The Collier County Parks and Recreation Department invites you to visit one of our beautiful recreation centers, parks or beaches to...

Play, Connect & Discover

Our department strives to contribute to your quality of life. A balance between work and play, opportunities for personal growth and community involvement, and a sense of both belonging to and ownership of the place one inhabits are all fostered by the green spaces and recreation activities Parks and Recreation provides. In this guide, you will see programs listed for every community park and fitness center - so come in and visit a facility today!

Dear Collier County Residents and Visitors,

"Fall is here and it's time to get off the couch and take control of your health. All ages are afflicted by the potential of a serious health crisis from sedentary lifestyles and unhealthy habits. But there is a solution. It doesn't cost a lot and is available throughout Collier County—a local park. Whether its baseball, basketball, soccer, or Zumba get out there and strive to become more active. You can now keep your canine healthy too. Dogs can also become couch potatoes if you let them. Take your favorite dog to a park

nearest you for a relaxing walk—bring a leash and just remember to pick up after Rover if you need to—we've even supplied the bags for you to do so.

Collier County Parks and Recreation is also devoted to the preservation of natural resources and the promotion of good conservation and stewardship through the Conservation Collier program. Taxpayers voted in 2003 to protect Collier County's most precious resource—its undeveloped land. Camping, horseback riding, and enjoying the wild flowers are available to you at Pepper Ranch. Take a moment to introduce yourself to one of the 19 preserves managed by Conservation Collier to enjoy the beauty of our area. Bask in the solitude and clean air of a preserve as you contemplate how it was in Florida years before development came.

No matter where you come from, what your age, or your income level Collier County Parks and Recreation has something for you. Programs, facilities, and places are what have made our community one of the nicest places in the world to live. Your reading this allows you the unique privilege of connecting with one of our many beach, community, or neighborhood parks. You can visit Barefoot Beach Preserve, which was named this past year as Dr. Beach's 6th best beach park in the United States. Come on down to Margood Park and see how times used to be at the restored Margood Store. Do some fishing off our docks at Cocohatchee River Park. Whatever your activity, whatever your passion remember not only does it Start in Parks—it Starts in a Collier County Park!"

Sincerely,

Barry Williams
Parks & Recreation Director

VOLUNTEER OPPORTUNITIES!

Coaches:

We need coaches for Youth Flag Football, Soccer, and Basketball. It's not too early to sign up as a coach for any event. Coaches will be responsible for running one week night practice each week and for the game on Saturday. These opportunities are located primarily at North Collier Regional Park.

Group Projects:

Throughout the year we work with individuals or groups to assist us with special projects such as beach cleanups or landscaping/maintenance in our parks and community centers. Please contact us for information or to suggest a project. We need at least 4 weeks notice if your group wants to schedule an event.

Community and Regional Parks & Nature Preserves Opportunities:

This would include a broad range of activities including but not limited to:

- Center Programs
- After School Programs
- Summer Programs
- Athletic Activities
- Special Events
- Building and Ground Maintenance
- Customer Service
- Seeking adult volunteers for guided trail hikes and presentations on the history and nature of Pepper Ranch Preserve in Immokalee

AMERICANS WITH DISABILITIES

Collier County complies with the Americans With Disabilities Act (ADA) which prohibits discrimination on the basis of disability. Collier County makes reasonable accommodations in all programs to enable participation by an individual with a disability who meets essential eligibility requirements.

Collier County Parks & Recreation now offers gift cards available to purchase. Gift cards make the perfect present for holidays, birthdays, graduations, or any special occasion. Our Gift cards can be purchased for any amount you choose for Collier County Parks & Recreation services or merchandise. Purchase your Gift Card at any Collier County Community Center, Fitness Center or Aquatic Facility.

Note: All the information in this guide is believed to be up-to-date and accurate as of July 2013. Programs and schedules are subject to change and facilities may expand or change. We apologize for any information that may be changed due to unforeseen circumstances.

You can make a difference in a child's life!

