Location: Tropicana Blvd.
Consultant's Representative: Michael A. McGee, rla, isa
Contractor's Representative: Dale Hannula
Report No.: One

S - Indicates items recommended to be addressed by staff.

C - Indicates items recommended to be addressed by Contractor

<u>MAINTENANCE ITEM</u> Observation date: 10/12-15/15	<u>S</u>	<u>C</u>	<u>R</u>	<u>SUMMARY OF MONTHLY</u> MAINTENANCE SERVICES OBSERVATIONS & RECOMMENDATIONS	<u>RESPONSE or COMMENTS</u> Refer to monthly report for detailed information
TRESS		X	2	Schedule large canopy trees for annual pruning to remove branches intruding into the travel lanes and that are less than 15 foot height over the travel lane.	
		X	2	Schedule annual Sabal /Cabbage palm pruning lower fronds and seed stalks.	
SHRUBS & ORNAMENTAL GRASSES		X	2	Review shrub beds for replacements. It is recommended a roadway length complete estimate of all plants that need to be replaced be developed.	
GROUND COVERS		X	2	Remove and/or prune out any dead or damaged foliage in Juniper and dwarf Fakahatchee grasses.	
TURF		X	2	There exist multiple areas of declined or missing turf throughout the medians containing turf. A replacement program should be developed and submitted.	
IRRIGATION		X		September water use is normal. It is recommended to monitor irrigation and increase run schedule based upon observed water stress through the month of October through November due to the over the top herbicide applications and the transition from rainy season into a dryer season.	
WEED CONTROL		X		Turf weed control treatments have been applied on 10/8 and 10/9. Turf areas may appear dry, but it is the herbicide taking effect on the weeds.	
UNDERSTORY PRUNNING		X		Recommend postponing into November Ornamental grass (e.g. dwarf Fakahatchee) bi-annual pruning.	
		X	2	All Thryallis shrubs should have a 40% reduction pruning occur in September.	
DISEASE AND PEST CONTROL		X		Monitor the following plants: Caterpillar activity may increase on Bougainvillea shrubs with dryer conditions.	
FERTILIZATION		X		FY 15-16 revised fertilization schedule has been attached to the monthly report.
