Transit Development Plan Major Update

Objective:

Discuss the upcoming Transit Development Plan Major Update.

Considerations:

In order to receive State Block Grant Funds for transit system operations, each transit agency must develop a Transit Development Plan (TDP) Major Update every five years and an annual update/progress report for all other years. The TDP is the source for determining the types of projects and their priority for the public transportation system. This project will stretch over a year timeframe with public engagement throughout.

Recommendation:

None.
