## GRAND OPENING: EAST NAPLES EXPANSION

Collier County Parks & Recreation is proud to host the grand opening for the East Naples Community Park's community center expansion on Thursday, July 27 at 8 a.m.

The 3,000 square foot expansion will allow for more programming in East Naples including senior lunch programs and adult and youth fitness programs. The expansion will provide a larger kitchen area for staff to prepare hot lunches for seniors in need.

This will also allow for additional rentals and will increase East Naples Community Park's camp capacity. Currently, capacity for summer camp is 120 children. With the new building, the capacity for summer camp will grow to 165 children to better serve working parents in the area.

The grand opening of the community center expansion will be held at East Naples Community Park, which is located at 3500 Thomasson Dr. (Rattlesnake extension).

**Press members should contact Camden Smith for information at 530-5326. The public may call the park directly at 239-793-4414.**