Project STAR provides more than the satisfaction that comes with helping improve the health and well-being of children. It delivers a rare opportunity to witness young lives lifted over time. Your contributions are not given directly to a child. Instead, your contributions are pooled with other contributors to provide community-based programming for all eligible children in the area. Your generous contributions can help send a child to our Summer Camp Program, After School Program or any program offered by Collier County Parks and Recreation.

Thank you for helping children in your community.

Beach Parking

Residents pay for beach parking permits in their property taxes and may pick up a beach parking permit at any community center at a Collier County Park. Park offices are open from 9:00a.m. - 5:00p.m. Residents are required to provide documentation proving their residency.

Without a beach parking permit, individuals must pay an \$8 parking fee at any of Collier County's beach parking facilities including the Vanderbilt Beach Garage.

COLLIER COUNTY PROPERTY OWNERS BEACH PARKING PERMIT:

Full Time Resident

- Valid Florida Driver's License or a Voter's Registration Card displaying a Collier County residence address, *and*

CONSERVATION COLLIER

For
*Present and
Future Generations*

www.colliergov.net/conservationcollier

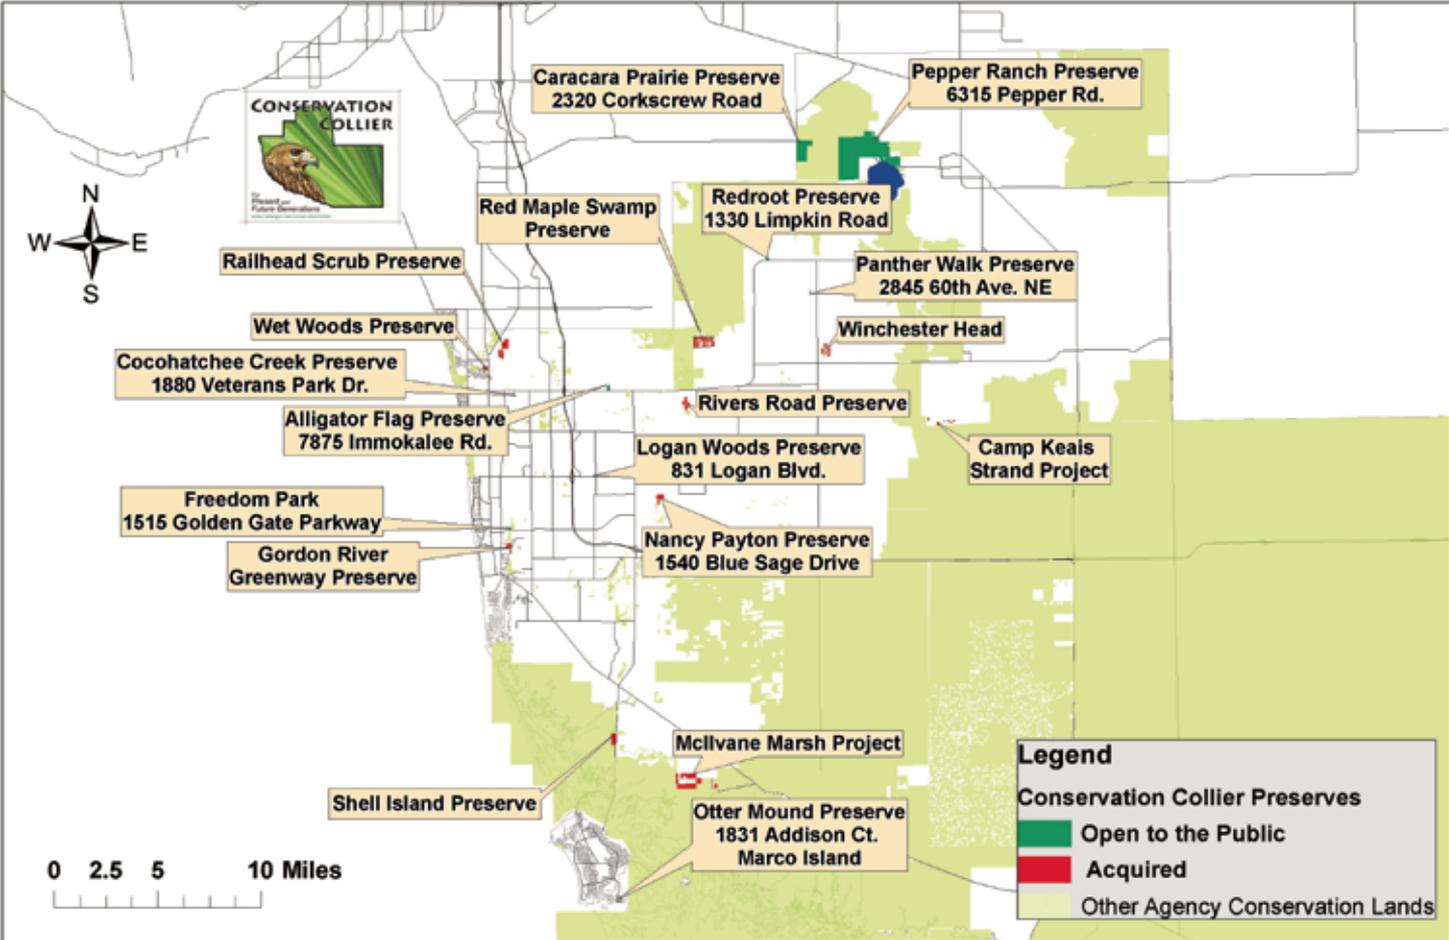

Recently relocated into the Parks and Recreation Department, Conservation Collier is Collier County's voter mandated environmentally sensitive land acquisition and management program. Conceived in community focus groups with broad citizen input, it was modeled after other similar conservation land acquisition programs that had been created around the state. Like these other programs, it was a community mandated response to several decades of rapid growth which created citizen concern about impacts on valuable ecosystems, wildlife, and ground and surface waters. A voter referendum placed on the 2002 ballot by local concerned environmental groups asked voters if they would agree to tax themselves to buy and manage environmentally sensitive lands within Collier County. It was approved by 62% of voters and reaffirmed by voter referendum again in 2006 by 82%. The primary objective of Conservation Collier is to acquire, preserve, restore, and maintain vital and significant threatened natural lands, forest, upland and wetland communities located in Collier County, for the benefit of present and future generations. An ancillary purpose of the Program is to have the acquired sites available, with minimal risk to

