(DESCRIBE YOUR FACILITY) _____

and the facilities of the Department of Transportation by construction of a (DESCRIBE PROPOSED CONNECTION)

on the Department's right of way at the following location: _____

on State Road No. _____ U.S. Highway No. _____ County _____

To be completed By DOT

1. This permit is a license for permissive use only and does not convey any property rights either in real estate or material, or any exclusive privilege and it does not authorize any injury to private property or invasion of private rights, or any infringement of Federal, State or local laws or regulations; nor does it obviate the necessity of obtaining any required state or local approvals.
2. The drainage connection as authorized herein shall be constructed and thereafter maintained in accordance with the documents attached hereto and incorporated by reference herein. All construction on the Department's right of way shall conform to Department specifications and the Department's manual on Traffic Controls and Safe Practices for Street and Highway Construction, Maintenance and Utility Operation. Such construction shall be subject to the supervision and approval of the Department, and the Department may at any time make such inspections as it deems necessary to assure that the drainage connection is in compliance with this permit.
3. The entire expense of construction within the Department right of way, including replacement of existing pavement or other existing features, shall be borne by the permittee.
4. The permittee shall maintain that portion of the drainage connection authorized herein located on his property in good condition. The Department shall maintain that portion of the drainage connection authorized herein located within its right of way.
5. If the drainage connection is not constructed, operated or maintained in accordance with this permit, the permit may be suspended or revoked. In this event modification or removal of any portion of the drainage connection from the Department's right of way shall be at the permittee's expense.
6. The Department reserves the right to modify or remove the drainage connection to prevent damage or in conjunction with road improvements.
7. The permittee shall make no attempt to forbid the full and free use by the public of all navigable waters at or adjacent to the drainage connection.
8. It is understood and agreed that the rights and privileges herein set out are granted only to the extent of the Department's right, title, and interest in the land to be entered upon and used by the permittee, and the permittee will, at all times, assume all risk of and indemnify, defend and save harmless the Department from and against any and all loss, damage, cost or expense arising in any manner on account of the exercise or attempted exercises by said permittee of these rights and privileges, regardless of the respective degrees of fault of the parties.
9. The permittee shall notify the Department of Transportation Maintenance Office located at 2705 S. Horseshoe Drive Naples, Florida 34104 Mitch Riley, PE_ Telephone (239) 659-5767 .
24 hours in advance of starting any work on the drainage connection authorized by this permit and also 24 hours prior to any work within the right of way. Construction of any work on the right of way shall be completed within ____ days after such notification. If such construction is not completed within _____ days after such notification, the permittee shall notify the Department of the anticipated completion date.
10. Utilities, including gas lines, may be located within the right of way. Prior to beginning work the permittee shall contact the Clerk of the Circuit Court for the name, address, and telephone number of any gas line owner who will provide information upon request on possible conflicts between the gas line and the permittee's drainage connection. The permittee shall also locate all utilities and obtain information from utility owners as to possible conflicts between utilities and the drainage connection. The permittee shall be solely responsible for any damage to or conflicts with gas lines, utilities and/or third persons.
11. This permit shall expire if construction on the drainage connection is not begun within one year from the date of approval and if construction on the drainage connection is not completed by (Date) _____.
12. All the provisions of this permit shall be binding on any assignee or successor in interest of the permittee.
