RE: Transmittal of Proposed Petition CP-2008-5, Immokalee Area Master Plan Growth Management Plan Amendments.

Dear Mr. Gauthier:

In accordance with Rule 9J-11.006, F.A.C., Collier County is transmitting three (3) copies of Petition CP-2008-5 Immokalee Area Master Plan Growth Management Plan amendment, one (1) hard copy and two (2) CD's, including all support data, to the Department of Community Affairs. These amendments were reviewed in public hearing by the Collier County Planning Commission on February 16, February 18, March 3, and May 20, 2010. The Collier County Board of County Commissioners approved the transmittal of these proposed Growth Management Plan amendments on June 23, 2010 by the adoption of Resolution 2010-129.

Amendments to the following Elements are included in this transmittal: Immokalee Area Master Plan.

The Exhibits immediately following the Transmittal Resolution reflect changes made by the Collier County Board of County Commissioners in their meeting of June 23, 2010.

Pursuant to Chapter 163.3184, F.S., the Collier County Board of Commissioners hereby requests that the Department of Community Affairs conduct a review of the Plan Amendment transmitted herewith, prior to its final adoption, and the State's subsequent final determination of compliance.

One copy of this entire transmittal package is being sent, on the same date as this letter, to the Southwest Florida Regional Planning Council, South Florida Water Management District, Florida Department of Transportation District One, Florida Department of Environmental Protection, Florida Department of Agriculture & Consumer Services, Florida Department of State/Bureau of Historic Preservation, and Florida Fish & Wildlife Conservation Commission.

This proposed amendment is not applicable to an Area of Critical State Concern. Collier County proposes to hold adoption hearings on this proposed amendment in the fall of 2010. This amendment is believed to be exempt from the twice per year limitation on adoption of comprehensive plan amendments (see attached letter from OTTED). This amendment is not proposed to be adopted under a joint planning agreement.
