The Collier County Parks and Recreation Department invites you to visit one of our beautiful recreation centers, parks or beaches to...

Play, Connect & Discover

Our department strives to contribute to your quality of life. A balance between work and play, opportunities for personal growth and community involvement, and a sense of both belonging to and ownership of the place one inhabits are all fostered by the green spaces and recreation activities Parks and Recreation provides. In this guide, you will see programs listed for every community park and fitness center - so come in and visit a facility today!

Dear Collier County Residents and Visitors,

Our northern visitors have gone home. Now is the time for the locals to play. Enjoy your parks system with the new found room to explore.

Our pools at Immokalee Sports Complex, Golden Gate Community Park, and North Collier Regional Park are ready to keep you cool and beat the heat. We have splash pads for all ages, but they are a special hit for the little ones at Vineyards Community Park and Eagle Lakes Community Park. Watch our progress as well at Eagle Lakes Community Park as our newest community center is being built. Take a class, enroll your child for a summer camp near you, make a pact to get fit; all at your local parks. Remember it "Starts At Parks" and especially at a Collier County Park.

Sincerely,

Barry Williams
Parks & Recreation Director

IT STARTS IN

VOLUNTEER OPPORTUNITIES!

Call Meryl Rorer at 252-4033

Coaches:

We need coaches for Youth Flag Football, Soccer, and Basketball. It's not too early to sign up as a coach for any event. Coaches will be responsible for running one week night practice each week and for the game on Saturday. These opportunities are located primarily at North Collier Regional Park.

Group Projects:

Throughout the year we work with individuals or groups to assist us with special projects such as beach cleanups or landscaping/maintenance in our parks and community centers. Please contact us for information or to suggest a project. We need at least 4 weeks notice if your group wants to schedule an event.

Community Center Opportunities:

This would include a broad range of activities including but not limited to:

- Center Programs
- After School Programs
- Summer Programs
- Athletic Activities
- Special Events
- Building and Ground Maintenance
- Customer Service

You can make a difference in a child's life!

Project STAR provides more than the satisfaction that comes with helping improve the health and well-being of children. It delivers a rare opportunity to witness young lives lifted over time.

Your contributions are not given directly to a child. Instead, your contributions are pooled with other contributors to provide community-based programming for all eligible children in the area. Your generous contributions can help send a child to our Summer Camp Program, After School Program or any program offered by Collier County Parks and Recreation.

For more information visit our website at www.collierparks.com or call 239-252-4045.

Thank you for helping children in your community.

Beach Parking

Residents pay for beach parking permits in their property taxes and may pick up a beach parking permit at any community center at a Collier County Park. Park offices are open from 9:00a.m. - 5:00p.m. Residents are required to provide documentation proving their residency.

Without a beach parking permit, individuals must pay an \$8 parking fee at any of Collier County's beach parking facilities including the Vanderbilt Beach Garage.

COLLIER COUNTY PROPERTY OWNERS BEACH PARKING PERMIT:

Full Time Resident

- Valid Florida Driver's License or a Voter's Registration Card displaying a Collier County residence address, *and*
- Valid vehicle registration displaying a Collier County residence address

BOTH documents must be original, and display the same name and Collier County residence address

Part Time Resident

- Valid Driver's License (regardless of state), *and*
- Valid vehicle registration/rental car agreement, *and*
- Current Collier County property tax bill or current closing papers for property

ALL 3 documents must display the property owner's name

Mobile Homes: (if not a full time resident)

- Mobile Home Owners must own the land the home is on to qualify for a resident beach parking permit. Taxes paid on property attachments i.e., sheds, screen porches, car ports etc. do not qualify the payer as a "property owner"

VISITOR/NON-RESIDENT BEACH PARKING PERMIT

- Annual Beach Parking permit is for visitors and part time residents who do not own property in Collier County
- Cost is \$50

Permits are valid for one year from the month of purchase.

