REMINDER: 8 AM GRAND OPENING JULY 27TH

For your planning tomorrow, July 27, 2006:

Collier County Parks & Recreation will officially open its community center expansion at East Naples Community Park, 3500 Thomasson Dr., on Thursday, July 27 at 8 a.m.

Background Information

The 3,000 square foot expansion will allow for more programming in East Naples including senior lunch programs and adult and youth fitness programs. The expansion will provide a larger kitchen area for staff to prepare hot lunches for seniors in need.

This will also allow for additional rentals and will increase East Naples Community Park's camp capacity. Currently, capacity for summer camp is 120 children. With the new building, the capacity for summer camp will grow to 165 children to better serve working parents in the area.

The public may call the park directly at 239-793-4414.
