

EXECUTIVE SUMMARY

Request that the Tourist Development Council approve the expenditure of \$32,160 for the purchase of an ADA beach access wheelchair and wildlife proof trash/recycling receptacles for Collier County beach park facilities and make a finding that this expenditure promotes tourism.

OBJECTIVE: To keep our beach park facilities clean and ADA compliant for the benefit of the public.

CONSIDERATIONS: On April 22, 2013, the Tourist Development Council approved the Category “A” grant applications submitted by the Parks and Recreation Department.

The grant applications included one for the Barefoot Beach Preserve projects and one for beach parks wildlife proof trash containers. The TDC approved \$3,000 to purchase an ADA beach access wheelchair and up to \$30,000 to purchase and install wildlife proof trash and recycling stations throughout county beach park facilities.

Upon approval of the expenditure by the TDC, the Department obtained quotes for the items and requests that the TDC approve the \$32,160 expenditure to place the purchase through a Purchase Order. According to the Purchasing Policy, a purchase under \$3,000 only requires one quote. Therefore, the ADA wheelchair will be purchased with Deming Designs. The trash/recycling receptacles will be purchased from the vendor with the lowest price per item.

FISCAL IMPACT: Funding in the amount of \$30,000 for wildlife proof trash receptacles and \$3,000 for an ADA beach access wheelchair as approved from the TDC Fund 183 (beach park facilities).

Item	Cost (each)
ADA Wheelchair-Deming Designs	\$2,620.00
Mini Depot Recycling Enclosure-BearSaver	\$1,180.00
Mini Depot Recycling Enclosure-Global Industrial	\$1,282.50
Mini Depot Recylcing Enclosure-Securr	\$1,180.00

GROWTH MANAGEMENT IMPACT: There is no impact to the Growth Management Plan from this action.

LEGAL CONSIDERATIONS: This item has been approved as to form and legality and requires majority vote for approval. - CMG

ADVISORY BOARD RECOMMENDATION: The Parks and Recreation Advisory Board approved this project with a 5-0 vote on March 20, 2013.

RECOMMENDATION: That the TDC approve the expenditure of \$32,620 for the purchase of an ADA beach access wheelchair and wildlife proof trash/recycling receptacles and make a finding that this expenditure promotes tourism.
