Play, Connect & Discover

A balance between work and play, opportunities for personal growth and community involvement, and a sense of both belonging to and ownership of the place one inhabits are all fostered by the green spaces and recreation activities Parks and Recreation provides. In this guide, you will see programs listed for every community park and fitness center - so come in and visit a facility today!

Dear Collier County Residents and Visitors,

While the beginning of fall in Collier County doesn't bring a dramatic change in the weather until November or December, there are distinct changes in the air. Children returning to school also bring fall sports--lacrosse, baseball, flag football, soccer, cheerleading, and basketball to name a few. Max Hasse Community Park, East Naples Community Park, Veteran's Community Park, Immokalee Community Park, and Golden Gate Community Center welcome their

new Voluntary Pre-Kindergarten classes and these four-year old students begin their quest for learning and exploring the world they live in. We also begin preparing for our fall events. Halloween and Christmas are ones that excite the young and delight the parents as they watch their children experience these joyful occasions. Snow in the air? You got it with the 27th annual Snow Fest at Golden Gate Community Park. Our visitors from the north will be here to reestablish their Collier County connections. We welcome them back as we assist them in their efforts to Play, Connect, and Discover all of the beauty our community provides.

Sincerely,

Parks & Recreation Director

You can make a difference in a child's life!

Project STAR provides more than the satisfaction that comes with helping improve the health and well-being of children. It delivers a rare opportunity to witness young lives lifted over time.

Your contributions are not given directly to a child. Instead, your contributions are pooled with other contributors to provide community-based programming for all eligible children in the area. Your generous contributions can help send a child to our Summer Camp Program, After School Program or any program offered by Collier County Parks and Recreation.

Thank you for helping children in your community.