the environmental integrity of the site, to educate Collier County's school-age population and the general public about the uniqueness and importance of Collier County's subtropical ecosystems and natural communities.

At the Program's inception, the Collier County Board of County Commissioners (Board) appointed a Land Acquisition Advisory Committee (Committee) to consider and make recommendations on offered properties. Nine Committee members were appointed comprising a broad and balanced representation of the interests of Collier County citizens, including environmental and conservation interests, agricultural and business interests, educational interests and general civic and citizen interests. This Committee, called the Conservation Collier Land Acquisition Advisory Committee (CCLAAC), reviewed nominations from willing sellers around the County and made recommendations to the Board which have resulted in Board approval and acquisition of 4,060 acres in 19 project locations throughout Collier County. Acquisitions continued through January 2011, when reduced income resulting from the economic downturn forced the program to dedicate remaining levy funding to long term management.

Today, the Conservation Collier Program provides visitor amenities such as trails, parking, benches, and signage, with 9 preserves open for public use. Public uses include hiking, nature photography, bird watching, geocaching and hunting on selected preserves. The map below shows the location of all properties, with those open for visitor use in dark green and all others in red. Staff is working to open almost all remaining properties for visitor use by 2018. A few preserves will not be available for visitor use as they do not have physical or legal access and site conditions make them unsafe for general public visitation. Please visit the Conservation Collier website at www.colliergov.net/ConservationCollier and facebook page for more information.

