

GREEN BOULEVARD EXTENSION CORRIDOR STUDY

Collier County, Florida

PUBLIC WORKSHOP

November 2005

YOU ARE INVITED

The Collier County Transportation Planning Department invites you to attend and participate in a Public Workshop regarding the Green Boulevard Extension Corridor Study. The meeting will be held on **Wednesday, Nov. 30, 2005 from 4:30 to 6:30 p.m.** at the Golden Gate Community Center, 4701 Golden Gate Parkway, Naples, Florida in Collier County.

STUDY DESCRIPTION

The Corridor Study is evaluating the feasibility of extending Green Boulevard as a through road west of Santa Barbara Boulevard. Such an extension is being analyzed for long range planning purposes, as no funding is in place to pursue potential design, right-of-way acquisition, or construction phases. The study area begins at the intersection of Green Boulevard and Santa Barbara Boulevard, follows the existing Green Boulevard alignment, and continues west over I-75 to Livingston Road, as shown in the study location map.

STUDY LOCATION MAP

WORKSHOP DETAILS

The Public Workshop will be held in an open house style (informal format). There will not be a formal presentation. Aerial photos depicting the proposed alternatives, in addition to traffic, environmental, cost, and aesthetics information, will be on display for public comment. Collier County representatives will be available to discuss the project, receive public comments, and answer questions throughout the two-hour workshop time frame.
