Re: April 21 Meeting to Review RLSA Committee Recommendations and Report
on Five Year Review of the Rural Lands Stewardship Program

Attached for your review is an RLSA Policy Chart which I prepared to assist you in your review of the RLSA Committee Recommendations and Report on the Five Year Review of the Rural Lands Stewardship Program. The RLSA Policy Chart identifies the twelve policies where the RLSA Committee and the CCPC differed in their recommended language. The yellow highlight denotes the current language differences. I have also provided the EAC comment on the Policy where the EAC had a comment.

Please call me if you have any questions.