CONSERVATION COLLIER LANDS

CARACARA PRAIRIE PRESERVE

Collier County's Conservation Collier Program and the Corkscrew Regional Ecosystem Watershed Land and Water Trust (CREW) acquired the 368 acre Caracara Prairie Preserve in December 2007. Since then, the creation of the Caracara Prairie

Preserve trail has been a community effort. CREW interns Alex Knoll and Melanie Perez organized a service learning event and recruited about 20 people to dig holes and install the 197 trail marker posts used to mark the trails. Nick McNamara, a boy scout from Naples, designed trail "kissing gates" that allow hikers through cattle fences that run through the property. Under Nick's supervision, his troop constructed and installed nine gates as part of his Eagle Scout project. Conservation Collier staff and CREW staff and volunteers

Painted, made signs, created maps, and put the finishing touches on the hiking trail prior to its public opening on June 2, 2012.

Hiking along the 2.6 mile Caracara Prairie Preserve trail, visitors will get a sense of "Old Florida" as the trail winds through cabbage palm forests, pine flatwoods, oak hammocks and skirts freshwater marshes and pasture lands. The preserve is home to caracaras, gopher tortoises, sandhill cranes, white-tailed deer, wild turkeys, swallow-tailed kites, and much more. The active cattle lease on the preserve provides an additional adventure of viewing cows while hiking.

Limited hunting is available at Caracara Prairie Preserve, which was incorporated into the CREW Wildlife and Environmental Area (WEA) in March 2012. Hunting within the WEA is regulated by the Florida Fish & Wildlife Conservation Commission (FFWCC).

