

An aerial photograph showing a long stretch of white sandy beach along the Gulf of Mexico coastline. The water is a clear, light blue-green color. To the right of the beach, there is a dense residential and commercial area with various buildings, including hotels and apartment complexes. A road runs parallel to the beach, and there are several parking lots. In the foreground, there is a large green field, likely a park or sports field. The overall scene depicts a typical coastal city environment.
