## Helicopter Sightseeing Tours

Marco Island  
Rookery Bay  
The Everglades

**Rookery Bay Tour** – Cruise across the mangrove islands and backwaters of the Rookery Bay National Estuarine Reserve, nature's home to Florida's favorite maritime friends - our manatees, dolphins, ospreys, herons, egrets and pelicans.

Price - \$99 pp, minimum 2 passengers  
(\$69 for third passenger)

**Beach Tour** – Lift off on your aerial tour out across the mangroves and bays of Rookery Bay. Then experience the breathtaking beauty of Southwest Florida's most incredible beaches as we soar along Keywadin Island, Marco Island Beach, and to the tip of Cape Romano. From there, we turn east for a bird's eye view of Goodland, one of Florida's remaining authentic fishing villages. Finally, it's back across the mangroves to the Marco airport.

Price - \$149 pp, minimum 2 passengers  
(\$109 for third passenger)

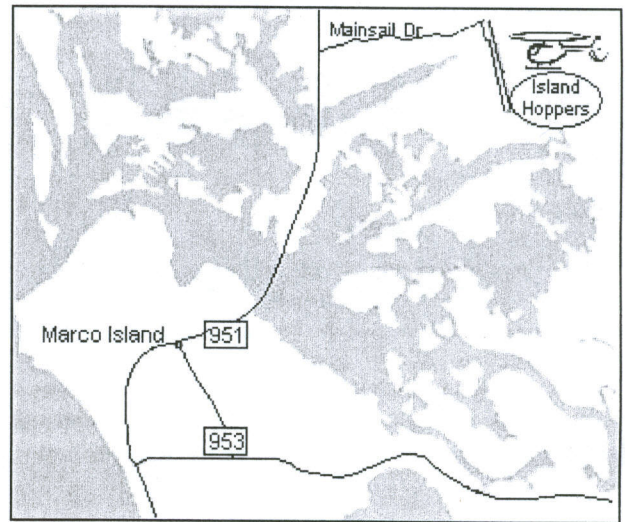

**Beach / Everglades Tour** – Experience all the wonderful sites of our "Beach Tour", and then we'll navigate across the "Ten Thousand Islands" to the fishing village of Chokoloskee and on to historic Everglades City. From there, we will glide above the "river of grass" of The Everglades, and then follow the famous Tamiami Trail back to the Marco airport.

Price - \$249 pp, minimum 2 passengers  
(\$199 for third passenger)

Flights offered Friday, Saturday & Sunday
