

Section 6

U.S. DOE Grant Requirements

SECTION 6.1: OVERVIEW OF GRANT

The Collier County Master Mobility Plan was funded with an Energy Efficiency and Conservation Block Grant (EECBG) provided by the United States Department of Energy (DOE) under Award Number DE-EE0000783. The grant was created as a result of the American Recovery and

Reinvestment Act (ARRA) of 2009. A copy of the Grant Award can be found in Appendix B. The purpose of this section is to document that all requirements of the DOE Grant for the MMP have been met. Table 6-1 identifies each grant activity metric, along with a description of how each metric has been satisfied by the MMP.

Table 6.1: Grant Activity Metrics

Metric	Description
Initiate Public Involvement Plan	Public Involvement Plan developed March 2010 and updated periodically throughout the project; specific public involvement activities documented in Section 3 of this Report (specifically Figure 3.1 – Timeline of Public Involvement Activities); detailed information related to the public involvement activities undertaken for this project are provided in Appendix A of this Report. The MMP has been a fully transparent process in which the public has been invited to attend and participate in all meetings, workshops, and other activities.
Build Databases/GIS Maps	A list of all data and GIS files available for MMP developed under Phase One; a database of all GIS maps and other data used to develop this Report will be developed and transmitted to Collier County along with the final MMP Report.
Prepare Infrastructure Master Plan (now known as the Conceptual Infrastructure Plan)	The Conceptual Infrastructure Plan is documented in Section 4 of this Report. Policy recommendations for consideration moving into Phase Three of this project are documented in Section 5 of this Report.
Prepare Land Use Master Plan (now known as the Conceptual Land Use Plan)	The Conceptual Land Use Plan is documented in Section 4 of this Report. Policy recommendations for consideration moving into Phase Three of this project are documented in Section 5 of this Report.
Prepare Mobility Master Plan (now known as the Conceptual Mobility Plan)	The Conceptual Mobility Plan is documented in Section 4 of this Report. Policy recommendations for consideration moving into Phase Three of this project are documented in Section 5 of this Report.
Prepare Wildlife Crossings and Habitat Preservation Master Plan (now known as the Conceptual Wildlife Crossings and Habitat Preservation Plan)	The Conceptual Wildlife Crossings and Habitat Preservation Plan is documented in Section 4 of this Report. Policy recommendations for consideration moving into Phase Three of this project are documented in Section 5 of this Report.

Metric	Description
Memorandums of Understanding	A template for Memorandums of Understanding between Collier County and several agencies/organizations was drafted and discussed with primary stakeholder agencies.
Incorporate Recommendations/Changes from Public Workshops into Draft Vision Plan Map	Three public stakeholder meetings were held, along with numerous other opportunities for input prior to developing the Draft Report. Input received at each of these three public stakeholder meetings (February 25, 2011; May 17, 2011; and August 25, 2011) and other public input opportunities was used to develop the Draft Report of the MMP. The Draft Report was made available to public for comment for 58 days (from October 19, 2011 to December 15, 2011); comments were received at the public stakeholder meetings held on November 1, 2011, and November 9, 2011; the Collier County MPO Board Meeting held on November 10, 2011; Collier County Planning Commission Meetings held on December 1, 2011, and December 15, 2011; and via the MMP website for the duration of this period. All comments received were reviewed and incorporated into the Final Report, as appropriate.
Conduct Evaluation of Effects of Vision Plan/Land Use Scenario (placement of public services) on Transportation Map	Documented in Section 4 of this Report.
Document Results of Evaluation Stating Benefits and Disadvantages	Evaluation of Land Use Scenarios documented in Section 4 of this Report; measurable outcomes of the MMP are documented in Section 5 of this Report.
Prepare Draft Vision Plan Report and Submit Draft Vision Plan Report to Collier County for Review	A Draft Report for the MMP was submitted to Collier County on October 19, 2011. A Final Report for the MMP was submitted to Collier County on December 16, 2011.
Incorporate County Staff Revisions and Recommendations into Final Draft Vision Plan Report	A Final Report for the MMP was submitted to Collier County on December 16, 2011, and incorporates County staff revisions and recommendations. Minor revisions to Sections 4, 5, and 6 of the Final Report were provided to Collier County on January 25, 2012.
Provide Support to County Staff for Presentations to CCPC and BCC	Support provided at CCPC presentations on October 6, 2011 and December 1, 2011; support provided at BCC presentations on October 11, 2011 and January 24, 2012.
GMP Recommendations	Policy recommendations for consideration moving into Phase Three of this project are documented in Section 5 of this Report.
Final Map Set	Final Map Set for the Master Mobility Plan is included in the Final Report provided to Collier County.
