

# Hotels, Which Will Accept Pets During Disasters in: **HILLSBOROUGH COUNTY, FLORIDA**

---

**PET SHELTER INFO:** This county is one of the first in Florida to include animals and agricultural needs in disaster plans. [The Community of Hillsborough Animal and Agricultural Response Team \(CHAART\)](#) will assess what is needed and will be able to dispatch teams to do things like take food to animals or generators to fish farms.

Burnett Middle School has been designated a Hillsborough County hurricane evacuation shelter. The school, at 1010 Kingsway Road, on the corner of US 92 and Kingsway Road North, just south of I-4 in Seffner, will be the first county shelter to welcome pets and their guardians (100 dogs and 100 cats, no other types pets allowed at this time.)

Pet guardians will be able to care for their pets in the gymnasium area and outside the facility before and after the main winds. When it's time to seek shelter, the animals will stay in cages in the school locker rooms. Guardians should bring their own collar, food, food bowl and other supplies.

Sickles High School, located at 7950 Gunn Highway in the Citrus Park area of Tampa, has been designated this county's second pet-friendly shelter. It will hold between 200-300 pets. Additional Note: Officials are seeking volunteers to help with the animals during hurricanes. Contact Hillsborough County Animal Services at 813-744-5660.
