Dan,

It was nice to meet you, as well. I have the information you and Harry requested:

For the Forest Lakes patch, I came up with 214 SY, which equates to approximately 18 tons of asphalt at 1.5" deep.
214 SY Milling, Pay Item 101, \$20.00 per SY = \$4,280.00
18 TN SP-9.5 Asphalt, Pay Item 8, \$300.00 per TN = \$5,400.00
Total cost of the repairs would be approximately \$9,680.00

Let me know if you have any questions or concerns.

Thanks,

Jason Bates
