## **GOLDEN GATE CITY RESIDENTS SURVEY**

The survey gave City residents an opportunity to voice their opinion on the things that matter most to them about their community. Because Collier County government is committed to provide its residents with the facilities, services, and programs they desire – a committee of Golden Gate volunteers assisted the County in developing a survey asking questions so the Board of County Commissioners can learn more about the needs of the people who live in Golden Gate City. Comments were taken from the answers given by City residents to the following question:

“What do you see as the top concern of Golden Gate residents over the next two or three years? Please be as specific as you can when describing what you believe most needs attention by County government. Include any services County government should be providing in your neighborhood that you believe are needed.”

<b>Topic</b>	<b>Resident Comments and Recommendations</b>
Rental Properties	“Landlord maintenance of rental properties is important.” “Too many people are living in these rental units.” “Multiple usage of rental properties. Cars parked on grass lawns.” “Landlord checks on occupants is weak. Criminal element increasing.” “Absentee landlords (are the problem).” “Teach tenants to hold them to a high standard for taking care of properties rented to them.” “Improve the rental properties, especially the mess on the Parkway and on Sunshine and in that general area.”
Code Enforcement	“Residences are not being maintained in certain neighborhoods and no zoning enforcement is being taken.” “Code enforcement #1 (problem).” “Apartments need more supervision by Code Enforcement and Immigration.” “Lack of code enforcement.”
Roads & Traffic Control	“Traffic control is an issue. We need more stop signs and speed bumps.” “Increase in traffic. Santa Barbara needs to be six-laned; access to I-75 should be opened.” “Lack of respect for Stop signs and traffic lights from drivers. Children in bike paths in danger; no respect for the new bike route along Tropicana Blvd. Drivers don't control their speed limits.” “We need a light at Green Blvd. and Sunshine.” “Need to expand our roads.” “The amount of cars on Golden Gate Parkway is bad at rush hour. Maybe six lanes may help the flow of cars during this time.” “Speeding #2 (problem).” “Speed bumps on most side main streets, especially near schools.” “Widening of roads.”

- Sidewalks "Sidewalks would improve the neighborhood."

"Fix roads and sidewalks."  
"Sidewalks on all roadways in Golden Gate City for kids and people to use. Too many kids have been hurt because of no sidewalks for kids to use for to and from school and other functions."
- Gang Activity "Need to get gangs out of the streets so we can be safer."  
"Young people are getting in more and more trouble."  
"Ridding the City of drugs and gangs."
- Law Enforcement "Not enough law enforcement in residential areas."  
"Drug problems bring home values down."
- Public Transportation "Also, our community needs better public transportation"  
"The CAT system has helped tremendously in our area."

- Essential Services "Growing. We should have a hospital."  
"Provide adequate services without going overboard and necessitating tax increases."
- Public Participation "Public meetings, gatherings, in our opinion, is the only answer to resolving most concerns and problems in our City."
- City Water and Sewer "(Need) city water and sewage in different places."  
"Bring water and sewer to the area."  
"Need City water and sewer of City residents."  
"We need sewer and water service. Our quality of water is terrible. Also, the smell of our water is very bad. The issue keeps property values low"

GOLDEN GATE CITY RESIDENTS SURVEY

<b>Topic</b>	<b>Resident Comments and Recommendations</b>
City Water & Sewer	"Drinking water at a reasonable price. Wells are becoming polluted and FGUA is presumably at maximum capacity without building a new plant. Collier County could expand its plant at less cost and provide water to the entire City area.. Eventually septic tanks will have to be replaced by a sewer system."
Street Lighting	"Lighted streets would make me feel more secure." "Better street lighting for safety." "More lighting on intersections."
Density	"Over population." "Raise of population and automobiles." "Overcrowded residential homes . . . I don't believe that 10 to 15 people can live in a 3/2/2 home." "Growth. They are building too many apartments . . . Golden Gate is on a downward spiral as far as I'm concerned." "Single family homes being occupied by too many people." "Street congestion, maybe crime." "Some areas are turning into a slum area like Sunshine, Tropicana, the Parkway, anywhere there is multi-family housing. Also, the problem of many families living in one house should be addressed."

8. If you or members of your family have ever been dissatisfied with something that happened in your Golden Gate neighborhood, please describe in your own words what led to your dissatisfaction in the spaces provided below.

I'M TIRED OF SEEING DUPLEXES AND HOUSES WITH TEN CARS ON THE FRONT LAWN AND LITTER ALL OVER THE PLACE. THERE SHOULD BE SOME KIND OF ORDINANCE LIMITING THE AMOUNT OF PEOPLE THAT ARE NOT RELATED THAT CAN LIVE IN ONE HOUSE.

I have not had any neighborhood concerns or problems that caused me to be dissatisfied.

9. If you were dissatisfied with something in your neighborhood, please explain how you handled the problem in the spaces provided below.

I'VE MADE COMPLAINTS TO CODE ENFORCEMENT BUT THEY ARE SEVERELY UNDERMANNED AND DON'T HAVE THE RESOURCES TO ENFORCE EVERYTHING.

10. What do you see as the top concern of Golden Gate residents over the next two or three years? Please be as specific as you can when describing what you believe most needs attention by County government.