CONSERVATION COLLIER

For
*Present and
Future Generations*

www.colliergov.net/conservationcollier

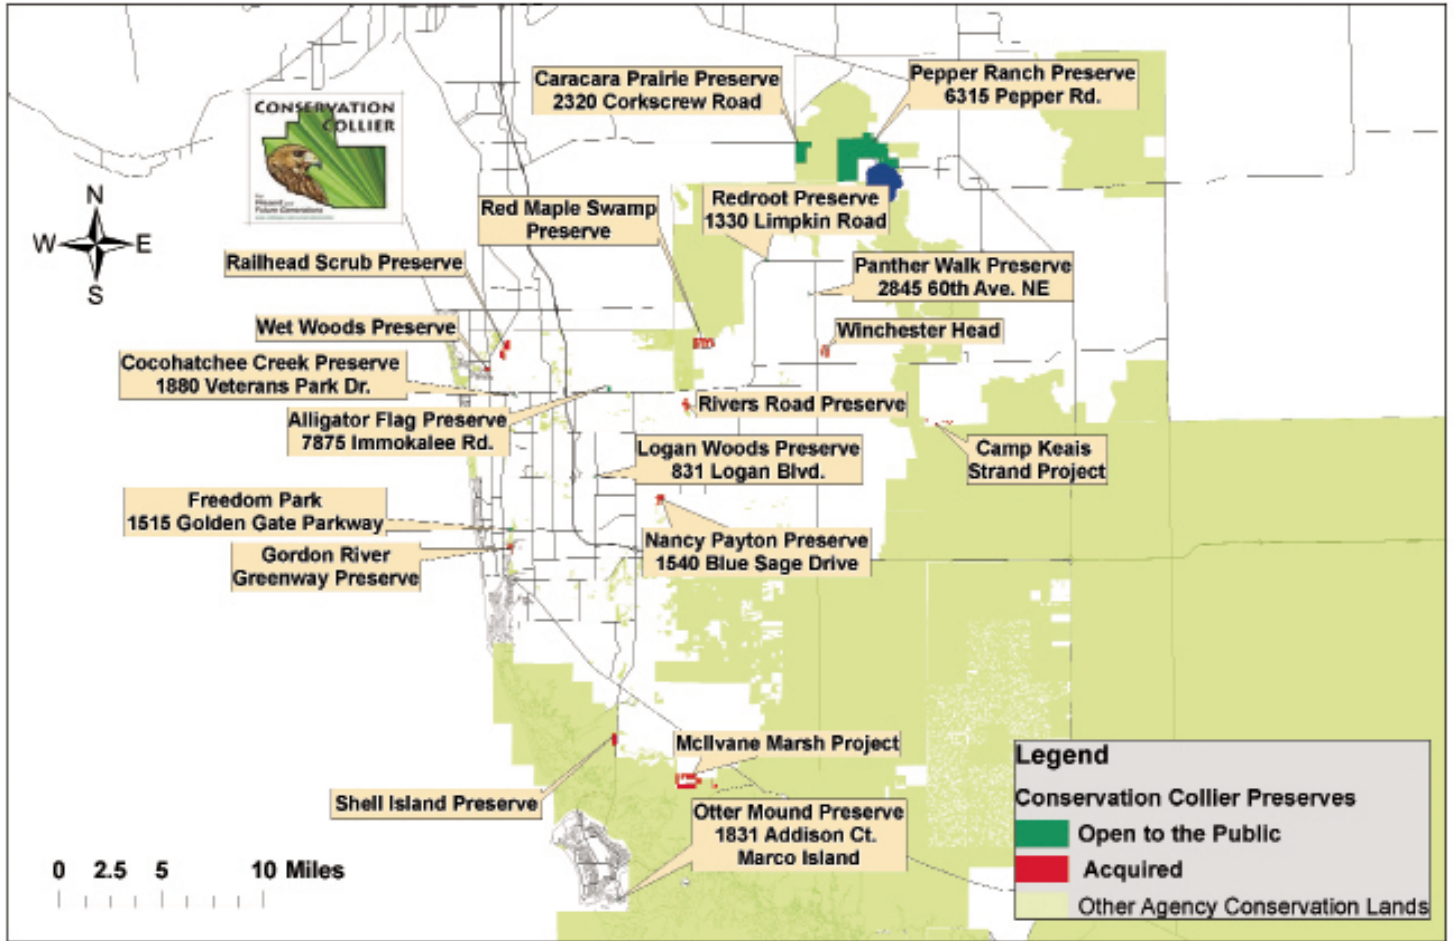

Conservation Collier is Collier County's voter mandated environmentally sensitive land acquisition and management program. Conceived in community focus groups with broad citizen input, it was modeled after other similar conservation land acquisition programs that had been created around the state. Like these other programs, it was a community mandated response to several decades of rapid growth which created citizen concern about impacts on valuable ecosystems, wildlife, and ground and surface waters. A voter referendum placed on the 2002 ballot by local concerned environmental groups asked voters if they would agree to tax themselves to buy and manage environmentally sensitive lands within Collier County. It was approved by 62% of voters and reaffirmed by voter referendum again in 2006 by 82%. The primary objective of Conservation Collier is to acquire, preserve, restore, and maintain vital and significant threatened natural lands, forest, upland and wetland communities located in Collier County, for the benefit of present and future generations. An ancillary purpose of the Program is to have the acquired sites available, with minimal risk to the environmental integrity of the site,

to educate Collier County's school-age population and the general public about the uniqueness and importance of Collier County's subtropical ecosystems and natural communities.

At the Program's inception, the Collier County Board of County Commissioners (Board) appointed a Land Acquisition Advisory Committee (Committee) to consider and make recommendations on offered properties. Nine Committee members were appointed comprising a broad and balanced representation of the interests of Collier County citizens, including environmental and conservation interests, agricultural and business interests, educational interests and general civic and citizen interests. This Committee, called the Conservation Collier Land Acquisition Advisory Committee (CCLAAC), reviewed nominations from willing sellers around the County and made recommendations to the Board which have resulted in Board approval and acquisition of 4,055 acres in 19 project locations throughout Collier County. Acquisitions continued through January 2011, when reduced income resulting from the economic downturn forced the program to dedicate remaining levy funding to long term management.

