

TRANSCRIPT OF THE MEETING OF THE  
COLLIER COUNTY HEARING EXAMINER  
Naples, Florida  
May 28, 2015

LET IT BE REMEMBERED, that the Collier County Hearing Examiner, in and for the County of Collier, having conducted business herein, met on this date at 9:00 a.m., in REGULAR SESSION at 2800 North Horseshoe Drive, Room 609/610, Naples, Florida, with the following people present:

HEARING EXAMINER MARK STRAIN

Also Present: Heidi Ashton-Cicko, Managing Assistant County Attorney  
Ray Bellows, Zoning Manager

HEARING EXAMINER STRAIN: Okay. Good morning, everyone. Welcome to the Thursday, May 28th meeting of the Collier County Hearing Examiner's Office.

We will -- because there are no members of the public here and because we are going to simply announce a discontinuance of the one agenda item today, or movement of it, at least, we won't go into the formalities we normally do to start out.

The only item on the agenda today is the advertised public hearing, Petitioner Number VA-PL20120002648, Branislav Vukovic, for a variance in Naples Park.

Yesterday morning I received a package that was delivered to Fred Reischl on Tuesday, containing a voluminous amount of emails, most of which were strongly not in favor of this particular variance. We had received a few other emails prior to that, some for, some against, but as a result of that quantity of emails I requested that this petition be moved to the standard procedure through the Planning Commission and the Board of County Commissioners. And that's the route it is going to retake.

There are no members of the public here today, and I asked yesterday for Fred to please contact those numbers of emails that had sent in.

Fred, could you tell us approximately how many emails you sent out and responses?

MR. REISCHL: I sent approximately 60 emails to various interested parties, and I got two responses saying thank you, but -- and also three emails were bumped back as not deliverable.

HEARING EXAMINER STRAIN: Okay. So it looks like everybody that was concerned that had sent an email probably got an email in some form from you to the best of your ability.

MR. REISCHL: That sounds reasonable.

HEARING EXAMINER STRAIN: And with that, that particular item's being moved to the Planning Commission, it will be rescheduled accordingly.

I notice the applicant isn't here today, which I'm glad we were notified.

MR. REISCHL: He was notified as well, yes.

HEARING EXAMINER STRAIN: Okay. So with that, we have no other advertised public hearings, no other business and there's no members of the public here to comment. And with that, this meeting is adjourned. Thank you all.

There being no further business for the good of the County, the meeting was adjourned by order of the Hearing Examiner at 9:03 a.m.
