

Retail Sources for UF / IFAS Recommended Fertilizer Collier County

This listing is subject to change as local retailers verify that they employ GI-BMP Certified Professionals, and/or verify that they carry at least one product that meets the UF / IFAS recommended fertilizer specification from a wholesale manufacturer identified UF/IFAS FLREC Dr. Timothy Broschat in these two publications:

1. IFAS publication ENH1009 Fertilization of Field Grown and Landscape Palms in Florida, online at <http://edis.ifas.ufl.edu/pdf/EP/EP26100.pdf> revised September 2014.
2. Wholesale Sources for Recommended Palm and Landscape Fertilizers, available through the Collier County Extension office.

Contact the Collier Extension 239 252 4800 or email iway@ufl.edu
