

Navigating the Streamlined Government

The Florida Department of Environmental Protection and Collier County Government invite the public, the business community, and the regulated businesses to an Open House Education Event on January 29, 2014, at the North Collier Regional Park. Learn to use government knowledge to get your project through the system faster and more efficiently.

Wednesday, January 29, 2014

2:00 p.m. – 7:00 p.m.

North Collier Regional Park, Exhibit Hall

15000 Livingston Road N.

Naples, Florida 34109

Agenda:

- 3:00 p.m. – 4:00 p.m. Educational courses on wetland determinations, wetland permitting and mitigation, as well as asbestos training
- Public opportunity to schedule appointments with agency representatives to discuss specific projects. RSVP to Julie Furlong at 239.344.5652 or Julie.Furlong@dep.state.fl.us
- Open Exhibits for agencies to display their programs and provide information for visitors

This is a great opportunity to put a face with a name and unravel the mystery of the different levels of permitting, compliance assistance, local regulations, and how to quickly move through all of the layers. In addition, visitors will have an opportunity to learn about the State and County Parks, Rookery Bay Estuarine Research Reserve, and other parts of Collier County that make it such a great place to live, play and work.
