In this guide, you will see programs listed for every community park and fitness center - so come in and visit a facility today!

Dear Collier County Residents and Visitors,

Summer, summer, summer. School is out and what to do with the kids? After that long awaited vacation, get them involved in Camp Collier. Some of our participants in Camp have recounted the wonderful times they had playing with friends, practicing a new skill, or keeping up to speed on the things they learned in school the past year. We have a camp that fits your child's needs no matter what they enjoy. Summer days go quickly and one

of a child's most memorable experiences in their lives is the time they spent in a Collier County Parks and Recreation summer camp. Our camp counselors are carefully selected and trained. Often they are staff who have experienced Camp Collier as a participant when they were younger, but now are college or high school students whose passion is working with children in a similar atmosphere. Camp counselors impact young lives and our entire staff is managed by professional parks and recreation staff to ensure a high quality experience. Perhaps your child is little older and wants a bit more responsibility, our Junior Leaders program may be just the ticket. This program trains those who are interested in developing leadership skills and creates perhaps the first time a young person is placed into a position of importance and trust. Many of our participants use these experiences to further their applications for future employment or college applications. Whatever your child's interest or level of participation, we hope that you and your family have a safe and enjoyable summer. Remember too, to Play, Connect, and Discover your Collier County Parks and Recreation Division.

You can make a difference in a child's life!

Project STAR provides more than the satisfaction that comes with helping improve the health and well-being of children. It delivers a rare opportunity to witness young lives lifted over time. Your contributions are not given directly to a child. Instead, your contributions are pooled with other contributors to provide community-based programming for all eligible children in the area. Your generous contributions can help send a child to our Summer Camp Program, After School Program or any program offered by Collier County Parks and Recreation. Visit us online at www.collierparks.com for more information.

Thank you for helping children in your community.
