

Quantity	Scientific Name	Common Name(s)	Origin	State Status*	FNAI**
	<i>Acacia auriculiformis</i>	earleaf acacia	Introduced		
	<i>Acer rubrum</i>	red maple	Native		
	<i>Ardisia escallonioides</i>	marlberry	Native		
1	<i>Amphicarpum muhlenbergianum</i>	blue maidencane	Native		
1	<i>Baccharis halimifolia</i>	salt bush	Native		
1	<i>Bidens alba</i>	spanish needle, beggars tick	Native		
2	<i>Blechnum serrulatum</i>	swamp fern	Native		
	<i>Centella asiatica</i>	spadeleaf	Native		
2	<i>Callicarpa americana</i>	beauty berry	Native		
	<i>Cassytha filiformis</i>	love vine, devil's gut	Native		
	<i>Cladium jamaicense</i>	saw grass	Native		
	<i>Crinum americanum</i>	swamp lilly	Native		
	<i>Cupaniopsis anacardioides</i>	carrotwood	Introduced		
	<i>Cyperus sp.</i>	flatsedge	Native		
	<i>Desmodium sp.</i>	beggars's lice	Native		
	<i>Diodia virginiana</i>	Virginia buttonweed	Native		
	<i>Dioscorea bulbifera</i>	air-potato	Introduced		
	<i>Encyclia tampensis</i>	butterfly orchid	Native		
	<i>Eugenia rhombea</i>	red stopper	Native	Endangered	G5/S1
	<i>Ficus aurea</i>	strangler fig	Native		
	<i>Gnaphalium falcatum</i>	cudweed	Native		
1	<i>Ilex cassine</i>	dahoon holly	Native		
	<i>Ilex vomitoria</i>	dwarf youpon holly	Native		
	<i>Lygodium microphyllum</i>	old world climbing fern	Introduced		
	<i>Mangifera indica</i>	mango	Introduced		
	<i>Melaleuca quinquinervia</i>	melaleuca	Introduced		
	<i>Mikania scandens</i>	climbing hempvine	Native		
	<i>Momordica charantia</i>	balsam apple	Introduced		
1	<i>Myrica cerifera</i>	wax myrtle	Native		
1	<i>Myrsine floridana</i>	myrsine	Native		
	<i>Oeceoclades maculata</i>	monk orchid	Introduced		
1	<i>Parthenocissus quinquefolia</i>	Virginia-creeper, woodbine	Native		
	<i>Panicum hemitomon</i>	maidencane	Native		
	<i>Paspalum geminatum</i>	kissimmee grass	Native		
	<i>Phoenix reclinata</i>	senegal date palm	Introduced		
	<i>Persia borbonia</i>	red bay	Native		
	<i>Phlebodium aureum</i>	golden polypody	Native		
2	<i>Pinus elliottii var. densa</i>	slash pine	Native		
	<i>Pluchea sp</i>	pluchea	Native		

1	<i>Pyschotria nervosa</i>	wild coffee	Native		
	<i>Quercus minima</i>	dwarf live oak	Native		
	<i>Rhodomyrtus tomentosa</i>	downey rosemyrtle	Introduced		
	<i>Rhynchelytrum repens</i>	rose natal grass	Introduced		
	<i>Rubus trivialis</i>	southern dewberry	Native		
2	<i>Sabal palmetto</i>	cabbage palm	Native		
	<i>Schinus terebinthifolius</i>	Brazilian pepper	Introduced		
	<i>Smilax sp.</i>	cat briar	Native		
	<i>Spermacoce prostrata</i>	prostrate false buttonweed	Native		
	<i>Syzygium cumini</i>	java plum, jambolan	Introduced		
2	<i>Taxodium distichum</i>	cypress	Native		
	<i>Tillandsia balbisiana</i>	reflexed wild-pine, northern needleleaf	Native	Threatened	
1	<i>Tillandsia fasciculata</i>	stiff-leaved wild-pine, cardinal airplant	Native	Endangered	
	<i>Tillandsia pruinosa</i>	fuzzywuzzy airplant	Native	Endangered	G4/S1
1	<i>Toxicodendron radicans</i>	eastern poison-ivy	Native		
	<i>Tradescantia spathacea</i>	oyster plant	Introduced		
	<i>Urena lobata</i>	caesar's weed	Introduced		
	<i>Vitis rotundifolia</i>	muscadine grape vine	Native		
	<i>Woodwardia virginica</i>	chain fern	Native		
	<i>Xyris caroliniana</i>	yellow-eyed grass	Native		
	<i>Xyris fimbriata</i>	fringed yellow-eyed grass	Native		

20 * **State Status:** provides status of species according to the Florida Department of Agriculture and Consumer Services

** **FNAI:** provides global rank and state rank according to the Florida Natural Areas Inventory

G4 = Apparently secure globally; G5 = Demonstrably secure globally; S1 = Critically imperiled in Florida

*** **FLEPPCC:** Category I or Category II invasive, exotic species according to the Florida Exotic Pest Plant Council's 2007 Invasive Plant List