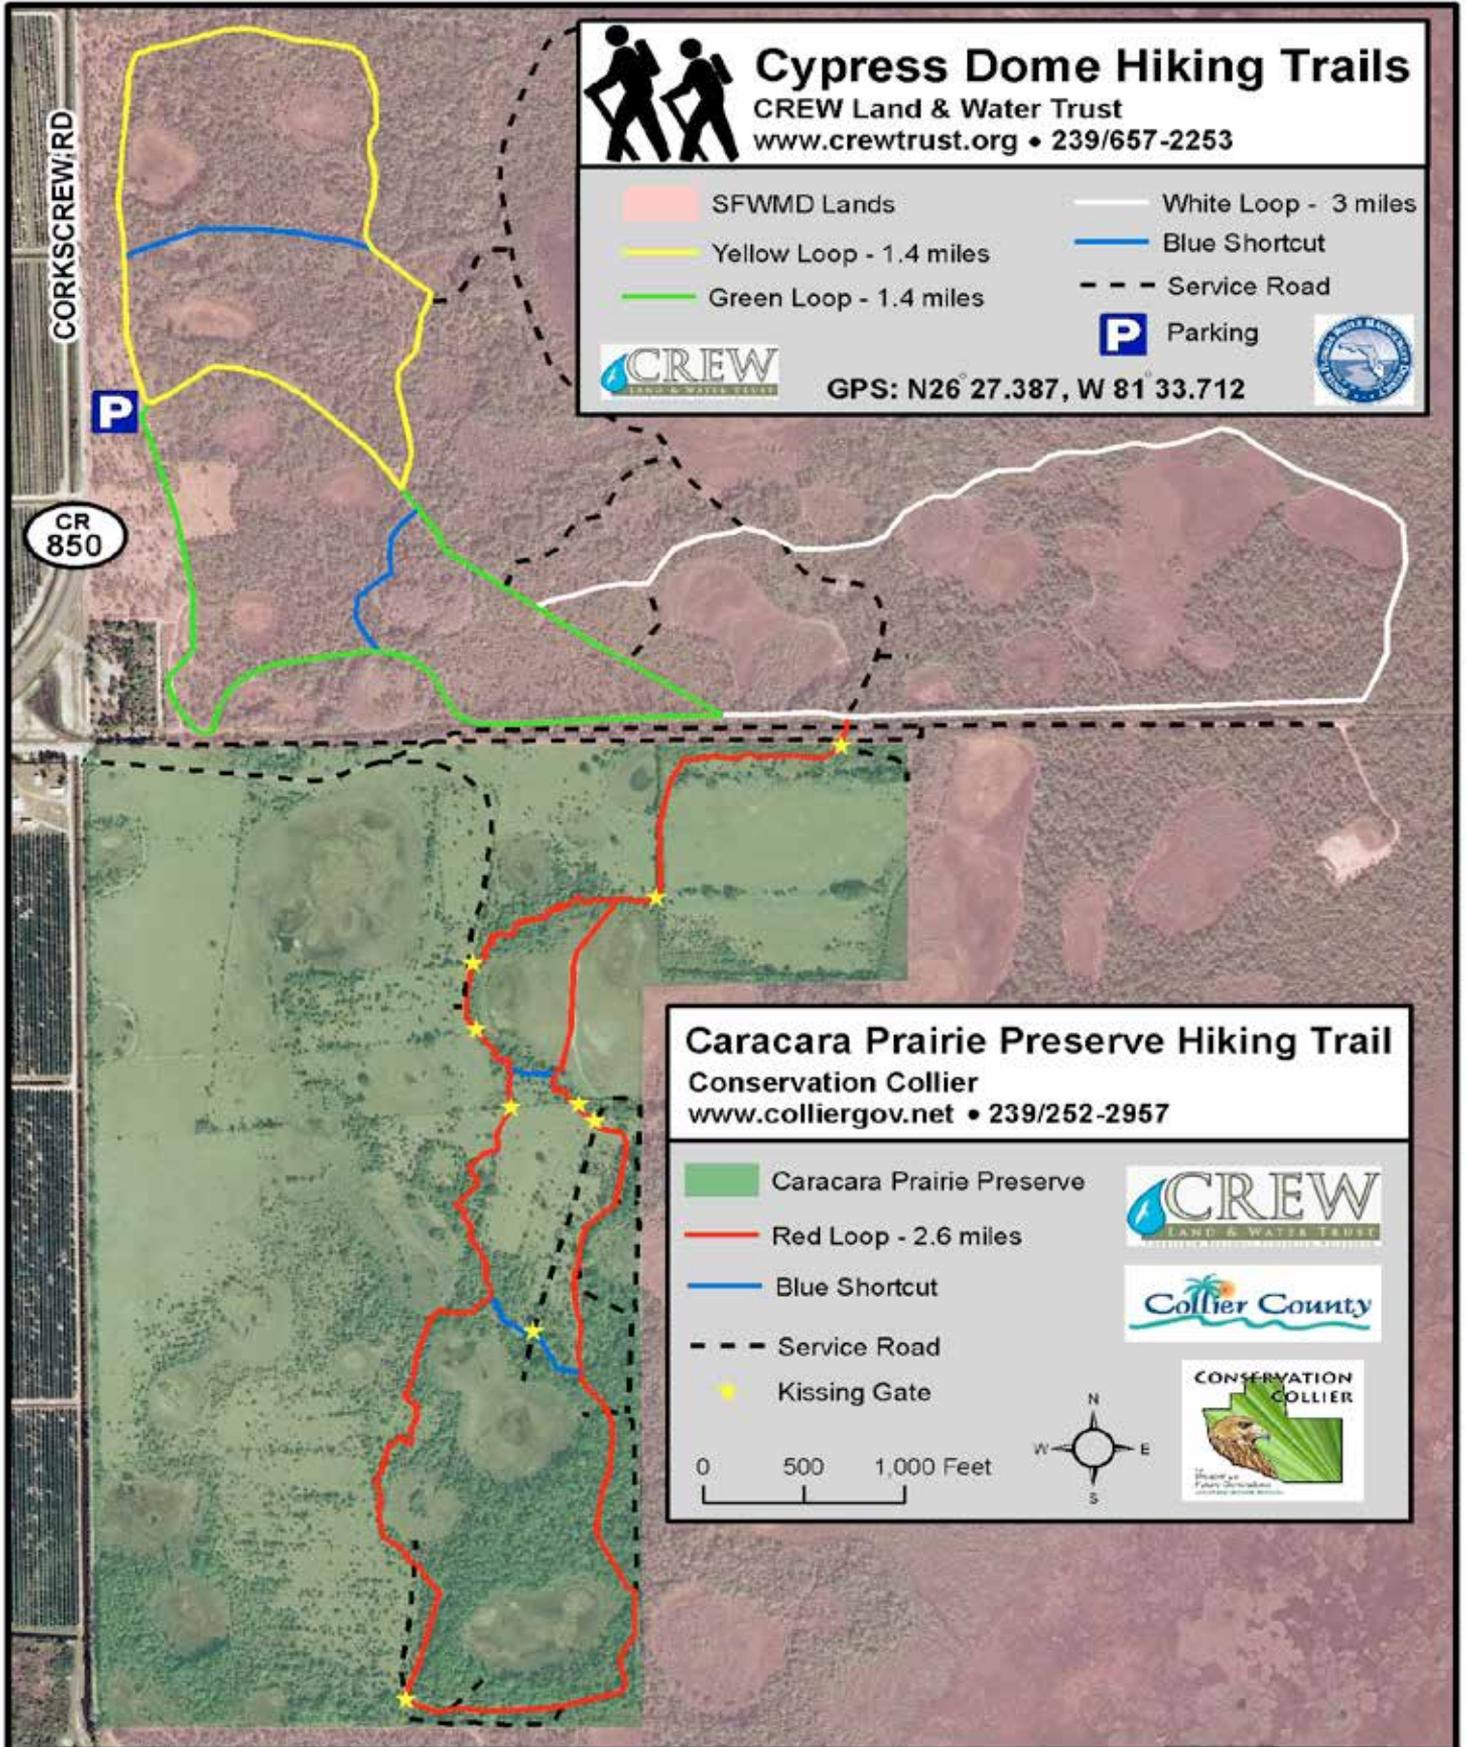

There are several quota hunts at CREW each year – a general gun season, a muzzleloading season, a small game season, an archery season, and two spring turkey seasons. For more information about hunting, getting quota permits, and season dates, check the FFWCC website -www.myfwc.com/hunting.

Caracara Prairie Preserve is accessible from the CREW Cypress Dome Trails. Visitors can park in the Cypress Dome Trailhead parking area, located approximately 1 mile past the Caracara Prairie Preserve entrance along Corkscrew Road, and hike the Yellow and Green Loop to a crossover ditch that leads to the Caracara Prairie Preserve "Red Trail". When hunting seasons are in session, signs will be posted and trails will be closed to other user groups including hikers, bikers, and horseback riders.

Directions to the CREW Cypress Dome Trails:

Travel I-75 N to exit 123 (Corkscrew Rd.). Travel 14 miles east on Corkscrew Rd. The Cypress Dome Trails will be on your right just past a big curve to the left (north). Look for the brown trail signs.

THINGS TO KNOW

Registration Information

The department encourages you to take advantage of the many programs available. Classes usually run six (6) weeks in length unless specified otherwise. Walk-in registration times are 9am to 5pm, Monday through Saturday at community centers.

Facility Rentals

The department offers many options for facility rentals indoors and outdoors.

Instructor Opportunities

Do you want to make extra money? There are opportunities at your local county park to teach something that you are trained and able to do.

Volunteering

The department has numerous opportunities for you to feel good while making a difference in your community. Help with programs, coach or work a special event. Call (239) 252-4000 and ask for the Volunteer Coordinator.

Gift Certificates

Give the gift of fitness, fun, sports, learning and recreation. For further information, call (239) 252-4000.

Scholarships

These are available for qualified families. Call (239) 252-4000 for more information.
