

## EXECUTIVE SUMMARY

**Recommendation to award Request for Quotations (RFQ) #10-5510-30S to Surety Construction Company, in the amount of \$181,401, for the construction of the “Clam Pass Tramway Station,” approve the necessary funding increase in the amount of \$85,347.36, and make a finding that this expenditure promotes tourism.**

---

**OBJECTIVE:** To replace the existing Clam Pass Park Tram Station structure for the public that is cost effective.

**CONSIDERATION:** County staff had previously recommended an award to Wright Construction Group based on the initial RFQ issued by purchasing for \$164,146.00. On July 2, 2013, the Purchasing Department sent four notices to vendors for RFQ #10-5510-30S for the construction of the Clam Pass Tramway Station a Collier County Beach Park Facility. A non-mandatory pre-quote meeting was held on July 17, 2013, and three contractors attended. Three quotes were received on July 22, 2013 as shown below. Staff reviewed the unit pricing on the bid tab and recommended the award to Wright Construction Group, the lowest, qualified responsive bidder.

On November 25, 2013 the Tourist Development Council approved the award to Wright Construction Group, however the quotes had expired before the work order could be approved by the Board of County Commissioners and therefore new quotes were required to be solicited.

On January 24, 2014, the Purchasing Department sent three notices to vendors for RFQ #10-5510-30S for the construction of the Clam Pass Tramway Station. A non-mandatory pre-quote meeting was held on January 29, 2014, and three contractors attended. Three quotes were received on February 6, 2014 as shown below. Staff reviewed the unit pricing on the bid tab and is recommending the award to Surety Construction Company, the lowest, qualified responsive bidder.

	<b>Contractor</b>	<b>Bid</b>
1	Surety Construction Company	\$181,401.00
2	Bradanna, Inc.	\$187,799.00
3	Wright Construction Group	\$189,758.51

**FISCAL IMPACT:** Funding in the amount of \$96,053.64 from Tourist Development revenues is available and appropriated for this Project No. 80187 (Clam Pass Tramway Station) within the Parks and Recreation Beach Park Facilities Capital Fund 183 (TDC Beach Parking Facilities). An additional \$85,347.36 is requested as a Budget Amendment.

**GROWTH MANAGEMENT IMPACT:** There is no impact to the Growth Management Plan from this action.

**ADVISORY BOARD RECOMMENDATION:** The Parks and Recreation Advisory Board previously approved this project with a 5-0 vote on March 20, 2013.

**LEGAL CONSIDERATIONS:** This item has been approved as to form and legality and requires majority vote for approval. - CMG

**RECOMMENDATION:** That the Tourist Development Council recommends award of RFQ #10-5510-30S to Surety Construction Company, for the Clam Pass Tramway Station Construction, Project No. 80187, in the amount of \$181,401, approves the necessary present total funding request, and makes a finding that this project expenditure promotes tourism.

Prepared by: Margaret A. Bishop, P.E., Senior Project Manager, Facilities Management Department

## TERRY KELLY, PRESIDENT PROPOSED PROJECT EXECUTIVE

Over the years, Terry has served in all capacities, from Superintendent, Project Manager and Vice President to his current role as President. Terry has overseen construction of millions of square feet, and brings 30 years of construction management experience. Terry's hands-on and no-nonsense approach has become a company philosophy, which is reflected by the highest quality of work that resulted in numerous repeat clients.

Terry is also highly trained in safety and also serves as the firm's Safety Director. Terry insists that every member of the construction team receive OSHA Certification. His vast knowledge and experience in construction allows him to "wear many hats" and expertly oversee each project from all aspects.
