Hi Debbie,

I've reviewed the draft of the meeting notes from April 8th, and I want to thank Josh for all the work he is doing as secretary of the committee. I was a science textbook author for 25 years and a science teacher for 30, and I can appreciate the time it takes to organize a structured report with so many details.

I think it will save a lot of time at the meeting on Friday if I share my comments, corrections, and requested deletions and additions prior to the meeting.

Please share this attachment with the "team."

Thanks very much!

Susan Snyder
