

EXECUTIVE SUMMARY
Committee Action
Item 6C
Approval of Bid Award

Objective:

For the Committee to recommend approval to award Bid #13-6103 Design and Installation Bus Wrap Decals to ABC Bus, Inc.

Considerations:

On June 14, 2013, the Purchasing Department sent out 221 notices for the “Design and Installation Bus Wrap Decals.” The Bid was specifically for the design and installation of a trolley like full bus wrap on the buses. The County shall own the final wrap design provided by the Contractor and chosen by the County. The Contractor will provide a final design that at the time of the County’s acceptance could be trade or service marked by the County. Ownership (copyright and title) of the final wrap design will become the property of the County, having unlimited, indefinite and royalty-free use of the design upon payment of all fees to provide the design.

The County received three (3) bids on June 27, 2013. Upon reviewing the bids, Staff determined one non-responsive. Staff recommends awarding the Bid #13-6103 to the lowest, qualified and responsive bidder (ABC Bus, Inc.) based on the total base bid.

Description	ABC Bus, Inc.	Unisource Graphics & Signs
Full Bus Wrap/Full Bus Wrap (Remove old vinyl)
