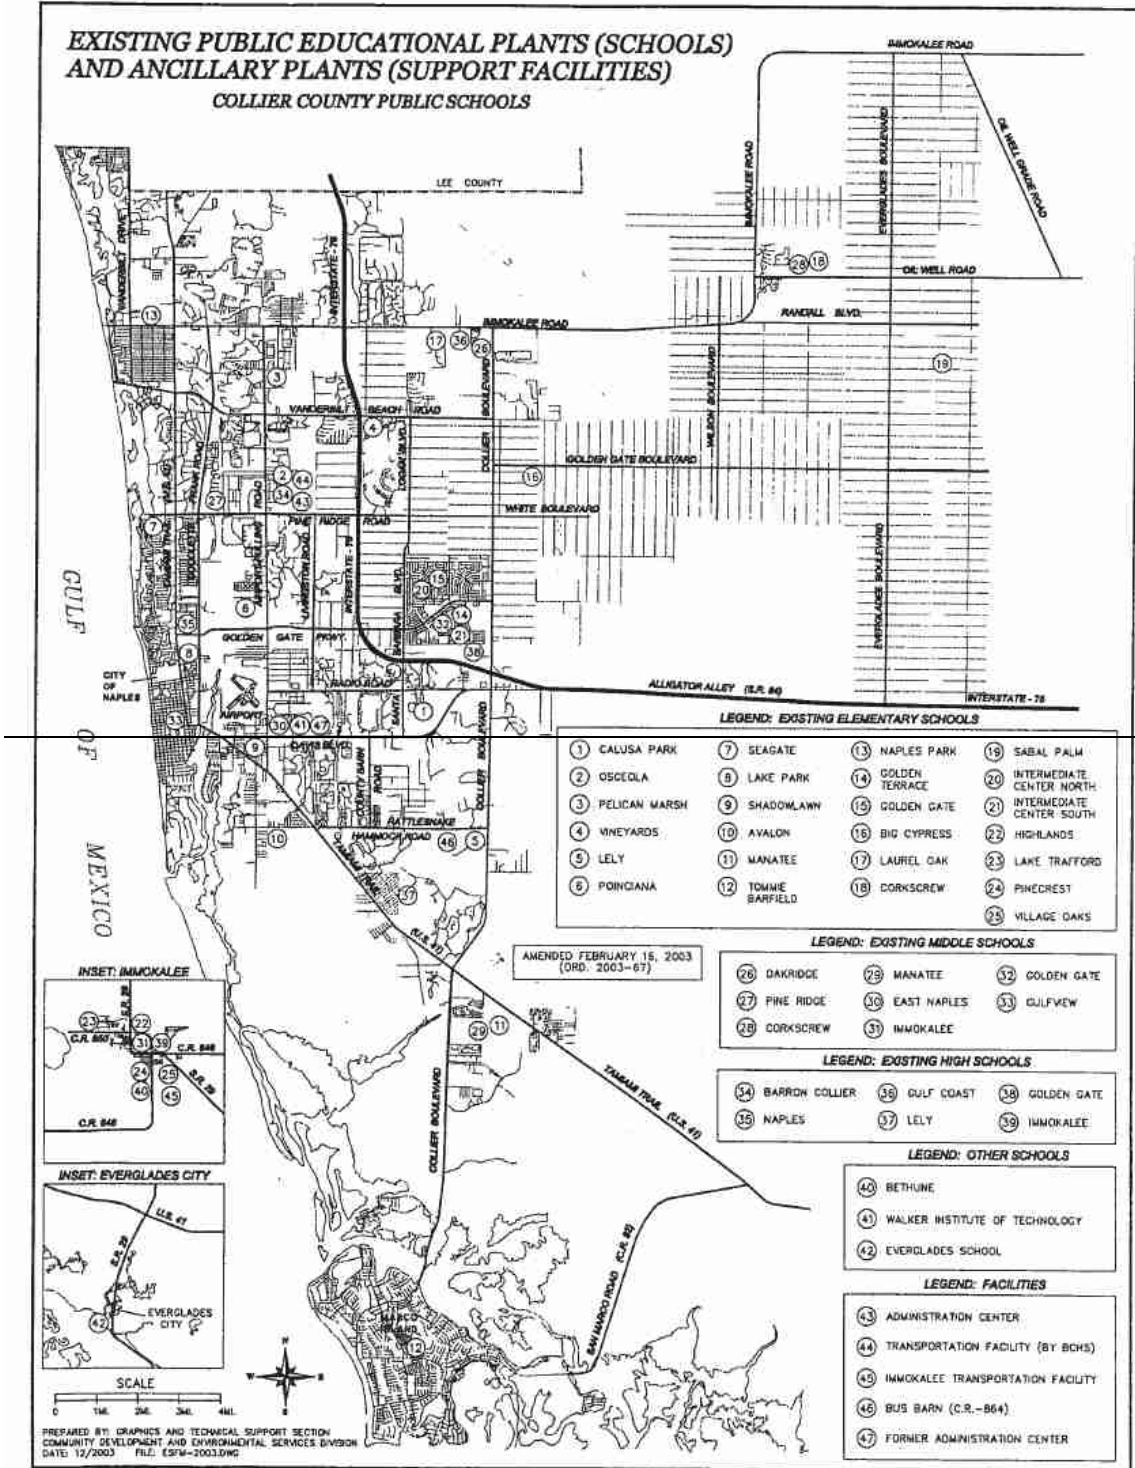

- (2) Ancillary plants are permitted by right in the General Commercial (C-4), Heavy Commercial (C-5), and Industrial (I) zoning districts.
- (3) Ancillary plants are permitted by conditional use approval in all other zoning districts.
