Dear Mr. Casalanguida:

Thank you for submitting Collier County's proposed comprehensive plan amendments for our review. Our reference number for this amendment package is **Collier County 11-1**.

We have conducted an inventory of the plan amendment package to verify the inclusion of all required materials. The submission package appears to be complete, and your proposed plan amendment will be reviewed pursuant to Chapter 163, Florida Statutes. Once the review is underway, you may be asked to provide additional supporting documentation by the review team to ensure a thorough review. The Department's ORC report will be mailed to you on or about **June 4, 2011**.

Please be advised that Section 163.3184(8)(c), Florida Statutes, requires the Department to provide a courtesy information statement regarding the Department's Notice of Intent to citizens who furnish their names and addresses at the local government's plan amendment transmittal (proposed) or adoption hearings. In order to provide this courtesy information statement, local governments are required by law to furnish the names and addresses of the citizens requesting this information to the Department. Please provide these required names and addresses to the Department *when you transmit your adopted amendment package* for compliance review. In the event no names, addresses are provided, please provide this information as well. For efficiency, we encourage that the information sheet be provided in electronic format.

If you have any questions please contact Brenda Winningham, Regional Planning Administrator, that will be overseeing the review of the amendments, at (850) 487-4545.

Sincerely,

D. Ray Eubanks, Administrator
