By submitting this application, I agree to the following:

I understand that the EEL Land Manager for that Region must first approve the exact location of the cache.

The cache will be placed in a container with dimensions not to exceed 1 cubic foot and will be aboveground (no burying).

I will personally ensure that the site will be monitored regularly for signs of excessive use or disturbance and be kept clean of trash and debris.

I understand that the EEL Program is not responsible for any damage to the cache caused by prescribed fire or any other land management activity.

I agree to voluntarily remove the cache when requested by the EEL Land Manager for cause or one year from the date of approval, whichever comes first.
