SECTION FIVE.

The District is formed for the purpose of providing street lighting and beautification within the property above described, and to that end shall possess all the powers to do all things reasonably necessary to provide such services, including ownership of property, poles, wires, conduits, lights, meters, and the power to maintain the same and to enter into contracts for providing the same and the electric current to operate any lighting system therein installed.

SECTION SIX.

For the purpose of carrying into effect this Ordinance the Board of County Commissioners shall annually, at the time required by general budgetary law, make an itemized estimate of the amount of money required to carry out the business of the district for the next fiscal year, which shall be from October 1, to and including September 30, following. The estimate shall have for what purpose the monies are required and the amount necessary to be raised by taxation a millage sufficient to meet the requirements of the estimate, provided, however, the total millage shall not exceed one (1) mill.

SECTION SEVEN.

Taxes herein provided for shall be assessed and collected in the same manner and form as provided for the assessment and collection of general county taxes and subject to the same fees for assessing and collecting as general county taxes.

SECTION EIGHT.

This Ordinance shall take effect at the time provided by law.

DATED: October 25, 1977
