Barefoot Beach Preserve Friends of the Park: 32 employees, friends and family of Barefoot Beach Preserve, "Our Planet Team" and Hospitality Division did an amazing job. This is their second cleanup at Barefoot. They provided free breakfast of fruit and cheese tamale, banana and Mexican hot chocolate! Everything was recyclable, reusable or compostable and the liners and silverware were collected after use and returned to the hotel to be cleaned. The event's organizer from Guest Services was Nadya Uygun and we thank her for rounding up the troops! Meryl Rorer, Volunteer Coordinator for Parks and Recreation assisted with the event. **Thanks to our friends at Barefoot Beach for all that you do preserving the environmental integrity of this beautiful beach.**