GROWTH - THEY ARE BUILDING TOO MANY APARTMENTS. THESE ~~ARE~~ PLACES RENT TO LOWER INCOME UNSKILLED LABORERS AND ILLEGAL ALIENS. GOLDEN GATE IS ON A DOWNWARD SPIRAL AS FAR AS I'M CONCERNED. THIS IS NOT A RACIST STATEMENT. I CAN SEE WHO'S MOVING OUT AND WHO'S MOVING IN.

Not in my immediate neighborhood.  
I have a fellow worker that lives on 55<sup>th</sup> SW  
and did not receive this survey, she has a  
neighbor that rents out his house and has 5  
different families living in it.

I have not had any neighborhood concerns or problems that caused me to be dissatisfied.

10. What do you see as the top concern of Golden Gate residents over the next two or three years? Please be as specific as you can when describing what you believe most needs attention by County government.

We see Golden Gate City becoming another  
Naples Manor. Not all areas, however,  
lots of areas near 951 and around Sunshine  
Blvd, Tropicana, Hunter, Coronado - especially  
Behind Ace Hardware of 951 and Sunshine Blvd,  
those areas look like the next area for all  
immigrants. Apartments need more supervision by  
Code Enforcement and Immigration.

Maintaining property value. Enforcing zoning as SINGLE-FAMILY Rental properties (most) are poorly maintained and simply bad for property values and traffic concerns. We work hard pay our bills and maintain our home and property extensively. Just because we cant afford a finer neighborhood does not mean we dont deserve equal consideration on code enforcing and maintaining a standard for up-keep on our properties.

my only dissatisfaction is that we live on a street where you have one neighbor who takes great pride in the appearance of their well maintained home & lawn. But next door is the house that looks awful & there are vehicles parked all over the un-mowed lawn.

I have not had any neighborhood concerns or problems that caused me to be dissatisfied.

I wish that the govt. had stricter rules on the upkeep of homes in the area. I feel embarrassed when my family & friends come to my house but on the way have to see trashy houses.

RESTAURANTS SHOULD HAVE A CODING SYSTEM

THE CLEANEST. I LIVED IN SAN DIEGO &  
THIS WORKED GREAT. I'VE BEEN IN A  
RESTAURANT WHO <sup>Page 5</sup> HAS LOST THEIR "A" RATING

ASKED ABOUT IT.

*Flood of immigrants - stacking up like cordwood in single family homes, because they can't afford to do it any other way. Parking as many as 8 cars in drive ways - SEMIS, BOATS, TRAILERS, MOTOR HOMES. I know 15 yrs ago we had to put our motor home in a storage area up in Bonita Springs. No more than 2 cars in the driveway except for special events. No boom boxes. GARBAGE Receptacles left out for days. Sprinklers RUNNING DAILY AT SOME HOMES. (NO ENFORCEMENTS)*

My husband and I reported a drunk driver one evening. We followed him/her up, down and around South Golden Gate City for over 20 minutes while we talked to the dispatcher. The driver eventually got away from us (our safety became an issue when he/she realized they were being followed). I feel that the "maze" made it difficult for the officer to find us.

I have not had any neighborhood concerns or problems that caused me to be dissatisfied.

sewer/septic - we need sewer & water service. Our quality of water is terrible. Also, the smell of our water is very bad. The whole issue keeps property values low. The Golden Gate / Winn Dixie & K Mart areas are bad. I don't shop there without my husband, and even he doesn't like going there. We prefer to go down to Santa Barbara & Radio, but we wish we could shop here.

8. If you or members of your family have ever been dissatisfied with something that happened in your Golden Gate neighborhood, please describe in your own words what led to your dissatisfaction in the spaces provided below.

Golden Gate used to be a nice place to live. My kids can't ever go outside to play because how much the neighborhood has gone down in the past 10 yrs. All of the apartments they have built around Green Blvd and Sunshine are dumps and makes the neighborhood look like the Ghetto.

I have not had any neighborhood concerns or problems that caused me to be dissatisfied.

9. If you were dissatisfied with something in your neighborhood, please explain how you handled the problem in the spaces provided below.

I had my 1 yr old son on my bike & decided to cross Sunshine to go for a ride on my bike with my son. We were going to ride to my Great Grandmother's to visit near Hutchy Park when I was almost attacked in broad Daylight by a bunch of hoodlums. How did I solve it? I never leave my house for walks or bike rides. The neighborhood is even worse

10. What do you see as the top concern of Golden Gate residents over the next two or three years? Please be as specific as you can when describing what you believe most needs attention by County government.

For all of the home owners <sup>to</sup> clean up <sup>then.</sup> who lives in the area (non-home owners) who are trashing our neighborhoods. They hold no financial loss we do. We need more regulations here or we will keep being considered the Golden Ghetto.

We need a light at Green Blvd + Sunshine.

we still pay more per unit of water  
than those in town - Naples.

10. What do you see as the top concern of Golden Gate residents over the next two or three years? Please be as specific as you can when describing what you believe most needs attention by County government.

Low income housing - Duplexes unkept  
Absentee land lords  
Lack of Code enforcement

Our area has changed in G.G. city and  
no longer has the neat and tidy appearance  
which caused me to fall in love with  
my home of 25 years.