Today, the Conservation Collier Program provides visitor amenities such as trails, parking, benches, and signage, with 9 preserves open for public use. Public uses include hiking, nature photography, bird watching, geocaching and hunting on selected preserves. The map below shows the location of all properties, with those open for visitor use in dark green and all others in red. Staff is working to open almost all remaining properties for visitor use by 2019. A few preserves will not be available for visitor use as they do not have physical or legal access and site conditions make them unsafe for general public visitation. Following is a list and brief description of several of the preserves currently open to the public with trails, benches and signage. Please visit the Conservation Collier website at www.colliergov.net/ConservationCollier and facebook page for more information.

CONSERVATION COLLIER LANDS

ALLIGATOR FLAG PRESERVE

Location: 7875 Immokalee Road, Naples. The preserve is located east of I-75 along Immokalee Road, on the north side of the road across from the Gulf Coast High and Laurel Oak Elementary Schools.

There is no vehicle parking available for this preserve. It is accessible by foot and bike from the Greenway bike and foot path located along the north side of Immokalee Road. A bike rack is provided at the trail entrance where visitors can access the approximately 1 mile long seasonal trail system. The trail loops through the preserve and through each of the habitat types. A bench along the trail provides a comfortable spot to rest. The trail is only accessible during dry season, as the entire preserve typically retains standing surface water during rainy season.

There are no restroom facilities at this preserve.

Many species of wildlife have been recorded on the preserve, including wetland dependent and migratory bird species, black bear, deer, racoon and a ribbon snake. The preserve is also home to the threatened (state) Big Cypress fox squirrel and suitable for foraging by the endangered (state and federal) wood stork (*Mycteria americana*) and lies within the Corkscrew Swamp Sanctuary Wood Stork Core Foraging Area.

CARACARA PRARIE PRESERVE

Location: 2320 Corkscrew Road, at the Lee/Collier County Line, in section 30, Township 46E, Range 28S. The northwest corner of the property is approximately 13.5 miles east of Interstate 75 on Corkscrew Road.

This preserve was acquired to protect the existing native habitat, to provide surficial aquifer storage, to provide habitat for protected birds and mammals, and to buffer and protect adjoining state-owned conservation lands. Although not large enough for a stand-alone hunt program, the preserve is part of the CREW Wildlife and Environmental Area (WEA) which is regulated by the Florida Fish and Wildlife Conservation Commission. For more information on the hunt program please go to: <http://myfwc.com/viewing/recreation/wmas/cooperative/crew> or <http://myfwc.org/hunting/wma-brochures/s/crew>

A 2.6 mile marked trail is open to the public for hiking between dawn and dusk, with access from the CREW Cypress Dome parking area. Connecting trails are shown on the map above.

PEPPER RANCH PRESERVE

Location: 6315 Pepper Ranch Road, Immokalee, FL 34142. Directions from Main Street Immokalee: Travel north approximately 3 miles on 15th St N/Main Street/SR 29 to Lake Trafford Road. Turn west onto Lake Trafford Road and travel approximately 3 miles to Pepper Road. Make a right onto Pepper Road and travel 1 mile to the Pepper Ranch Preserve main gate - on your left.

It was acquired by Collier County in 2009. The primary objectives for acquisition were protection of its significant natural resource values including upland and wetland communities, native plant communities, rare and endangered flora and fauna, endemic species, and endangered species habitat.

The preserve is open to the public on Friday, Saturday and Sundays on non-hunting weekends from October 5, 2013 - June 7, 2014 from 9:00 a.m.-4:00 p.m. The preserve will be closed on hunting weekends for safety reasons. For hunt dates and information on hunting, please see the Conservation Collier website at <http://www.colliergov.net/ConservationCollier>. Visitors are welcome to hike, picnic, bird-watch and take a scenic drive through the preserve after obtaining a daily use permit from the visitor's center. Currently, only portable toilets are provided.

FREEDOM PARK AND GORDON RIVER GREENWAY PARK

Freedom Park is located at 1515 Golden Gate Parkway, Naples. The park is just east of the intersection of Golden Gate Parkway and Goodlette-Frank Road kitty corner from the Coastland Center Mall.

Freedom Park can be accessed from Golden Gate Parkway. Public restrooms are located just outside the 2,500 square foot Exhibition Hall. A 3,500 foot boardwalk extends over the eastern side of the park and the portion belonging to Conservation Collier. Trails punctuated by six lookout pavilions wind around the lakes in the western side of the park.

Gordon River Greenway Park is located along the Gordon River, just south of Freedom Park. Construction on the Park began in early 2013 and is expected to be completed in late 2014.

Taking advantage of the natural beauty along the Gordon River in one of the last untouched areas within urban Naples, the Gordon River Greenway Park will feature a canoe and kayak launch, playground, restrooms, picnic shelter areas, scenic overlooks, educational and interpretive signage, and two miles of trails and boardwalks.

The totally wheelchair accessible 12-foot wide pathways and 10-foot wide elevated boardwalks will accommodate a variety of activities including walking, hiking, jogging, bicycling, skating, and strolling with a baby carriage. Viewing platforms will be ideal for birders, nature photographers, and artists. More information about the Gordon River Greenway Park can be found at www.gordonrivergreenway.org.
