All sessions will be conducted during the month of April 2011 in Collier County at various locations. I understand the purpose of these sessions is for Collier County staff to gain citizen views of the current government services we provide. The focus group discussion will be restricted to those service areas under the Board of County Commissioners (BCC) and at a minimum will include views on the following service categories:

Please categorize service areas by interest, with 1 being the most interested and 12 being the least.

I understand my participation is completely voluntary and that I am free to withdraw my consent at any time without any consequence and that I do not have to answer any questions that I do not wish to answer. The information generated by the group will not identify the answers of specific participants unless permission is given. Any personal information you share on this application will only be used for the purpose necessary to conduct government business with you. However, under Florida law, this consent form is a public record and subject to disclosure upon request. If you have any questions about the focus group, please feel free to contact Jecika Cook via email: Jecikacook@colliergov.net or voice: 252-2984.
